Heartbreaking photo shows tent pitched outside child safety office where four homeless teenagers are living after escaping a 'bikie drug house' - as friends fear for their lives

Jamie was just five years old and the horrific scene literally struck him dumb. He didn't speak for four and a half years, which meant he was unable to ask anyone for help as his life turned into a living hell. His schizophrenic mother and two of his older brothers spent the following years beating him, raping him and locking him in the cellar at the family home. Fed on scraps that he was forced to lick from the floor, he was sometimes left naked in the dark for three days without human contact. Unable to read or write, all Jamie could do to communicate his suffering was draw pictures - the same one over and over of his father on fire, which allowed his mother to convince teachers at his school that he had been mentally unbalanced by the trauma. The violence and sexual abuse grew in severity as more people, including his stepfather, were invited to use him in any way they chose. The only thing that saved Jamie was the kindness of his elder brother and his only school friend, both of whom showed him that love was possible even in the darkest of situations. At fourteen he finally found the courage to run away, hiding in a hut by a railway line, fed on scraps by some local children who found him, but this 'freedom' was brief. For the next two, bleak years he was dragged between a children's home and his mother's house until the moment he turned sixteen, when he walked out and hitch-hiked to the other end of the country, finally free from his tormentors and ready to begin a new life. Jamie's is the ultimate insider's story, casting light into the darkest of hidden worlds, and a truly inspirational account of how one small boy found the strength to overcome almost impossible odds and become a remarkable man. Now that he has found his voice again, Jamie speaks out against child abuse and helps support and protect other children whose lives have been blighted by it.

Joe knew his mother was cruel and violent, but he trusted his beloved father to protect him from her. When a freak accident saw his father burn to death in front of him, Joe was left at the mercy of his mother. Without the love of his friend and brother, he wouldn't have survived. With them, he went on to spend his life fighting child abuse.

When Edith was stillborn without warning, Jonny and Joanna were stunned and confused. Why wasn't anyone talking about baby loss? Where could they turn for help? Who would answer their burning questions? One in in four pregnancies ends in miscarriage; one in 200 in stillbirth. And yet, while the church offers resources to cope with suffering generally, there is often an echoing silence when it comes to the trauma of baby loss. 'When we lost our daughter Edith,' say Jonny and Joanna, 'it was painful indeed to find the lack of biblically rooted and pastorally sensitive resources.' Nothing really hit the mark, so, through tears, they wrote this book. It comes to you, or someone close to you, with a massive hug. It is the authors' prayer and passion that you will be amazed by our great God as you connect with deep truths from the Bible, bringing healing to your heart, mind and soul.

At fourteen he finally found the courage to run away, hiding in a hut by a railway line, fed on scraps by some local children who found him. Joe's is the ultimate insider's story, casting light into the darkest of hidden worlds, and a truly inspirational account of how one small boy found the strength to overcome almost impossible odds and become a remarkable man. Now that he has found his voice again, Joe speaks out against child abuse and helps support and protect other children whose lives have been blighted by it.

The next book from the number one bestselling author of Cry Silent Tears.

Paul Mason's father was a policeman. He was also a member of a sadistic paedophile ring. He would keep Paul locked up and naked in a tiny cupboard under the stairs of their home before sexually abusing him. This cycle of abuse continued for several years and also affected his brother. The cupboard became a horrific prison where fear and terror filled his every moment. The Cupboard Under the Stairs is a story of abuse at the mercy of adults whom Paul should have been able to trust. There followed a life almost destroyed by their actions. It is the harrowing story of one man's fight for justice and an end to the horrific memories that still haunt him daily.

Separated from her real mother at birth, Anya grew up in terror of her drunken bullying uncle. Beaten, humiliated and sexually abused by him from the age of six, she thought her life couldn't get worse. But one day it did.

SHE FINALLY THOUGHT SHE WAS SAFE... Toni Maguire, author of Don't Tell Mummy, takes up the story of her tragic childhood where she left off, revealing the awful truth about what happened when her father, sent to jail for abusing her, was released, and came home...

'Wow!!! Where to even begin?? Mind you, it's hard enough to write this with blurry eyes through tears!!... Absolutely heartbreaking and a real tear jerker.' Kirsty Whitlock ????? Cara took a deep breath and let it out slowly. 'She's not just my daughter,' she said as she turned to face Jack. This man she had once loved, but who she hadn't seen for nearly five years. 'Sophie is your daughter too.' It is just past ten o'clock on a cold Friday evening when Rebecca and her husband Jack's doorbell rings. Outside is a woman who introduces herself as Jack's ex-girlfriend Cara. And she's holding the hand of a shivering, blue-eyed, four-year-old girl. Who she claims is Jack's daughter. Rebecca is shocked to discover he has a child from his last relationship - even one he hadn't known about. Because becoming parents isn't part of their life plan. They like children, but they also love their freedom and spending time together uninterrupted; the way that, if they wanted to, they could travel the world at a moment's notice. But Cara needs them. Because Cara has a devastating secret that she can't tell anyone yet. Not even her daughter. A secret with the power to change all of their lives. A secret that will ultimately mean Rebecca has to ask herself - could she find it in herself to welcome her husband's child into her home, and into her heart? A heartbreaking and powerful emotional women's fiction novel about love, friendship and what it truly means to be a parent, perfect for fans of Jojo Moyes, Jodi Picoult and Kate Hewitt. Readers are loving My Husband's Daughter: 'Oh my days, what a tear jerker! I have such a book hangover!... I can't remember the last time I read a whole book in one sitting... I have been glued to the edge of my seat! I should mention that tissues are a must! I cried more than once (I lost count) and am still wiping away the tears as I write this. The story is so heart breaking but beautifully written that some parts had me both sad but smiling at the same time. Absolutely brilliant!' Goodreads Reviewer ????? 'I don't even know where to begin to review this absolutely gut-wrenching, beautiful story... I have never audibly sobbed or struggled to read a book through tears, but this one was tough... I cannot express the need for everyone to read this book. It is just beautiful and I think it gives a lot for people to learn from in their own lives too.' Goodreads Reviewer ????? 'Oh my goodness - what a beautiful, heart wrenching, ugly-cry-making book!... Twists and turns like you wouldn't expect from this genre, and just fantastic characterisation. It really really makes you think (and cry) - go read it!!!!' Goodreads Reviewer ????? 'Blooming hell! What did Emma Robinson do to me with this book?. The most touching story I've read for a long time, so brave to the author... An amazing story of compassion and selflessness... This is an absolutely brilliant five star read and not one to be missed!' NetGalley Reviewer ????? 'WHAT A TEAR JERKER. Keep the tissues really close to your side throughout... Will pull hard on your heart strings... If I could give this 10 stars I definitely would.' Goodreads Reviewer ????? 'Will make you cry and laugh, feel things you have not even thought about ... A story that is so touching, extremely emotional, and ultimately heart provoking... I haven't read anything so original for a long time.' The Magical World of Reading ????? 'Have a box, no two boxes, of tissues at the ready... A beautifully written, heart wrenching story of love and loss... It will stay with you.' Cypresscornerreads ?????

Misty Griffin's story ? Surviving child abuse, parental betrayal, sexual assault, and Amish cruelty A true crime memoir: When Misty was six years old her family started to live and dress like the Amish. Misty and her sister were kept as slaves on a mountain ranch where they were subjected to almost complete isolation, sexual abuse and extreme physical violence. Their step-father kept a loaded rifle by the door at all times to make sure the young girls were too terrified to try to escape. They also knew that no rescue would ever come because only a couple of people even knew they existed and did not know them well enough to care. Amish Sexual abuse: When Misty reached her teens, her parents feared she and her sister would escape and took them to an Amish community where they were adopted and became baptized members. Misty was devastated to once again find herself in a world of fear, animal cruelty and sexual abuse. Going to the police was severely frowned upon. A few years later, Misty was sexually assaulted by the bishop. As Misty recalls, "Amish sexual abusers are only shunned by the church for six weeks, a punishment that never seems to work. After I was assaulted by the Bishop I knew I had to get help and one freezing morning in early March I made a dash for a tiny police station in rural Minnesota. After reporting the bishop I left the Amish and found myself plummeted into the strange modern world with only a second-grade education and no ID or social security card. To all abuse survivors out there, please be encouraged, the cycle of abuse can be broken. Today, I am a nursing student working towards my master's degree and a child abuse awareness activist. This is my story." If you have read Scared Selfless, A Child Called It, The Sound of Gravel, or Etched in Sand, then Tears of the Silenced is a must read.
