In this wholly original, never-before-seen box set, the New York Times bestselling author who has redefined tarot for the twenty-first century takes seekers on a journey of self-discovery deep into the collective unconscious and through the realm of archetypes, where dreams and myths meet. In this original box set, Kim Krans illuminates the revelatory power of archetypes—the ancient, universal symbols that have endured across time and cultures and reside deep in our shared psyche. Illustrated in her unmistakable “Wild Unknown” style, an emotionally evocative combination of elegant line art and lush watercolor painting, The Wild Unknown Archetypes Deck and Guidebook fosters a profound understanding of our complex personalities, behaviors, and tendencies. The Wild Unknown Archetypes deck includes 78 gorgeous circular oracle cards divided into four suits: The Self, The Place, The Tool, and The Initiation. Each archetype has been carefully selected for its symbolic potency and the lesson at the core of its nature, such as The Poet, representative of deep emotional creativity and the drive to find our truth, and The Resting Place, symbolic of a pause on our journey and the need to seek replenishment. Accompanying the deck is a 200-page hand-lettered, fully illustrated guidebook written and designed by Krans, which details the meaning behind each card and offers clear, grounded explanations of the many spreads, practices, and concepts that power the Archetypes deck. A beautiful and inclusive tool for self-exploration, The Wild Unknown Archetypes Deck and Guidebook is sure to enchant readers drawn to personal study, symbology, and lore. Destined to become a treasured keepsake, The Wild Unknown Archetypes Deck and Guidebook is an exquisitely designed work of art that embodies the mystery, glamour, and allure that made Krans’s previous work collectible sensations, while introducing a whole new realm of magic and depth to The Wild Unknown.

Caroline Myss, author of the New York Times bestsellers Anatomy of the Spirit and Why People Don’t Heal and How They Can, presents an exciting, highly original program in this long-awaited book. Based on her internationally popular workshop of the same name, Sacred Contracts is a brilliant synthesis of psychology, healing guidance, and spiritual insight. As a medical intuitive, Myss has found that people often don’t understand their purpose in life, which has led to a spiritual malaise of epidemic proportions. This metaphysical disease in turn leads to depression, anxiety, fatigue, and eventually physical illness. But our purpose—our individual Sacred Contract—is often difficult to apprehend. For this reason, Myss developed an enjoyable and ingenious process for deciphering your own Contract using a new theory of archetypes that builds on the works of Jung, Plato, and contemporary thinkers. She first recounts how the concept of Sacred Contracts took form in myths and other cultural traditions through the ages. She then examines the lives of the spiritual masters and prophets—Abraham, Jesus, the Buddha, and Muhammad—whose archetypal journeys illustrate the four stages of a Sacred Contract and provide clues for discovering your own. With her signature motivational style and stories, Myss explains how you can identify your particular spiritual energies, or archetypes—the gatekeepers of your higher purpose—and use them to help you find out what you are here on earth to learn and whom you are meant to meet. In coming to know your archetypal companions, you also begin to see how to live your life in ways that make the best use of your personal power and lead you to fulfill your greatest—in fact, your divine—potential. In this process, you learn how to see your life—and the lives of others—symbolically, allowing you to manage your personal power without getting caught up in emotional drama. You will also learn how to fulfill your Sacred Contract: what you and only you are here on earth to do. Finally, Myss offers specific guidance for locating your physical and emotional vulnerabilities and healing any susceptible areas. Both visionary and practical, Sacred Contracts is a completely unique process of self-discovery and spiritual archaeology and a bold, powerful work of spiritual wisdom.

A collaboration between a traditionally trained physician and a medical intuitive, The Creation of Health illuminates the deep connection between emotional dysfunction and physical illness. It describes the role that emotional disturbances play in the most common diseases and ailments from the common cold to arthritis, diabetes, heart disease, and cancer. After providing an introduction to intuitive medicine and its history, method of diagnosis, and relationship to traditional medicine, Myss and Shealy detail the deeper emotional and psychic reasons why illness develops in the body. Dr. Shealy offers a traditional account of a particular disease or ailment, while Dr. Myss sheds light on the deeper causes through her corresponding energy analysis. Confirming the link between illness and emotion, The Creation of Health puts forth a groundbreaking vision of holistic healing.

The book begins by introducing the reader to a fantastic possibility - that humanity may be on the verge of a major shift in consciousness rooted in a new understanding of how our DNA operates - namely that it is programmed directly by the way we think and feel. This is a highly ambitious and sophisticated system for shaping one's destiny. Based around 64 archetypes, it resembles the I Ching in its vast scope and profound importance, and in the resonant character of its symbolism. The author shows how there are two ways to approach the Gene Keys - the analogue (holistic) way and the digital (detailed) way. It is the combining of both analogue and digital that results in contemplation - the primary pathway into the Gene Keys. Since our beliefs shape our genes, when we change our beliefs, we change the chemistry of our body. The Gene Keys are an inner language whose central purpose is to transform our core beliefs about ourselves, thus raising our lives onto a new level of awareness. The book works alongside state-of-the-art online profiling software. This software will provide instantaneous free profiles known as 'Hologenetic Profiles', which uses astrological data (time, date and place of birth) to generate a unique sequence of Gene Keys that relate to many aspects of your life, including the underlying genetic patterns governing your relationships, your finances, your health and your life purpose. As the reader contemplates the 64 Gene Keys over time and applies their insights in his or her own life, so one's belief system will begin to change and our DNA will actually start to transform the way we think and feel.
