The Infernal Devices certainly became one of my favorite series of ALL TIME. I can't believe it's actually over. And that epilogue. Cassandra Clare can seriously write one heck of an epilogue no matter how painful they could be! The Infernal Devices has been one wild ride right from the very first page of Clockwork Angel.

"Cassandra Clare's Clockwork Angel has got everything: set in Victorian London but with an American heroine | feisty and attractive, natch; it features the Nephilim, a category of quasi-angelic beings (remember Genesis, about there being giants in the world in those days?) and some interesting vampires... one of the Nephilim falls for the heroine but can't, for unspoken reasons, consummate his longing...the human elements of the story are well told.
