Luck is not chance—it can be cultivated. This engaging guide shows how to attract “chance” opportunities, and avoid “bad luck,” in ways that will dramatically improve your life. Why do some people seem to have all the luck? According to writer and economist A. H. Z. Carr, there's much more to luck than just the random caprices of fate—“luck” is an accessible mind-set that anyone can achieve. The difference between “chance” and “luck,” says Carr, lies in our mental attitude. Carr teaches readers how to develop their character and adjust their mind-set to pick out the opportunities for happiness and success that are available to us all, but which most unthinkingly pass by. This is no volume of superstition—this is a real guide for people who want to tap into the opportunities for a better life that surround us.

DEMAND is such a misunderstood word. It is a request in which you ask for what you want, knowing the outcome you desire will happen without question or further discussion... As if it is already done. You can have, do, or be anything you want within the laws of nature. Hearing that may seem outrageous, but it's true. Many of the accomplished people in the world have applied what you are about to discover inside this book. They created extraordinary results and live completely fulfilling, abundant and rewarding lives. You can do it too! All you have to do is know what you want and, demand it in a certain way, and demand more of yourself. "Isn't it offensive, bold, or even rude, to demand something?" you may ask. Many people recoil at the very thought of demanding what they want out of life. Demand is not about fighting against the grain, nor is it about force. Force negates. Demand is about perfect, natural, even super- natural alignment with your desire, every moment of every day. "Riches, when they come in huge quantities, are never the result of HARD work! Riches come ... in response to definite demands, based upon the application of definite principles, and not by chance or luck." - Napoleon Hill, *Think And Grow Rich* ENDORSEMENTS: "DEMAND... absolutely! Demand the very best from yourself. Quit playing around with your potential, with your life. DEMAND the best life has to offer. I DO and I love my life. Get this book and eat every word." Bob Proctor, Best-Selling Author of "You Were Born Rich" ----- "Peggy is a thinker, a doer, and an action taker. Life rewards Peggy and it will you too if you follow The Demand Principle!" Robert Pascuzzi, Best-Selling Author and Prosperity Teacher ----- "What I love about this book is that by the end of it if you're not getting the message, clearly, you're missing out on something amazing. The message repeats from chapter to chapter, and at first you think 'OK, I think I got it' but you keep reading, and suddenly... a light bulb goes on in your head and that is when you begin to truly internalize it. Only then can you say, I've GOT THIS - I'm ready to do it! It cost nothing to do, and you have everything to gain. Try it!" L.L. Tremblay, Author of "Seven Roses" ----- "Peggy McColl has done it again, this time showing us how to manifest anything. Demand is the key and Peggy has managed to put it into words where anyone can understand, and more importantly, apply her lessons. Pick it up right now!" Phillip B. Goldfine, Film, Television & Broadway Producer ----- "I have known Peggy McColl for many years. This book is the epitome of who she is. Peggy has always demanded the best of herself, and those that she does business with. She has accomplished so much in her life because of her mindset. In this book she clearly shows you how to demand for more in your life and then how to follow through to achieve it. This is a must read." Brian Proctor, VP of Business Development, Proctor Gallagher Institute ----- "One of the key principles of success is that you look to people who have demonstrated by their results that they know what they are doing and then do EXACTLY what they tell you to do. Peggy McColl has demonstrated by her results that she is a master at manifesting, and in this book, she tells you EXACTLY what to do. The principles and she, as a person, changed my life. Allow her to change yours!" Anders Hansen, Illusionist, Keynote-Performer, Change-Maker
