Jeffrey spends his Saturdays working in Mr Prendergast's junk shop. One day, while they are sorting things out, they uncover a mysterious machine. Jeffrey takes it home to see if he can make it work. It turns out to be a joke-producing machine, and an extremely funny one at that! Soon everyone in town wants one of its jokes. Everyone except Mr Jenkinson, that is, the miserable owner of the shop next door. Of course, what Mr Jenkinson really needs to do is get a sense of humour instead of trying to ruin everyone's fun. But who will get the last laugh?

Two women with a fiery past discover paybacks can be hell - and just as hot.

The Fletchers' beautiful new house is everything they dreamed it would be. Built between two churches in Heptonclough, a small village on the moors that time forgot, it ought to be paradise for this young family of five, but they barely have a chance to settle in before they find that they're anything but welcome. Someone seems to be trying to drive them away--at first with silly pranks but then with threats that become increasingly dangerous, especially to the oldest child, ten-year-old Tom Fletcher, who begins to believe that someone is always watching him. The adults in Tom's life are trying to help, including his parents; the vicar next door, younger and more dashing than you'd expect a vicar to be; and a therapist, Evi Oliver, who believes him more than she wants to. But there are other clues that something isn't quite right in Heptonclough, including the mysterious accidental deaths of three toddlers over the last ten years. It is not until Tom's siblings, two-year-old Milly and five-year-old Joe Fletcher, go missing in turn that the little village's evil secret turns the Fletchers' dreams into a nightmare. With Sacrifice, Awakening, and now Blood Harvest, S. J. Bolton displays time and time again her remarkable talent as a beguiling storyteller, a master of thrills, and the mistress of her own brand of modern Gothic tale.

In Find Me, Aciman shows us Elio's father, Samuel, on a trip from Florence to Rome to visit Elio, now a gifted classical pianist. A chance encounter on the train upends Saml's visit and changes his life forever. Elio soon moves to Paris, where he, too, has a consequential affair, while Oliver, a New England college professor with a family, suddenly finds himself contemplating a return trip across the Atlantic. Aciman is a master of sensibility, of the intimate details and the nuances of emotion that are the substance of passion. Find Me brings us back inside the world of one of our greatest contemporary romances to show us that in fact true love never dies.
