H.L. Mencken, a celebrated (and scathing) columnist during the "Roaring Twenties" wrote that: "No other such a complete and dreadful nitwit [as Harding] is to be found in the pages of American history." Harding proposed reducing the national debt, protecting farm interests, and cutting back on immigration.

The Roaring Twenties Worksheets | Teachers Pay Teachers

The Roaring Twenties is a nickname for the 1920s which, at the time, was a period of relative prosperity and innovation in the US and some other countries.When the American industry was booming and...

Flappers, flag-pole sitting, and the Ford Model T—these are just a few of the things that instantly conjure up a unique era—the Roaring Twenties. It was the bees' knees, the cat's meow. If you're not familiar with 1920s slang, all the more reason to read this fascinating look at that wild, exciting decade. It began on the heels of one tragedy—the flu pandemic of 1918—and ended with another: the start of the Great Depression. But in between there were plenty of good times—the Model T cars that Henry Ford made were cheap enough for the masses, the new sound of jazz heated up speakeasies and nightclubs during the time of Prohibition. Women, recently given the right to vote, cut their long hair into bobs, wore short skirts and makeup, and danced the Charleston (sometimes in marathons that lasted days). Michele Mortlock hits all the highlights of this heady age that still feels modern even a hundred years later.

The Great Gatsby (1925) is a novel by F. Scott Fitzgerald. Published at the height of Fitzgerald's career as a leading writer of American fiction, The Great Gatsby was reviewed poorly by contemporary critics, but has since been recognized as a groundbreaking work for its vision of American decadence and decay. Adapted into several influential films and adored by generations of readers and writers, The Great Gatsby is not only Fitzgerald's crowning achievement, but one of the finest novels ever written. Nick Carraway is a young veteran and Yale graduate who moves to New York in search of work. He rents a bungalow on Long Island next door to the extravagant mansion of Jay Gatsby, a magnanimous millionaire with a mysterious past. There, he reconnects with his distant cousin Daisy and her husband Tom Buchanan, a flagrant philanderer who brings Nick to the city in order to spend time with Myrtle, his impoverished mistress. Soon, he receives an invitation to a party at the Gatsby mansion, where he gets terribly drunk and meets his neighbor, who swears they served together in the Great War. As time goes by, the two begin a tenuous friendship bolstered by stories of the war and a mutual fondness for alcohol. When Nick discovers that Gatsby and Daisy have a complicated history with one another, he starts to question not only the nature of his neighbor's kindness, but his own desire to make it big in New York. The Great Gatsby is a tragic tale of ambition and romance set in the Roaring Twenties, a decade born from war and lost to economic disaster. With a beautifully designed cover and professionally typeset manuscript, this new edition of F. Scott Fitzgerald's The Great Gatsby is a classic work of American literature reimagined for modern readers.

Meet Dolly, Polly, Holly, Lolly, Jolly and Molly, new fashion paper dolls
Dollies and Friends. You can begin creating your collection of paper dolls with this book which has 3 paper dolls and more than 50 outfits in 1920s styles of fashion. This book is a perfect gift for fashion historians, fashion enthusiasts, costume history lovers, paper doll collectors or anyone interested in 1920s, flapper fashions and roaring twenties style of shoes, headpieces and dresses.Please be aware that these paper dolls require careful hand cutting. For adults, paper dolls may be a gateway to childhood memories but they also make great gifts for children. Younger children may need the help to cut these dolls out since the dolls and clothes are not perforated. However, this is a nice opportunity for fun family time. Paper dolls can bring adults and children together, and collections of paper dolls have always passed down to younger generations. New generations can learn a lot while playing with paper dolls. In a digital era where dress up games allow us to change clothes on paper dolls by only touching a screen, cutting these dolls the traditional way is a great help for developing motor skills. Playing together also helps to develop communication and cooperation between friends and family. Playing games goes hand in hand with storytelling, role-playing and fantasy so everyone can treasure the time spent playing with these paper dolls as memories full of creativity and imagination. Paper dolls have a long history, and

although inspired by antique and vintage paper dolls, Dollies and Friends are modern fashion dolls. Still, most of their wardrobe pieces are vintage fashions or period costumes. While these clothes are created after research, each outfit may not be authentic for that time period. Although there are many costumes and designer fashions for vintage themed books, it is still best to describe them as inspired by historical periods but not exact period costumes. Especially undergarments are more modern for the dolls to be used with different wardrobe choices. Every new outfit from Dollies and Friends Originals Books you will get will be wearable by these Original Dollies. Collecting these paper dolls and sharing them with children can also make fashion and history become one of their passions. Paper doll fans and children of all ages can enjoy these creations . Anyone who is cutting out these dolls and trying the outfits can have a great time with this entertaining activity whether they are fashion enthusiasts, history lovers, paper doll collectors, children or adults.

"To an astonishing extent, the 1920s resemble our own era, at the turn of the twenty-first century; in many ways that decade was a precursor of modern excesses...Much of what we consider contemporary actually began in the Twenties." -- from the Introduction
The images of the 1920s have been indelibly imprinted on the American imagination: jazz, bootleggers, flappers, talkies, the Model T Ford, Babe Ruth, Charles Lindbergh's history-making flight over the Atlantic. But it was also the era of the hard-won vote for women, racial injustice, censorship, widespread social conflict, and the birth of organized crime. Bookended by the easy living of the Jazz Age, when the booze and money flowed seemingly without end, and the crash of '29 that led to breadlines and a level of human suffering not seen since World War I, New World Coming is a lively, entertaining, and all-encompassing chronological account of an age that defined America.
Chronicling what he views as the most consequential decade of the past century, Nathan Miller -- an award-winning journalist and five-time Pulitzer nominee -- paints a vivid portrait of the 1920s, focusing on the men and women who shaped that extraordinary time, including, ironically, three of America's most conservative presidents: Harding, Coolidge, and Hoover. In the Twenties, the American people soared higher and fell lower than they ever had before. As unprecedented economic prosperity and sweeping social change dazzled the public, the sensibilities and restrictions of the nineteenth century vanished, and many of the institutions, ideas, and preoccupations of our own age emerged. With scandal, sex, and crime the lifeblood of the tabloids, the contemporary culture of celebrity and sensationalism took root and journalism became popular entertainment. By discarding Victorian idealism and embracing twentieth-century skepticism, America became, for the first time, thoroughly modernized. There is hardly a dimension of our present world, from government to popular culture, that doesn't trace its roots to the 1920s, and few decades are more intriguing or significant today. The first comprehensive view of the era since Only Yesterday, Frederick Lewis Allen's 1931 classic, New World Coming reveals this remarkable age from the vantage point of nearly a century later. It's all here -- the images and the icons, the celebrities and the legends -- in a book that will resonate with history readers, 1920s aficionados, and Americans everywhere.

The 1920s is one of the most fascinating decades in American history, when the seeds of modern American life were sown. It was a time of prosperity and recovery from war, when women's roles began to change and advertising and credit made it desirable and easy to acquire a vast array of new products. But there was a dark side of crime and corruption, racial intolerance, hard times for immigrants and farmers, and an impending financial collapse. The Roaring Twenties: Discover the Era of Prohibition, Flappers, and Jazz explores all the different aspects of the time, from literature and music to politics, fashion, economics, and invention. To experience one of the most vibrant eras in US history, readers will debate the pros and cons of prohibition, create an advertising campaign for a new product, and analyze and compare events leading to the stock market crashes of 1929 and 2008. The Roaring Twenties meets common core state standards in language arts for reading informational text and literary nonfiction and is aligned with Next Generation Science Standards, Guided Reading Levels and Lexile measurements indicate grade level and text complexity.

Combines motivating stories with research-based instruction that helps students improve their reading and social studies skills as they discover the past. Every lesson of the textbook is keyed to California content standards and analysis skills.

Discover what everyday life was like for ordinary Americans during the decades of development and depression in the 1920s and 1930s.

All students can learn about the Roaring Twenties through text written at four different reading levels. Symbols on the pages represent reading-level ranges to help differentiate instruction. Provided comprehension questions complement the text.

The Primary Sources series is the winner of the 2015 Academics' Choice Awards for the 2015 Smart Book Award in recognition of mind-building excellence. The Roaring Twenties (American Culture in the 1920s) Primary Sources is a pack of 20 primary source documents and is printed on sturdy 8.5" X 11" cardstock.
