From USCCB Publishing, this revision of the General Instruction of the Roman Missal (GIRM) seeks to promote more conscious, active, and full participation of the faithful in the mystery of the Eucharist. While the Missale Romanum contains the rite and prayers for Mass, the GIRM provides specific detail about each element of the Order of Mass as well as other information related to the Mass.

In accessible and lively prose, this book explains the ceremonies of the Catholic Mass and their meaning for lay people, including the young. It is designed to meet the widespread complaint that the Mass is boring, incomprehensible, or alienating. Fr. Randolph goes through the Mass step by step, looking at the origin and purpose of the various elements, and relating them to the reader's experience of prayer and the Christian life. Suggestions are made for ways to enhance our appreciation of the liturgy, how to prepare for Mass, and how to carry the grace of the Mass out into the world. A supplementary chapter looks at the use of Latin in the Mass, its past and present value, and explains it in the context of contemplative prayer.

Forty years ago, Toolan composed the words and music of the famous hymn I Am the Bread of Life, performed in 25 languages worldwide. Today, Toolan is one of the most respected writers of religious hymns in the world; the story behind her work sparks creativity in other artists and musicians.
