which examines the business decision-making processes of many types of leaders, while revealing some of the common factors that push them over ethical lines they might not otherwise cross.

This highly effective text provides superior legal, ethical, and regulatory coverage while fully integrating practical business practices for tomorrow's business managers. Legal topics are explored and explained through real-world business examples (over 300 references to business are made in the text). In addition to a solid foundation in the law, students learn valuable legal and ethical reasoning skills through a variety of critical thinking exercises.

Students receive -- and appreciate -- practical advice on when it is necessary to call a lawyer, how best to use legal aid services and how to avoid legal trouble in the first place. This text fulfills current curricular and AACSB accrediting standards.

Do you want to make sure you · Don't invest your money in the next Enron? · Don't go to work for the next WorldCom right before the crash? · Identify and solve problems in your organization before they send it crashing to the ground? Marianne Jennings has spent a lifetime studying business ethics---and ethical failures. In demand nationwide as a speaker and analyst on business ethics, she takes her decades of

Read Free Business Ethics Jennings 7th Edition

findings and shows us in *The Seven Signs of Ethical Collapse* the reasons that companies and nonprofits undergo ethical collapse, including:

- Pressure to maintain numbers
- Fear and silence
- Young 'uns and a larger-than-life CEO
- A weak board
- Conflicts
- Innovation like no other
- Belief that goodness in some areas atones for wrongdoing in others

Don't watch the next accounting disaster take your hard-earned savings, or accept the perfect job only to find out your boss is cooking the books. If you're just interested in understanding the (not-so) ethical underpinnings of business today, *The Seven Signs of Ethical Collapse* is both a must-have tool and a fascinating window into today's business world.

involve much more than memorizing rules. You master the skills to develop a corporate culture of integrity that maintains stakeholder support and enables directors and auditors to complete their jobs. You also learn how to use ethical strategies to make decisions, as this edition examines the latest information on governance scandals, legal liability and professional accounting and auditing issues. More than 130 cases and readings highlight new and classic cases of fraud, bankruptcy and unprofessional practices to help you better understand appropriate codes of conduct and sound ethical reasoning while strengthening your persuasive and leadership skills for success. How can one be a Christian in the world of business,

Read Free Business Ethics Jennings 7th Edition

not just on the weekend? How can one be honorable in business? Through the integration of the Christian worldview and business ethics, this book provides Christians with a mental framework with which to answer these important questions. Beginning with Genesis as the foundation for the Christian's worldview and the Ten Commandments as the outline for the Christian's ethical obligations, the authors develop principles upon which ethical choices can be made, even when working in a primarily non-Christian-oriented business environment. The book is designed to be helpful both to those beginning their career in business and those already employed in business who struggle with how to engage in today's business

Read Free Business Ethics Jennings 7th Edition

environment while maintaining their commitment to God's vision for life to be both meaningful and honorable. Topics of business ethics such as employee rights, discrimination, technology and privacy, insider trading and accounting fraud, and the special challenges of working internationally are covered. The added value this book brings to these discussions lies in its serious consideration of the Christian worldview as foundational to ethical decision-making in everyday areas of business.

Delve into the core of ethics today in your course with the latest practical, applied coverage found in Ferrell/Fraedrich/Ferrell's BUSINESS ETHICS 2009

Read Free Business Ethics Jennings 7th Edition

UPDATE. Whether you use this book as a supplement or primary text in your undergraduate or graduate course, the accessible, up-to-date approach provides unmatched insights into the complex environment in which contemporary managers make ethical decisions. The book's solid managerial framework and new updates highlight the latest developments in ethics and how they relate to overall ethics concepts, processes, and best practices used throughout successful business ethics programs. Your students see how ethics can play a critical role in key strategic business decisions. Captivating new cases and engaging examples reflect today's most recent business developments and crises. Rather than

Read Free Business Ethics Jennings 7th Edition

focusing on intellectual reasoning alone or a philosophical discussion of ideas, the book's proven learning features help students prepare and practice confronting the types of actual ethical dilemmas they will face in today's business world.
