Description: Ai No Kusabi: The Space Between. This futuristic anime takes place in Amoi, ruled over by a super computer named Jupiter. Rank or status is determined by hair color, blonde being the highest, and black or dark brown being lowest. The Blondies occupy Tanagura, the most grand city in Amoi. The "mongrels" (black haired) are naturally born in Ceres.

Ai No Kusabi: The Space Between • Absolute Anime

edit data. Japanese author and a key creator of the homoerotic subgenre known in Japan as sh?nen ai ["boys' love"]. Yoshihara spent the first three years of her career writing straightforward homoerotic romance, before stumbling into sf, seemingly by accident, with the success of her signature work Ai no Kusabi (December 1986-October 1987 Sh?setsu June; 1990; trans as The Space Between 2007-2008 [see Checklist for details]).

Rieko Yoshihara (Author of Ai no Kusabi Vol. 1)

Ai no Kusabi is astounding because its able to mix a great (hot) chemistry between Riki and Iason as well as provide us with a detailed, complex setting and storyline. Actually, I ran across this title after reading about the two part OVA in the Buried Treasure section of Anime News Network and decided to give it a try.

One night five years ago, Riki was wandering through the pleasure district of Midas, when he found himself in a rather dangerous situation. As a consequence, Iason, the genetically engineered elite "Blondie," has given him such levels of humiliation and unwanted pleasure that Riki's mind is still haunted by it!

The feelings of anger and jealousy surrounding Riki's status as Iason's pet continues to fester, both amongst the Blondies and their pet. Riki is feeling more and more isolated, as he suffers from a serious stabbing and remains confined. Will Iason be able to keep hold of his beloved Riki, or will Blondie's society tear them apart? And what about Guy? Is he willing to walk away?

In the future, on a distant star lives a new society. Ruled by a computer system named Jupiter, men are divided into classes based on their hair color. The Blondies, genetically altered by Jupiter, are the highest class and occupy the capital city of Tanagura. Those with black hair, Mongrels, are forced to live in the slums, Ceres. Iason, the leader of the Blondies, encounters Riki, a mongrel, in the streets of Ceres one night and sets out to own him.

Riki's stumbled his way into the upper class's neighborhood?! Guy, who's hot on his trail, is shocked to discover that Iason is Riki's patron. However, before Riki's eyes, Iason announces "Riki is my pet" in a display of dominion over him. Blinded by his jealousy, Gai kidnaps Riki and challenges Iason to a no-

holds-barred confrontation. Master and pet...love forged in the bonds of a twisted relationship - this is the stunning conclusion of Ai no Kusabi!

Seeing Guardian's dark side in full, the pursued Kirie escaped to Riki's place. But Guy handed him over to the visiting Katz! Leading to discord between Riki and Guy, Riki left the slums behind to seek out Iason's approval.

Released from Iason's curse, Riki is spending his days idly in the slums when he's drawn into a trap - is it a secret plot of uninvited visitor Kirie, or could it also be a cruel way to force Riki to choose between the body of his old roommate Guy and his own pride? Riki revives the memories of his three years of lust and masochism with Iason. Is freedom just an illusion?

After his release from house arrest and return to the slums, Riki's relationship with Guy has been awkward at best. Before they are able to resolve any of their relationship issues, the security forces of the notorious Midas cross the border for an all-out invasion. Can anyone survive the attack of such powerful forces?

A Blondie takes a street mongrel as a pet?! The entire city buzzes with the scandal! However, Riki, ever the defiant pet, appears to be losing his master's interest. Is he on the verge of being abandoned? And will his pride survive?

In a constantly interconnected world communication takes place beyond territorial boundaries, in networks where English works as a lingua franca. The volume explores how ELF is employed in internationally-oriented personal blogs; findings show how bloggers deploy an array of resources to their expressive and interactional aims, combining global and local communicative practices. Implications of findings in ELF and ELT terms are also discussed.
