For Introduction to Business Courses Business Essentials continues to provide a solid foundation of the essential topics that first-semester business students need to understand. Its focus on practical skills, knowledge of the basics, and important developments in business makes for a brief book, but a rich experience. The recent events in domestic and global economies are presenting unprecedented challenges, excitement, and disappointments for business—and a need for a change in the Introduction to Business course and text. This text captures the widespread significance of these developments and presents their implications on businesses today. MyBizLab for Business Essentials is a total learning package. MyBizLab is an online homework, tutorial, and assessment program that truly engages students in learning. It helps students better prepare for class, quizzes, and exams—resulting in better performance in the course—and provides educators a dynamic set of tools for gauging individual and class progress.

The bestselling author of No Logo shows how the global "free market" has exploited crises and shock for three decades, from Chile to Iraq In her groundbreaking reporting, Naomi Klein introduced the term "disaster capitalism." Whether covering Baghdad after the U.S. occupation, Sri Lanka in the wake of the tsunami, or New Orleans post-Katrina, she witnessed something remarkably similar. People still reeling from catastrophe were being hit again, this time with economic "shock treatment," losing their land and homes to rapid-fire corporate makeovers. The Shock Doctrine retells the story of the most dominant ideology of our time, Milton Friedman's free market economic revolution. In contrast to the popular myth of this movement's peaceful global victory, Klein shows how it has exploited moments of shock and extreme violence in order to implement its economic policies in so many parts of the world from Latin America and Eastern Europe to South Africa, Russia, and Iraq. At the core of disaster capitalism is the use of cataclysmic events to advance radical privatization combined with the privatization of the disaster response itself. Klein argues that by capitalizing on crises, created by nature or war, the disaster capitalism complex now exists as a booming new economy, and is the violent culmination of a radical economic project that has been incubating for fifty years.

Appropriate for introduction to business courses at both the university and college levels. Business Essentials, Fifth Canadian Edition, is the perfect option for those who want a "no-nonsense" approach for an introduction to business course. It retains the smooth, conversational writing style, extensive pedagogy, and well-integrated supplements package of the parent text (Business, Sixth Canadian Edition), but in a more condensed format. With a focus on student success, this new edition includes many new student-centred features, and access to MyBusinessLab is now included with every new copy of the textbook. This new edition also reflects the changes in today's business environment with increased emphasis on small businesses, ethics and accountability, and the ever-changing role of IT.

With a foreword by HRH The Prince of Wales 'A stunningly moving book about the power of hope and love to overcome the very worst of mankind' Piers Morgan When Holocaust survivor Lily Ebert was liberated in 1945, a Jewish-American soldier gave her a banknote on which he'd written 'Good luck and happiness'. And when her great-grandson, Dov, decided to use social media to track down the family of the GI, 96-year-old Lily found herself making headlines round the world. Lily had promised herself that if she survived Auschwitz she would tell everyone the truth about the camp. Now was her chance. In Lily's Promise she writes movingly about her happy childhood in Hungary, the death of her mother and two youngest siblings on their arrival at Auschwitz in 1944 and her determination to keep her two other sisters safe. She describes the inhumanity of the camp and the small acts of defiance that gave her strength. From there she and her sisters became slave labour in a munitions factory, and then faced a death march that they barely survived. Lily lost so much, but she built a new life for herself and her family, first in Israel and then in London. It wasn't easy; the pain of her past was always with her, but this extraordinary woman found the strength to speak out in the hope that such evil would never happen again. 'Utterly compelling, heartbreaking, truthful and yet redemptive, a memoir of the Holocaust, a testimony of irrepressible spirit and an unforgettable family chronicle, written in lucid prose by a truly remarkable woman about her life from Hungary to Auschwitz, Israel to London. I couldn't stop reading it.' Simon Sebag Montefiore

Business Essentials continues to provide a solid foundation of the essential topics in business. Its focus on practical skills, knowledge of the basics, and important developments in business makes for a brief book, but a rich experience. The recent events in domestic and global economies are presenting unprecedented challenges, excitement, and disappointments for business--and a need for a change in the Introduction to Business course and text. This text captures the widespread significance of these developments and presents their implications on businesses today. MyBizLab for Business Essentials is a total learning package. MyBizLab is an online homework, tutorial, and assessment program that truly engages students in learning. It helps students better prepare for class, quizzes, and exams--resulting

in better performance in the course--and provides educators a dynamic set of tools for gauging individual and class progress. This program will provide a better teaching and learning experience-for you and your students. Here's how: Personalize Learning with MyBizLab: Inspire the exchange of new ideas and foster intriguing discussions with the abundant resources found in MyBizLab. Real World Business Practices Focus: An abundance of the latest real world business developments and examples provide clear illustrations of business concepts and current dilemmas, and every chapter shows how basic practices apply not only in business upswings, but also during economically challenging times as well. Help Students Review and Apply Concepts: Examples and exercises allow students to see how entrepreneurs are putting into practice the concepts that they are learning. Keep Your Course Current and Relevant: New examples, research findings, and examples appear throughout the text. Note: You are purchasing a standalone product; MyBizLab does not come packaged with this content. If you would like to purchase both the physical text and MyBizLab search for ISBN-10: 0133771555/ISBN-13: 9780133771558. That package includes ISBN-10: 0133454428/ISBN-13: 9780133454420 and ISBN-10: 0133456358/ISBN-13: 9780133456356. MyBizLab is not a self-paced technology and should only be purchased when required by an instructor.
