Biology for AP® courses covers the scope and sequence requirements of a typical two-semester Advanced Placement® biology course. The text provides comprehensive coverage of foundational research and core biology concepts through an evolutionary lens. Biology for AP® Courses was designed to meet and exceed the requirements of the College Board's AP® Biology framework while allowing significant flexibility for instructors. Each section of the book includes an introduction based on the AP® curriculum and includes rich features that engage students in scientific practice and AP® test preparation; it also highlights careers and research opportunities in biological sciences.

Cracking the AP Biology Exam 2020, Premium Edition, provides students with comprehensive topic reviews of all AP Biology subjects, from photosynthesis to genetics to evolution. It also includes strategies for all AP Biology question types, including grid-in and short free-response questions, and contains detailed guidance on how to write a topical, cohesive, point-winning essay. This Premium Edition includes 5 full-length practice tests (4 in the book and 1 online) for the most practice possible.

Portable and easy to use, The Princeton Review's Essential AP Biology flashcards bring you important terms and helpful explanations to help turbo-charge your AP test prep. With information naturally broken into bite-sized chunks, our flashcards make it easy to study anytime and anywhere. Essential AP Biology includes 450 flashcards with need-to-know terms for key AP Biology subject areas, covering topics such as: cells - cellular energetic - photosynthesis - molecular genetics - cell reproduction - heredity - diversity of organisms - plants - animal structure and function - and more Use the color-coded scale on the sides of the box to help measure your progress by keeping track of how many cards you've studied so far, which terms you've mastered, and which you still need to review. Studying for the AP Biology Exam doesn't have to be painful—the Princeton Review's Essential AP Biology flashcards will make it a breeze!
