To learn to ride a bike, a person must ride a bike. To learn to pass the CAPM Exam, a project manager must practice with hundreds and hundreds of sample questions. CAPM Exam Simplified provides hundreds of sample questions with detailed solutions explaining why the best answer is best and the wrong answers are wrong. The book is organized by section of the PMBOK Guide. With each section, the CAPM Exam Simplified book tells you what section of the PMBOK Guide to read, then provides a summary of the most important ideas. Exam tips are included along with sample questions that pertain to that particular section of the PMBOK Guide. Summary tests are dispersed throughout the book. One complete sample exam, again with details explanations of the right and wrong answers is included at the end. A key part of passing the CAPM Exam is recognizing tools and techniques. An explanation of this is provided early in the book with a summary of names and equations at the end. The author, Aileen Ellis, PMP, PgMP, has helped thousands of participants pass this exam, both through her workshops and books. She truly is the PMP/CAPM Expert. Her approach is to focus on understanding the project management processes and their interaction with limited memorization.

review materials that are organized according to knowledge areas and cover the forty-four processes almost equally, this guide divides materials into process groups or domains and weights your review materials the way PMP®/CAPM® weights the exam. For example, approximately 11% of the exam questions will be on the Initiation Phase, so approximately 11% of the review materials in this book covers the Initiation Phase. The guide flows like projects flow. There are six sections: Initiation Phase Planning Phase Execution Phase Monitor and Control Phase Closing Phase Professional Responsibility This is not an unabridged "everything you ever need to know about project management" guide. It focuses exclusively on information you need to know to pass the exam and features: A total of 175 pre-review questions and 175 post-review questions, along with complete answers and explanations The facts, presented clearly and concisely with no frills, no fine print, and no digression Terms, definitions, formulas, charts, diagrams, and lists that help you retain the information and pass the test Advice on how to study and how to take the actual exam, plus a comprehensive index, so it's easy to find information you want to review

To support the broadening spectrum of project delivery approaches, PMI is offering A Guide to the Project Management Body of Knowledge (PMBOK® Guide) - Sixth Edition as a bundle with its latest, the Agile Practice Guide. The PMBOK® Guide - Sixth Edition now contains detailed information about agile; while the Agile Practice Guide, created in partnership with Agile Alliance®, serves as a bridge to connect waterfall and agile. Together they are a powerful tool for project managers. The PMBOK® Guide - Sixth Edition - PMI's flagship publication has been updated to reflect the latest good practices in project management. New to the Sixth Edition, each knowledge area will contain a section entitled Approaches for Agile, Iterative and Adaptive Environments, describing how these practices integrate in project settings. It will also contain more emphasis on strategic and business knowledge—including discussion of project management business documents—and information on the PMI Talent Triangle™ and the essential skills for success in today's market. Agile Practice Guide has been developed as a resource to understand, evaluate, and use agile and hybrid agile approaches. This practice guide provides guidance on when, where, and how to apply agile approaches and provides practical tools for practitioners and organizations wanting to increase agility. This practice guide is aligned with other PMI standards, including A Guide to the Project Management Body of Knowledge (PMBOK® Guide) - Sixth Edition, and was developed as the result of collaboration between the Project Management Institute and the Agile Alliance.
