Second Edition presents the law of contracts in an understandable and organized manner. The book's effective road map approach to contracts helps students learn about contract formation, determining the

Download Free Contract Law 2nd Edition

applicable law,
unenforceable contracts and
breach of contract. In this
edition, the author also
separately addresses the
impact of Article 2 of the
UCC, federal preemption, and
the UN's Convention on the

Download Free Contract Law 2nd Edition

International Sale of Goods (CISG). Cutting through excess verbiage and outdated doctrine, the book develops each rule of law by presenting theory, illustrating it with an example, and providing a

Download Free Contract Law 2nd Edition

problem to give readers hands-on practice. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Download Free Contract Law 2nd Edition

Unfold the problem >Reveal
the law > Apply to life: A
uniquely practical approach
to contract law. Engaging
and innovative, this text
uses problems and
illustrations to help

Download Free Contract Law 2nd Edition

students quickly grasp core concepts, identify relevant issues, engage with key debates, and apply their learning to real-life contexts. Unfold the problem - Each chapter starts with a problem scenario to set the

Download Free Contract Law 2nd Edition

law into its real world context and help students to think about the relevant issues; illustrations throughout the chapter build on the problem, developing understanding of the topic. Reveal the law - As students

Download Free Contract Law 2nd Edition

explore the problem, the core concepts in the subject area are clearly set out and explained to give them a thorough knowledge of the law. - 'Case in depth' boxes provide more detailed commentary on the most

Download Free Contract Law 2nd Edition

influential cases to enable students to understand their relevance. - 'Debates in context' boxes highlight areas of the law where commentators and academics disagree, helping students to reflect on the operation

Download Free Contract Law 2nd Edition

of the law and potential future changes in the law. - 'Practice in context' boxes give insight into how the law interacts with everyday life and business, prompting students to think about the reality of contracts and to

Download Free Contract Law 2nd Edition

give a practical grounding in the subject. - Thoroughly modern: the textbook takes account of the numerous recent developments in the subject area, seamlessly integrating coverage of the most recent developments

Download Free Contract Law 2nd Edition

into that of more traditional concepts. Apply to life - This fresh and distinctively practical approach allows students to see how the law operates in practical situations which they may encounter in

Download Free Contract Law 2nd Edition

everyday life or in business, and to think about how successfully the law does its job. - The carefully considered pedagogy throughout encourages deep learning to help students develop the

Download Free Contract Law 2nd Edition

critical analysis and problem-solving skills they need for university and beyond. Perfectly-pitched for law undergraduates, the book's contents and approach align neatly with those of the majority of contract law

Download Free Contract Law 2nd Edition

courses, covering all the key areas but never oversimplifying. Online resources: This book is accompanied by online resources including podcasts and videos to support your learning.

Reflecting the most recent changes in the law, the third edition of this

Download Free Contract Law 2nd Edition

popular textbook provides a fully updated, comparative introduction to the law of contract. Accessible and clear, it is perfectly pitched for international students and courses with a global outlook. Jan Smits'

Download Free Contract Law 2nd Edition

unique approach treats contract law as a discipline that can be studied on the basis of common principles and methods without being tied to a particular jurisdiction or legal culture. Notable updates

Download Free Contract Law 2nd Edition

include the consequences of Brexit, the implementation of new European directives 1999/770 and 2019/771 as well as coverage of the effect of COVID-19 on contracts.

Download Free Contract Law 2nd Edition

Derived from the renowned multi-volume International Encyclopaedia of Laws, this practical analysis of the law of contracts in the USA covers every aspect of the subject - definition and classification of contracts,

Download Free Contract Law 2nd Edition

contractual liability, rela

Promoting a 'learning-by-doing' approach to comparative contract law and comparative methodology, this updated second edition of Comparative Contract Law

Download Free Contract Law 2nd Edition

updates the first true student reader on the subject. Bringing together extracts from legislation and court practice this textbook lets students experience comparative law in action, and presents a

Download Free Contract Law 2nd Edition

unique guide to European and
International contract law.

This new edition of European
Contract Law examines the
contract rules of several

Download Free Contract Law 2nd Edition

different European jurisdictions, including the most important civilian systems and English common law, while attempting to articulate general principles which are common in all of them. While the

Download Free Contract Law 2nd Edition

first edition was limited to a comparative analysis of the rules on formation and validity of contracts, agency, third party beneficiaries, and assignment, the second edition now also includes

Download Free Contract Law 2nd Edition

contractual remedies and various updates and revisions of the first edition, especially in the light of the recent changes to the French Code civil. Furthermore, the book comprises a wealth of

Download Free Contract Law 2nd Edition

translated extracts of legislation, cases, and academic literature, comprehensively covering all aspects of contract law. The book was originally published in German to considerable acclaim. This

Download Free Contract Law 2nd Edition

English edition has
been translated by Gill
Mertens, building on the
work done by the translator
of the first edition, Tony
Weir. This edition will be
invaluable to scholars and
practitioners in Europe and

Download Free Contract Law 2nd Edition

beyond.

Contract Law: A Case &
Problem-Based Approach is a
unique casebook that
provides an organizational
structure introducing
students to each major area

Download Free Contract Law 2nd Edition

of contract law before exploring these areas in greater depth later in the casebook. Specifically, the casebook is broken into three major parts, each of which is designed not only to orient the students to

Download Free Contract Law 2nd Edition

the major subject areas of contract law but also meant to help them appreciate the connections and relationships between and among these various subject areas. Part I, the "30,000-foot view,"

Download Free Contract Law 2nd Edition

familiarizes students with contract law, discusses the sorts of problems with which contract law is concerned, and introduces them to some of the basic rules and theories governing contract law. Part II, the

Download Free Contract Law 2nd Edition

"10,000-foot view," exposes students to each major substantive area of contract law in more depth by discussing one classic case in each area, along with additional historical, theoretical, and contextual

Download Free Contract Law 2nd Edition

materials to supplement the black-letter doctrine. After finishing Parts I and II, the student will have a basic understanding of each major area of contract law, along with a good understanding of how these

Download Free Contract Law 2nd Edition

parts fit together. Part III is therefore designed to explore each of the major subject areas in greater depth, and is organized along the lines of a traditional contracts casebook, including a

Download Free Contract Law 2nd Edition

healthy mix of classic and modern cases, short problems, and exercises. New to the Second Edition: Additional materials and cases added to explore the contract doctrines of impossibility and

Download Free Contract Law 2nd Edition

impracticability in light of past and current epidemics (in the case of polio) and pandemics (in the case of COVID-19). Additional case added to explore the relationship between Contract Law, Civil Rights,

Download Free Contract Law 2nd Edition

and Constitutional Law.
Reorganization of some
materials in Chapter 8
(defenses). More focused
notes and appendices
Professors and student will
benefit from: Organization
exposes students to main

Download Free Contract Law 2nd Edition

concepts, and gives professors a number of choices about how to teach their course. Helpful doctrinal introductions to each new major substantive section. Historical, theoretical, and comparative

Download Free Contract Law 2nd Edition

materials are presented to help students understand and think critically about the black-letter rules.

"Thinking tools" feature that helps the student think critically about the law, along with theoretical,

Download Free Contract Law 2nd Edition

historical, doctrinal, contextual, and practice-oriented notes enrich the students' black-letter experience. Enjoyable, contextual materials that are included after a number of classic cases help to

Download Free Contract Law 2nd Edition

bring to light fascinating
background information.
