What does it take to win with people? Does an individual have to be born with an outgoing personality or a great sense of intuition to succeed relationally? When it comes to people skills, are there simply the haves and the have-nots?and we just have to accept whatever abilities God has given us? In this interactive workbook, great for individual or group study, best-selling author John C. Maxwell helps you answer these questions while leading you through the 25 People Principles, which are designed to help make you relationally successful. Features include: Questions for in-depth study and reflection Insightful quotes A system to help you learn and understand the 25 Key People Principles In life, the skills you use and the people you choose will make or break you. *Winning with People Workbook* divided the 25 People Principles according to five critical questions we must ask ourselves if we want to win with people: Readiness: Are we prepared for relationships? Connection: Are we willing to focus on others? Trust: Can we build mutual trust? Investment: Are we willing to invest in others? Synergy: Can we create a win-win relationship? Learn and practice the 25 People Principles and you will not only be able to answer each of these questions in a positive way, but you will become skillful relationally?able to build healthy, effective, and fulfilling relationships. And once you can do that, you will become the kind of person who makes others

successful too!

You can make a difference! Believe it or not, the most effective way to make an impact on the world is to make an impact on individual people. How do you do that? Through influence. In *How to Influence People*, leadership guru John C. Maxwell and his friend Jim Dornan tell you how to make a positive impact on every person in your life, from your children and coworkers to your customers and the barista at the coffee shop. *How to Influence People* will empower you to become a potent and positive influence in the lives of those around you without using a position or title. By “pouring your life into other people” (Dr. Maxwell’s definition of mentoring), “you can truly make a difference in their lives.” And when you make a difference in the lives of others, it makes a difference in your life too. Learn to perceive the stages of influence in your relationships and skillfully navigate your progress from perfect stranger to helpful confidant, to inspiring mentor and multiplier of influencers. Let this book impact your relationships, great and small, and make you a positive influencer and better leader in the lives of those around you.

In the present book, *How to Win Friends and Influence People*, Dale Carnegie says, “You can make someone want to do what you want them to do by seeing the situation from the other person’s point of view and arousing in the other person an eager want.” You learn how to make people like you, win people over to your way of thinking, and change people without causing offense or arousing resentment. For instance, “let the other person feel that the idea is his or hers” and “talk about your own mistakes before criticizing the other person.” This book is all about building relationships. With good relationships, personal and business successes are easy and swift to achieve. *Twelve Ways to Win People to Your Way of Thinking*

1. The only way to get the best of an argument is to avoid it.
2. Show respect for the other person's opinions. Never say "You're wrong."
3. If you're wrong, admit it quickly and emphatically.
4. Begin in a friendly way.
5. Start with questions to which the other person will answer yes.
6. Let the other person do a great deal of the talking.
7. Let the other person feel the idea is his or hers.
8. Try honestly to see things from the other person's point of view.
9. Be sympathetic with the other person's ideas and desires.
10. Appeal to the nobler motives.
11. Dramatize your ideas.
12. Throw down a challenge.

Designed to go beyond the mere mechanics of quitting a bad habit, this book offers short chapters, thought provoking questions, and space to make notes.

The essential military tactics that have enabled commanders from Alexander the Great to General Giap to achieve victory on the battlefield. This groundbreaking book examines battle tactics that have achieved victory through the ages. Drawing on examples of battles on land, at sea, and in the air, the authors reveal the enduring value of each tactic in clear and compelling descriptions and analysis. How can you draw your enemy off-balance? When is the best moment to deliver a counterattack? What is the effect of shock action or defense in depth? This book shows how certain tactical concepts have stood the test of time. It illustrates how General Robert E. Lee, although heavily outnumbered, achieved a remarkable victory through an audacious flanking maneuver at Chancellorsville in 1863, and how the same bold move had been used effectively in Europe more than 600 years before by the king of France at Bouvines. It examines how Allied armies seized and retained the initiative through the airborne landings in Normandy in 1944, and how Soviet General Zhukov pierced enemy lines using Blitzkrieg tactics in Mongolia in 1939. The book features evocative photographs, illustrations, and paintings, and 28 specially commissioned battle plans.
