From the dazzling ballrooms of glittering London society to
magnificent, cursed estate in the distant wilds of Yorkshire,
comes the deliciously wicked story of a thoroughly
unconventional courtship—and a thrilling midnight
rendezvous that could only lead to love. . . . At four and
twenty Victoria Huntington thought herself quite adept at
fending off fortune hunters . . . until she came under siege
from Lucas Colebrook, the darkly disturbing new Earl of
Stonevale. Amidst the brightly plumed birds of the town,
Lucas was a hawk. And when he held out the lure of moonlit
rides and wild, reckless midnight escapades, Victoria found
herself powerless to resist. But becoming Stonevale ' s

companion in adventure was far more dangerous undertaking than Victoria could ever imagine. For the attractive Earl would use her every weakness to woo her, to win her, and ultimately to wed her. And soon the amber-eyed lady would find herself ensconced in a crumbling mansion deep in the English countryside . . . where the real reason for her hasty marriage becomes all too apparent . . . and where the ghosts of her dark-stained past are waiting to rise up in a terrifying plot that will threaten her life, her honor, and the only man she could ever love.

Reckless--Phoebe Layton had always imagined Gabriel Banner a brave and valiant knight, which was why she went to him when she was in desperate need of help. but when she lures her shining knight to a lonely midnight rendezvous, Phoebe finds herself sparring with a dangerously desirable man who is nothing like the hero of her dreams. She fears she's made a dreadful mistake when Gabriel sweeps her into his arms and passionately embraces her. Yet it's a kiss that seals her fate. Now Gabriel must possess her -- even if he has to slay a dragon to do it! *A New York Times Bestseller

After a year of grand adventures touring the classical ruins of Italy and Greece, Iphigenia Bright returned to England to discover that the real excitement was at home. It seems that her Aunt Zoe has fallen victim to a sinister blackmailer and only Iphigenia can hope to stop the culprit before he can do more harm. Her plan is inspired: Imitating history's most legendary beauties--Cleopatra, Helen of Troy, Aphrodite--the former schoolmistress will remake herself, and descend upon London Society as the dazzling mistress of Marcus Valerius Cloud, the infamous Earl of Masters. Rumors hint that the Earl has disappeared at the blackmailer's hands, and by posing as his unknown mistress, Iphigenia is convinced she can ferret out the villain. Overnight, Iphigenia is transformed into a vision with a host of eager admirers, including one she does not expect -- the Earl of Masters himself, who strides into a shimmering ballroom one evening to coolly reclaim his "mistress". He is everything they say he is... arrogant, attractive, devastatingly seductive, and Iphigenia can't help but be enthralled. But when Marcus agrees to play along with her charade, she doesn't know that the determined earl has plans of his own: to tease and tempt her, until the beautiful deceiver becomes more than his mistress in name only.

New York Times bestselling author Amanda Quick returns with a thrilling new venture into romance and mystery, featuring the most unusual, highly compatible--undeniably combustible--pairing of Tobias March and his mesmerizing partner, Lavinia Lake. An invitation to a country house party at Beaumont Castle provides a perfect solution to Tobias and Lavinia's most exasperating challenge: how to escape the chaos of London for a remote, relaxing--and above all romantic--retreat from prying eyes and wagging tongues. But the lovers' plans are foiled when their first cozy interlude of the weekend is disrupted by the appearance of a stunning woman from Tobias's past. Aspasia Gray's beauty is as haunting as her connection to Tobias. Her long-deceased fiancé was a friend of his--in addition to being an eccentric assassin. The mysterious nature of the bond between Tobias and Aspasia makes Lavinia more than a little uncomfortable. Especially as her first encounter with Aspasia occurs when she finds her in Tobias's bedchamber... It seems Aspasia is seeking protection--and solace--after receiving an ominous

message that eerily recalls the past. Suddenly the obstacles standing between Tobias and Lavinia appear greater than just a little London gossip--and far more deadly. When events at the castle suggest someone is imitating the dead killer ' s methods, the team of Lake and March fervently pursue the investigation--and each other--as their leads take them from Society ' s most elegant haunts--and most discreet hideaways--to London ' s shadiest backstreets. As their relationship heats up, so does the intrigue. Soon Lavinia will have to employ all her talents to flummox the scoundrel who so rudely interrupted her rendezvous. And then she and Tobias can get back to more pleasurable affairs.

Can a woman ever really know herself if she doesn't know her mother? From the author of the smash-hit bestseller *Firefly Lane* and *True Colors* comes Kristin Hannah's powerful, heartbreaking novel that illuminates the intricate mother-daughter bond and explores the enduring links between the present and the past. Meredith and Nina Whitson are as different as sisters can be. One stayed at home to raise her children and manage the family apple orchard; the other followed a dream and traveled the world to become a famous photojournalist. But when their beloved father falls ill, Meredith and Nina find themselves together again, standing alongside their cold, disapproving mother, Anya, who even now, offers no comfort to her daughters. As children, the only connection between them was the Russian fairy tale Anya sometimes told the girls at night. On his deathbed, their father extracts a promise from the women in his life: the fairy tale will be told one last time—and all the way to the end. Thus begins an unexpected journey into the truth of Anya's life in war-torn Leningrad, more than five decades ago. Alternating between the past and present, Meredith and Nina will finally hear the singular, harrowing

story of their mother's life, and what they learn is a secret so terrible and terrifying that it will shake the very foundation of their family and change who they believe they are.
