Wren Winters is utterly, painfully ordinary. The most boring job on the planet? Check. A boyfriend of eight years who still hasn't put a ring on it? Double check. A squirrel that can't stop gorging itself on her tomato plants? Make that a triple. But on the eve of her thirtieth

birthday. Wren can't shake the feeling that things are about to change. And they are. Just not in the way she planned. After a series of unexplainable events makes her question her sanity, a strange little man arrives to deliver an even stranger message: Wren isn't so ordinary after all. She's a witch, and in order to claim her powers, she must leave everything behind and journey to a place she never even knew existed. Suddenly, Wren is thrust into a fantasy world come to life, where taxis sprout wings and take to the skies, merwomen teach sold-out water aerobics classes, and scent-challenged ogres panhandle on street corners for unusual delicacies. Add in a new job, a hunky coworker, and a full schedule of magical lessons, and Wren's formerly boring life is nothing but a distant memory. But before she's able to even test out her training wand, Wren is confronted with a murder she feels compelled to solve, a list of suspects with plenty to hide, and a mysterious man in black who seems to be tracking her every move. Turns out even fantasy worlds have their dark sides. Nevermore, she is settling right into her new life in the small coastal town of Port Danby. With a flower shop opening soon and a full cast of quirky neighbors and friends, her new digs are exactly what she's been looking for. Away from the hectic hustle and bustle of the city Lacey has found peace and happiness. However, her heightened sense of smell proves to be of use once again when a Port Danby neighbor turns up dead. Lacey finds herself caught up in an unexpected murder investigation alongside the handsome local detective, James Briggs. She's determined to find the killer and solve the murder mystery before any more bodies turn up. Carnations and Chaos (Book 2) Lacey 'Pink' Pinkerton, the local flower shop owner, is thrilled to supply colorful flower arrangements for the Third Annual Food Fair being held in the Port Danby town square. But when one of the well-known but not so well-loved bloggers is found dead in her motel room, Lacey steps in to help Detective James Briggs solve the case. (Whether he likes it or not.) Mistletoe and Mayhem (Book 3) Port Danby is preparing for the annual Harbor Holiday Lights Flotilla, and Lacey 'Pink' Pinkerton is anxious to see the colorful boats light up Pickford Beach. But the festive spirits of the town are dampened when one of the boat owners is strangled to death. Lacey enthusiastically volunteers to help Detective Briggs sniff out the clues and track down the killer. Once again, she finds herself nose deep in a murder mystery. *Each book also contains a delicious, mouthwatering recipe that is perfect to pair with your cozy read!

“Not only will cozy readers be dazzled by the luxury homes, rare antiques, and killer cuisine in the Hamptons Home & Garden mysteries, but they’ll also find a new favorite sleuth in interior designer Meg Barrett.” —Ellery Adams, New York Times and USA Today Bestselling Author

Tensions are high on the eve of the grand opening of Privé, an exclusive gourmet dining club that interior designer Meg Barrett played a large part in decorating. With just the well-heeled owners, the kitchen staff, and Meg gathered for the pre-opening feast, it seems that everyone in the small group is airing their grievances, with their most venomous attacks directed at the notorious sous chef. But it still comes as a shock when the young woman is found dead the following morning, and Meg knows she'll have to go into sleuthing mode to discover who had murder slated for the main course. The most obvious suspect is the bitter winery owner next door, who'd been forced to sell her family's French farmhouse to the owners of the dining club. But rumors are swirling of an affair between the victim and one of the owners, and clues begin to surface suggesting that the young woman was holding something over the owners' heads. With the Hamptons elite closing ranks, Meg begins to think she may be out of her depth—and next on the killer's list—because money can make for a powerful motive, and there are some secrets a person will kill to protect . . . Includes tantalizing recipes and classic vintage decorating tips! Praise for the Hamptons Home & Garden Mysteries: “Like the rest of Kathleen Bridge’s Hamptons Home & Garden mysteries, *A Design to Die For* is filled with riveting descriptions of posh homes and antiques, eccentric characters, and a smart, fast-paced plotline. in the Hamptons, and plot twists on top of plot twists, Kathleen Bridge will have mystery readers clamoring for more.” —Kate Carlisle, New York Times Bestselling Author

“Five weeks ago, I’d given my cheating ex and crumbling career in the San Francisco PD the proverbial middle finger, and moved to the Wild West...of Ireland. In that time, I’d learned to bake scones without burning them (okay, I still scrape off scorch marks), rescued a kitten trapped in a drainpipe (well, I’d helped), and solved a murder (that one really was me). All things considered, my time on Whisper Island hadn’t been the restful vacation my aunt Noreen had promised, but I’d had a blast.” Meet Maggie Doyle, an ex-cop turned private investigator on a mission to find a slice of paradise in her new home of Whisper Island, Ireland. Too bad wherever Maggie goes dead bodies and mystery seem to follow. Enjoy the first three books in Movie Club Mysteries series in one convenient boxset! With nearly 1,000 pages and 500+ five star reviews, you don’t want to miss this bundle of movies, muffins, and murder. This collection includes: DIAL P FOR POISON After the most hated woman on Whisper Island is poisoned at her aunt’s café, can Maggie catch the murderer before they strike again? Or will her terrible baking skills burn down the café first? THE POSTMAN ALWAYS DIES TWICE The instant Maggie and her friend discover the corpse of Whisper Island’s postman, her plans to chill for the next two months are put on ice. HOW TO MURDER A MILLIONAIRE Armed with her newly issued private investigator’s license, Maggie is on the case...of a sheep that went missing twenty-two years ago. When she trips over a dead body on the first day of the investigation, she realizes there’s more to this cold case than a fight over lamb chops. ***Each story includes a cocktail recipe—minus the deadly ingredients!*** Grab a copy and meet Maggie

In season four of Darren Star's hit TV Land series *Younger*, the editors at Empirical Press are shocked and deeply moved when they read *Marriage Vacation*, an autobiographical novel by the publisher's estranged wife, Pauline Turner Brooks. Knowing the book will cause a sensation, they decide they must publish it. Now you can read what the hype is about—including page 58 that had everyone buzzing (...and blushing). *Marriage Vacation* is for anyone who has ever fantasized about what it would be like to run away from it all. By all appearances, Kate Carmichael has the perfect life: two adorable daughters, a prewar townhouse on the Upper East Side, and a husband who runs one of the most successful publishing companies in New York. But when Kate attends a wedding and reconnects with successful friends from graduate school, she suddenly sees her life in a different light: the

career she didn't pursue, the dreams she's locked away, the empty veneer of her privilege. When the wedding weekend ends, instead of heading home to her husband and family, Kate gets on a plane and flies halfway around the world. She claims it's just going to be for a week—two max—just so she can clear her head and reconnect with her lost dreams. But the adventure doesn't go quite as planned. This provocative and gripping novel asks: Is a wife and mother allowed to have a midlife crisis? And, if she does, can she ever be forgiven? PRAISE FOR Marriage Vacation “Marriage Vacation has everything you want in a novel: fascinating characters, drama, secrets, emotional reckonings, and far-flung adventure. If you love Younger, you'll love this book. If you've never watched an episode of Younger (you should change that), you'll still love this book. And just wait until you read page 58!” —Darren Star, creator of Sex and The City and Younger “This brilliant romp helps us understand why Liza was so excited to discover the manuscript, how any woman could leave the dreamy Charles, and what exactly Pauline—by way of her fictional alter ego, Kate Carmichael—did on that mysterious Marriage Vacation. Pack this heartfelt, insightful, funny, sexy book when you take a vacation of your own.” —Pamela Redmond Satran, author of Younger
