Nelson sprinkler heads commonly used in home landscapes include the Pro 5500 and Pro 6000 lines, and they lie flush with the ground when not in use and pop up when the sprinkler system is activated. Because adjustments have to be performed while the unit is not activated, propping up each sprinkler head while you work on it is necessary.

Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

In the tradition of the bestselling Shooter ' s Bible, Skyhorse Publishing presents the Fisherman ' s Bible, the most complete reference guide for new fishing equipment and its specifications. Anglers will only need one book—now in its second year—to discover all the new gear on the market as well as to look up specs on accessories currently in production. A comprehensive full-color feature on new products includes large photographs of every rod,

reel, and lure with extensive product details and feature listings. In addition to the latest gear, the Fisherman ' s Bible offers thousands of rods, reels, lures, and lines that have been in production and are currently on the market. All products are divided by spin, spin casting, bait casting, and fly fishing, and further separated into freshwater and saltwater. Nearly every fishing gear manufacturer in the world is included in this unique compendium. With an introduction highlighting the hottest new products on the market, as well as timely features on such informative topics as new trends in fishing, a beginner ' s guide to fishing, and what and where to fish (popular species and prevailing methods), the Fisherman ' s Bible is an essential authority for any beginner or experienced angler, wherever he or she may live or choose to fish. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
