DANCE WITH THE ENEMY an explosive thriller full of ...

After reading *Rise of the Enemy* I had to read *Dance with the Enemy* to see where it all started for agent Carl Logan. Carl Logan after having a hard childhood gladly welcomes the world of being an agent. Obviously being an agent has its downsides which Carl discovered when he suffered at the hands of Youssef Selim.

*Dance with the Enemy (The Enemy, #1)* by Rob Sinclair

*Dance with the Enemy* is the action-packed and gripping first chapter in the highly-acclaimed and bestselling *Enemy* series of espionage thrillers featuring Carl Logan. Carl Logan was the perfect agent.

*Enemy Series (3 book series)* Kindle Edition

*Dance with the Enemy (The Enemy, #1)*, *Rise of the Enemy (The Enemy, #2)*, *Hunt for the Enemy (The Enemy, #3)*, and *The Enemy Series: Books 1-3*

*The Enemy Series* by Rob Sinclair - Goodreads

*Dance with the Enemy* by Linda Boulanger is a great story. Terrifically plotted and well written, this book has transported me to a new world, just like Eleya. The detailed descriptions of everything drew me completely into the twists and turns. I loved how the truths appeared as lies, but unraveled into truths.

Dance with the Enemy is the action-packed and gripping first chapter in the highly-acclaimed and bestselling Enemy series of espionage thrillers featuring Carl Logan.

The gripping story of the author's aunt, a Jewish dance instructor who was betrayed to the Nazis by the two men she loved, yet managed to survive WWII by teaching dance lessons to the SS at Auschwitz. Her epic life becomes a window into the author's own past and the key to discovering his Jewish roots. Raised in a devout Roman Catholic family in the Netherlands, Paul Glaser was shocked to learn as an adult of his father's Jewish heritage. Grappling with his newfound identity and stunned by his father's secrecy, Paul set out to discover what happened to his family during World War II and what had caused the long-standing rift between his father and his estranged aunt, Rosie, who moved to Sweden after the war. Piecing together his aunt's wartime diaries, photographs, and letters, Paul reconstructed the dramatic story of a woman who was caught up in the tragic sweep of World War II. Rosie Glaser was a magnetic force – hopeful, exuberant, and cunning. An emancipated woman who defied convention, she toured Western Europe teaching ballroom dancing to high acclaim, falling in love hard and often. By the age of twenty-five, she had lost the great love of her life in an aviation accident, married the wrong man, and sought consolation in the arms of yet another. Then the Nazis seized power. For Rosie, a nonpracticing Jew, this marked the beginning of an extremely dangerous ordeal. After operating an illegal dance school in her parents' attic, Rosie was betrayed by both her ex-husband and her lover, taken prisoner by the SS and sent to a series of concentration camps. But her enemies were unable to destroy her and, remarkably, she survived, in part by giving dance and etiquette lessons to her captors. Rosie was an entertainer at heart, and her vivacious spirit, her effervescent charm, and her incredible resourcefulness kept her alive amid horrendous tragedy. Of the twelve hundred people who arrived with her at Auschwitz, only eight survived. Illustrated with more than ninety photos, Dancing with the Enemy recalls an extraordinary life marked by love, betrayal, and fierce determination. It is being published in ten languages.

From the #1 New York Times bestselling author-the first book in the reissued Three Sisters Island trilogy is a tale of friendship, fate, and the mysterious ways of the heart.

Apprehended while on a routine mission in Russia, agent Carl Logan suspects that members of his own Joint Intelligence Agency may be behind his capture.

Hunt for the Enemy is the breathtaking and action-packed finale to the bestselling Enemy series of espionage thrillers featuring Carl Logan. Praise for Rob Sinclair and Hunt for the Enemy: "an excellent action thriller, perfect for fans of Jack Reacher and Ben Hope ... a great series" - Victoria Goldman (Off The Shelf Book Reviews) "Logan is back and this time it is personal ... a spectacular finale to the trilogy" - Claire Knight (crimebookjunkie.co.uk) "fast paced and gripping ... highly tense" - Sarah Hardy (By The Letter Book Reviews) "The pace is relentless ... a brilliant story line" - Treebeard (Breakaway Reviewers) "fast paced and complex plot, full of action, suspense and thrills ... a great story arc" - Cathy Ryan (Between The Lines Book Blog) "fast paced and intriguing as ever ... one of those you just don't want to put down" - Liz Barnsley (Liz Loves Books Blog) Book Description: The Hunt is on... They've erased his past. Wiped out his very existence. But Carl Logan isn't finished yet. On the run in a harsh Russian winter, Logan - once an invaluable asset but now branded a traitor - has been framed for murder. His own firm, the secretive Joint Intelligence Agency, have labeled him a rogue operative after two decades of loyal service. The agency is hunting him down... and they're not the only ones. But there's much more at stake than just Logan's life. One by one, agents and informants from all sides, all allegiances, are dying. And Carl Logan is the only man who can put a stop to it, once and for all.

“An extraordinary story of an unconventional, nervy woman and her determination to survive.” —The New York Post Paul Glaser was an adult when he learned the truth about his heritage. Raised in a devout Roman Catholic home in the Netherlands, he had never known his father was Jewish and that their family had suffered great losses during the World War II. When Paul inquired, his father refused to provide details about the war, the camps, and especially Rosie, Paul's estranged aunt. Shortly after this discovery, Paul started an investigation into his family's past, desperate to get to the bottom of the long-standing rift between his father and Rosie. His research led him to a collection of Rosie's wartime diaries, photographs, and letters, which told the dramatic story of a woman who was caught up in the tragic sweep of World War II. Rosie Glaser was a magnificent woman; despite everything, she remained hopeful, exuberant, and, most importantly, cunning. When the Nazis seized power, Rosie, a nonpracticing Jew, entered dangerous territory, managing a hidden dance school and participating in whispered conversations and secret rendezvous. She was eventually caught and sent to a series of concentration camps. She survived, though, in part by giving dance and etiquette lessons to her captors, who favored her and looked out for her in return. Of the twelve hundred people who arrived with her in Auschwitz, only eight survived. Dancing with the Enemy recalls an extraordinary life marked by love, betrayal, and fierce determination.

A stunning new young adult adventure set in the kingdoms of the Remnant, by the author of the New York Times-bestselling Remnant Chronicles and the Jenna Fox Chronicles. A formidable outlaw family that claims to be the first among nations. A son destined to lead, thrust suddenly into power. Three fierce young women of the Rahtan, the queen's premier guard. A legendary street thief leading a mission, determined to prove herself. A dark secret that is a threat to the entire continent. When outlaw leader meets reformed thief, a cat-and-mouse game of false moves ensues, bringing them intimately together in a battle that may cost them their lives—and their hearts. The Remnant Chronicles The Beauty of Darkness The Heart of Betrayal The Kiss of Deception Praise for Dance of Thieves: "Pearson is a gifted storyteller and spinner of eminently satisfying romances and fantasy. Fans will thrill at these newest protagonists, especially the women warriors, who are equal partners in the play for power." —Publishers Weekly "This novel has it all—romance, conflict, danger, and humor. A must-have for all fantasy YA shelves." — School Library Journal

From international bestselling author, Lexy Timms, comes a forbidden romance that'll set your heart racing. When Tony Rivers left New York three years ago, he left behind two things. One was the off-Broadway musical he'd made a success through his choreography. The second was a piece of his heart. Fed up with Allison's secrets and cover-ups, he left her and The Big Apple. He's now established on the Hollywood television scene as a dance coach and choreographer, though he aspires to direct. When he's offered a plum position as director on a hot new series, a television mini based on the musical he worked so hard on, he has second thoughts. The price of admission—working with his old nemesis, Blake Smithson, who's the scriptwriter. What blows Tony away is that Blake's living with Allison. Allison never expected to see Tony Rivers again after her father dragged her away from college and forbade her to see Tony. When he arrived in New York four years later, he reawakened all the feelings she had for him. But she was married then, if only in name. Regardless, she fell into an affair with Tony, but refused to divorce her husband when Tony asked her to marry him. Though heartbroken when Tony left New York, Allison pulled her life together and built a career producing theater productions. Between that and raising her two-year old son, she has a full life. When Tony walks through her door once more three years later, she's torn between hating and loving him. The one thing she does not want is to expose her son to the man who abandoned her, even if that child is Tony's own son. Can Tony and Allison untangle the hurts of the past to build a new future? Or will the challenges of their present lives cause their love to die forever? LOVE YOU SERIES: Love Life Need You My Love

Environmentalists worry about too much carbon dioxide, but what's too little? What if global financiers manipulated the global warming crisis to gain control over humanity's resources, freedoms, and population? What if someone with the financial and technical abilities decided mankind was a virus and used carbon dioxide trapping technology to plunge population levels by crashing life-essential CO2 to new lows? These are questions Anna Picard must face in The Carbon Trap, the first book in The Carbon Series. At the height of the global warming crisis, the United Nations attempts to control all carbon emissions, and authorizes a series of programs it deems necessary to save humanity. A progressive US government enthusiastically endorses the UN Carbon Trapping program, and to help pay for it, will impose carbon taxes, draconian regulations, and... it will secretly sell Alaska. Anna Picard is an amoral fixer, an employee of Agenda 21 member and global financier Alexis Swanson had trained to help recruit his corporate army and neutralize his enemies. It is her job to unleash a global hacker network to help destroy the carbon based industries and funnel insider-trading profits to Swanson. One of her recruits is Dr. Sven Johansson, a brilliant geneticist and President of Snath Biotechnology, who designs life forms to trap CO2. But Sven has more ambitious plans. At a UN conference in the Maldives held to impose draconian carbon regulations, not everyone is happy, some industrial executives realize data has been falsified. To protect her scheme, Anna frames one of the execs for murder. Her plans are complicated when she falls in love with Dr. Pete Heyward, the son of the man she framed for murder. Pete is a US Marine amputee who sees past her malevolent deeds and tries to rejuvenate the morality of her youth. After a series of genetically modified carbon trapping life forms is unleashed upon the Earth, Anna must confront the evils she helped unleash, and prevent an even bigger disaster from unfolding that would destroy most life on Earth. This is a high-tech ecological thriller that takes the reader from the Maldives, to the French Riviera, and the heartland of Texas. It introduces cutting edge technologies and concepts, used for the first time in a novel, that reveal striking implications for society.

Greg Gilmore fought hard against returning to Hershey, PA. He has trouble breathing in a town with so many Morrisons running around. Janine Morris, a woman as deeply entrenched in secrets and special military skills as him, only adds to his discomfort. Keeping his family safe is his number one goal. So why do Janine's haunted amber eyes keep enticing him to throw away all his cares and concerns to join forces with a woman who could bring all his
