Questo libro è un contatto reale con Dio. Dio converserà con voi attraverso me. Qualche anno fa non avrei detto una cosa simile, la dico adesso perché ho già avuto un dialogo con Dio, e so che non solo è possibile, ma avviene continuamente. Dovete capire che in parte siete stati voi stessi a fare sì che ciò accadesse.

Suppose you could ask God the most puzzling questions about existence questions about love and faith, life and death, good and evil. Suppose God provided clear, understandable answers. It happened to Neale Donald Walsch. It can happen to you. You are about the have a conversation. . . Walsch was experiencing a low point in his life when he decided to write a letter to God, venting his frustrations. What he did not expect was a response. As he finished his letter, he was moved to continue writing and out came these extraordinary answers to his questions. They will amaze you with complex paradoxes that make perfect sense, profound logic, and astounding truths. Here are answers that bring together as one the deeper meaning of all beliefs and traditions. Here are the answers that will change you, your life, and the way you view other beings. For those with an open mind, a limitless curiosity, and a sincere desire to seek the truth, this book is stunning.

NEW YORK TIMES BESTSELLER • In his first book published as Pope, and in conjunction with the Extraordinary Jubilee of Mercy, Pope Francis here invites all humanity to an intimate and personal dialogue on the subject closest to his heart—mercy—which has long been the cornerstone of his faith and is now the central teaching of his papacy. In this conversation with Vatican reporter Andrea Torielli, Francis explains—through memories from his youth and moving anecdotes from his experiences as a pastor—why “mercy is the first attribute of God.” God “does not want anyone to be lost. His mercy is infinitely greater than our sins,” he writes. As well, the Church cannot close the door on anyone, Francis asserts—on the contrary, its duty is to go out into the world to find its way into the consciousness of people so that they can assume responsibility for, and move away from, the bad things they have done. The first Jesuit and the first South American to be elected Bishop of Rome, Pope Francis has traveled around the world spreading God’s message of mercy to the largest crowds in papal history. Clear and profound, *The Name of God Is Mercy* resonates with this desire to reach all those who are looking for meaning in life, a road to peace and reconciliation, and the healing of physical and spiritual wounds. It is being published in more than eighty countries around the world. “The name of God is mercy. There are no situations we cannot get out of, we are not condemned to sink into quicksand.”—Pope Francis Praise for *The Name of God Is Mercy* “Francis speaks succinctly—and with refreshing forthrightness. . . . He emphasizes moral sincerity over dogma, an understanding of the complexities of the world and individual experience over rigid doctrine. . . . The pope has an easy conversational style that moves effortlessly between folksy sayings and erudite allusions, between common-sense logic and impassioned philosophical insights.”—Michiko Kakutani, *The New York Times* “What makes his book most moving is the way in which this man, without disrespecting his own privacy or offering false bromides of modesty, opens the sacred space of his conscience to explain how he came to center his ministry, and now his papacy, around mercy.”—James Carroll, *The New Yorker* “As he has done throughout his papacy, Pope Francis shows in this book a compelling way to present God’s love anew to a skeptical world without denying the ancient teachings of faith. But now he is challenging the entire Church to trek a new way forward.”—*Time* “Francis enjoys sharing personal stories of God’s grace and mercy in the lives of parishioners from his native Argentina, people he has known and who have recognized themselves as sinners.”—*The Washington Post* “Powerful . . . Francis’s book signals a plea for a change of attitude on the part of the faithful and their pastors. . . . Bishops and priests will talk and quarrel over the text for months, even years to come. And that, perhaps, is what Francis intends.”—*Financial Times* “Deepens his calls for a more merciful Catholic Church . . . The question-and-answer book is told in simple, breezy language, with the pope referring to experiences and people in his own life.”—*Newsday* “Francis has offered his most detailed outline yet for the role of the Catholic church in the modern era.”—*National Catholic Reporter* Translated by Oonagh Stransky

The Little Soul and the Sun is a simple and powerful story that brings children a very profound truth: there is not absolute good or bad—that underneath all that happens in the world, all that we call “good” and all that we call “bad,” is love. Your child will discover a God that she or he can love, because God is love, as are all the Little Souls who are a part of God. And perhaps parents, too, will rediscover who they really are.

Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling *Conversations with God* series had another conversation. *Conversations with God for Teens* is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. *Conversations with God for Teens* reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, “Why can’t I just have sex with everybody? What’s the big deal?”, the answer God offers her is: “Nothing you do will ever be okay with everybody. ‘Everybody’ is a large word. The real question is can you have sex and have it be okay with you?” There’s no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. *Conversations with God for Teens* is the perfect gift purchase for parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.

Argues that God is communicating with us all the time and suggests a variety of exercises to make one more aware of God’s presence in our everyday lives.

Something happened in early 2011 that hasn’t happened in decades, perhaps centuries-and we didn’t even notice it. That is, we didn’t see it for what it was. Massive unrest from Tunisia to Egypt to Libya rocked the Arab world and threw the globe into political crisis. Within days, an earthquake-tsunami-nuclear calamity of terrifying proportions shocked Japan and sent the world reeling once again, even as the globe’s financial markets shuddered to sustain themselves while states and nations tottered on the brink of bankruptcy-where many still linger. All of this, of course, we did notice. What we may have missed was that ancient predictions for this period of time called for exactly this: simultaneous environmental, political, and financial disasters. Were we seeing the beginning of “the end of history”-and not picking up the signal? In his prescient new book *The Storm Before The Calm*, seven-time New York Times best-selling author Neale Donald Walsch offers a startling answer: yes. But Walsch also says there is nothing to fear, advancing an extraordinary explanation for what is happening even now all over the planet. Then-and more important-he provides a stunning prescription for healing our lives and our world through the answering of seven simple questions. Compelling and perfectly timed, *The Storm Before The Calm* answers every question that is worth asking about December, 2012 and beyond.
