“THAT’S NO MOON.” –Obi-Wan Kenobi The Death Star’s name says it all, with bone-chilling accuracy. It is a virtual world unto itself—equipped with uncanny power for a singularly brutal purpose: to obliterate entire planets in the blink of an eye. Its annihilation of the planet Alderaan, at the merciless command of Grand Moff Tarkin, lives in infamy. And its own ultimate destruction, at the hands of Luke Skywalker, is the stuff of legend. But what is the whole story, and who are the players, behind the creation of this world-killing satellite of doom? The near extermination of the Jedi order cleared the way for Palpatine—power-hungry Senator and Sith Lord—to seize control of the Republic, declare himself Emperor, and

usher in a fearsome, totalitarian regime. But even with the dreaded Darth Vader enforcing Palpatine's sinister will, the threat of rebellion still looms. And the Emperor knows that only abject fear—and the ability to punish dissent with devastating consequences—can ensure his unchallenged control of the galaxy. Enter ambitious and ruthless government official Wilhuff Tarkin, architect of the Emperor's terrifying dream come true. From inception to completion, construction of the unprecedented Death Star is awash in the intrigues, hidden agendas, unexpected revelations, and daring gambits of those involved on every level. The brightest minds and boldest egos, the most ambitious and corrupt, the desperate and the devious, all have a stake in the Death Star—and its potential to control the fate of the galaxy. Soldiers and slaves, loyalists and Rebels, spies and avengers, the innocent and

the evil—all their paths and fates will cross and intertwine as the Death Star moves from its maiden voyage to its final showdown. And a shadowy chapter of Star Wars history is stunningly illuminated in a thrilling, unforgettable adventure. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

A man patiently watches a group of young girls walk home from school, waiting for the perfect moment to take the one child he has designated as his next victim. However, what this predator does not know is that he, too, is being stalked. There is someone in the shadows—a trained Citizen—who is ready to make sure that the child under his assigned protection is never harmed. One pedophile, one

abuser, one killer at a time; this Citizen and others like him will take a stand against those who prey on the weak and the innocent.

In this powerful mini-handbook Bishop Sinegal brings revelation and insight to walking in financial integrity as it relates to scriptural giving. Bishop breaks the back of the misconception of the tithe, frees the believer from tithing under the law, and teaches Kingdom principles for a better covenant especially as it relates to giving. This book will release the Kingdom Citizen from fear concerning giving and produce the spirit of mature sons. Malachi 1:6 says if He be our father, He is owed honor. That is the substratum of every principle of Kingdom giving, HONOR. The law is a school master or governor for the immature babe; however for mature sons the Holy Ghost becomes the governor.
