Improvements in health cannot be achieved in isolation as they require an integrated, multisectorial development approach. The WHO's Regional Office for the Eastern Mediterranean has introduced the following community-based initiatives: basic development needs approach; healthy villages programme; healthy cities programme; women in health and development. These community-based initiatives have provided a stimulus for health and human development. This training manual provides material to help develop trainers; update the knowledge of field managers; and reinforce leadership and management skills.

Issued by the first court to successfully prosecute and convict the Vatican, Canada and the Crown of England for Crimes against Humanity, the Common Law Training Manual is a weapon to educate and mobilize the people to reclaim their freedom from arbitrary rulers and their tyranny. This indispensable teaching and action guide is a passport out of oppression into a land of reclaimed freedom and the rule of just law.

This comprehensive approach to gender training in development encompasses work on gender awareness-raising and gender analysis at the individual, community and global level. An important reference source for development agency trainers and academics.

This book helps you provide opportunities for young people to open up and explore their feelings through theatre, offering a safe place for them to air their views with dignity, respect, and freedom.
