The consumer guide to shopping for and purchasing new cars and trucks features MSRP & dealer invoice prices, specifications, information on standard and optional equipment, reviews for every make and model, buying and leasing advice, and much more. Original.

This book, I have written, has helped to release all the tension I had with the obstacles I met along with the raising of this family. With the farm life and the large family, including a son with birth defects and Down's syndrome, life was strenuous. Years of struggling to keep the family well and happy. With the help of good doctors and surgeons, in Bobby's case, we have seen that it can be done. I was always trusting God in each incidence. It is my hope that this book will prove to be an inspiration to any and all who have the privilege of reading it.

This trustworthy guide has step-by-step advice on used cars from selection to shopping strategies, vehicle inspection, negotiation techniques, and closing the deal. Also includes
