Milligan's uproarious recollections of life in the army, our hero takes us from the outbreak of war in 1939 ('it must have been something we said'), through his attempts to avoid enlistment ('time for my appendicitis, I thought') and his gunner training in Bexhill ('There was one drawback. No ammunition') to the landing at Algiers in 1943 ('I closed my eyes and faced the sun. I fell down a hatchway'). Filled with bathos, pathos and gales of ribald laughter, this is a barely sane helping of military goonery and superlative Milliganese.

and marvelous anecdotes' Daily Mail 'Desperately funny, vivid, vulgar' Sunday Times 'I had not informed my parents of my return, I wanted it to be a lovely surprise; it was, for me, they were away ...' The seventh and last volume of Spike Milligan's memoirs sees our hero returning from war and Italy ... but to what? Aside from shooting large, inaccurate guns at Germans, all he has done for five long years is blow a trumpet, tell rude jokes and write and perform sketches for the entertainment of bored and murderous soldiers - who on earth is going to pay a civilian to do more of that? From the giddy heights of Hackney Empire to a Zurich Freak Show and beyond, Spike makes his way through the backwaters of showbiz, first as band musician then as one-man wild-act and eventually in the company of a group of like-minded comedians called Harry Secombe, Michael Bentine and Peter Sellers. They decide to call themselves The Goons... 'That absolutely glorious way of looking at things differently. A graveyard in contemporary Israel has an unlikely visitor. The elderly gentleman from Japan, a former news correspondent, lays a bouquet of flowers at the tomb of one Adolf Kamil. For he remembers the tale of three Adolfs: Kamil, a Jew who grew up in Kobe, Japan, the son of a baker; Kaufmann, only child of a German consul stationed at that port city and his Japanese wife; and the Fuhrer with whom the Far Eastern nation made common cause. A briskly paced political thriller, in this first part MESSAGE TO ADOLF takes us from the Nazi propaganda victory of the 1936 Berlin Olympics to the ravaging flames and atrocities of World War II. The disastrous education of Adolf Kaufmann in the ways and prerogatives of the master race begins.

DISCOVER PUCKOON, SPIKE MILLIGAN'S CLASSIC SLAPSTICK NOVEL 'Pops with the erratic brilliance of a careless match in a box of fireworks' Daily Mail In 1924 the Boundary Commission is tasked with creating the new official division between Northern Ireland and the Irish Republic. Through incompetence, dereliction of duty and sheer perversity, the border ends up running through the middle of the small town of Puckoon. Houses are divided from outhouses, husbands separated from wives, bars are cut off from their patrons, churches sundered from graveyards. And in the middle of it all is poor Dan Milligan, our feckless protagonist, who is taunted and manipulated by everyone (including the sadistic author) to try and make some sense of this mess . . .
