As Sigmund Freud pointed out,

"Words and magic were in the beginning one and the same thing."

The right words at the right time can be uplifting, changing the course of someone's life for the better; opening up new vistas and

Unfortunately, words can also confuse and limit us as easily as they can empower us.

The wrong words at the wrong time can be hurtful and damaging. Sleight of Mouth patterns come from the study of how language has been,

Modeling is the process of taking a
