LAPD Detective Renée Ballard teams up with Harry Bosch in the new work of fiction from number-one New York Times best-selling author Michael Connelly. Renée Ballard is working the night beat again and returns to Hollywood Station in the early hours only to find a stranger rifling through old file cabinets.

Harry Bosch teams up with LAPD Detective Renée Ballard to face the unsolved murder of a runaway, and the fight to bring a killer to justice. Detective Renée Ballard is working the night beat -- known in LAPD slang as "the late show" -- and returns to Hollywood Station in the early hours to find a stranger rifling through old file cabinets. The intruder is retired detective Harry Bosch, working a cold case that has gotten under his skin. Ballard can't let him go through department records, but when he leaves, she looks into the case herself and feels a deep tug of empathy and anger. She has never been the kind of cop who leaves the job behind at the end of her shift -- and she wants in. The murder, unsolved, was of fifteen-year-old Daisy Clayton, a runaway on the streets of Hollywood who was brutally killed, her body left in a dumpster like so much trash. Now Ballard joins forces with Bosch to find out what happened to Daisy, and to finally bring her killer to justice. Along the way, the two detectives forge a fragile trust, but this new partnership is put to the test when the case takes an unexpected and dangerous turn. Dark Sacred Night for the first time brings together these two powerhouse detectives in a riveting story that unfolds with furious momentum. And it shows once more why "there's no doubt Connelly is a master of crime fiction" (Associated Press).

Even detectives have a dark side . . . At the end of a long, dark night detectives Renee Ballard and Harry Bosch cross paths for the first time. Detective Renee Ballard works the graveyard shift and returns to Hollywood Station in the early hours to find a stranger rifling through old files. The intruder is none other than retired legendary LAPD detective Harry Bosch, hunting for leads in an unsolved case that has got under his skin. Ballard escorts him out but -- curious to know what he was searching for -- soon becomes obsessed by the murder of Daisy Clayton. Was she the first victim of a serial killer who still stalks the streets? For Bosch, the case is more than personal: it may be all he has left. But in a city where crime never sleeps, even detectives have a dark side . . . 'Outstanding, complex police procedural ... Bosch and Ballard, both outsiders with complicated pasts, form a perfect partnership in this high spot of Edgar-winner Connelly's long and distinguished career.' --Publishers Weekly (starred review) 'Connelly has created wonderful characters with Bosch and Haller, and Ballard will easily be as beloved. Connelly is a master of crime fiction.' --Associated Press 'Superb crime writing from a master.' --Stephen Loosley, The Australian 'Crime thriller writing of the highest order.' --The Guardian

In this New York Times bestseller, retired LAPD detective Harry Bosch wants justice for a murdered production assistant -- but without his police badge, can he take down a powerful and ruthless killer? The vision has haunted him for four years -- a young woman lying crumpled in death, her hand outstretched in silent supplication. Harry Bosch was taken off the Angella Benton murder case when the production assistant's death was linked with the violent theft of two million dollars from a movie set. Both files were never closed. Now retired from the L.A.P.D., Bosch is determined to find justice for Angella. Without a badge to open doors and strike fear into the guilty, he's on his own. And even in the face of an opponent more powerful and ruthless than any he's ever encountered, Bosch is not backing down.

LAPD Detective Harry Bosch crosses paths with FBI profiler Terry McCaleb while investigating the murder of a Hollywood actress. Harry Bosch is up to his neck in a case that has transfixed all of celebrity-mad Los Angeles: a movie director is charged with murdering an actress during sex, and then staging her death to make it look like a suicide. Bosch is both the arresting officer and the star witness in a trial that has brought the Hollywood media pack out in full-throated frenzy. Meanwhile, Terry McCaleb is enjoying an idyllic retirement on Catalina Island when a visit from an old colleague brings his former world rushing back. It's a murder, the unreadable kind of murder he specialized in solving back in his FBI days. The investigation has stalled, and the sheriff's office is asking McCaleb to take a quick look at the murder book to see if he turns up something they've missed. McCaleb's first reading of the crime scene leads him to look for a methodical killer with a taste for rituals and revenge. As his quick look accelerates into a full-sprint investigation, the two crimes -- his murdered loner and Bosch's movie director -- begin to overlap strangely. With one unsettling revelation after another, they merge, becoming one impossible, terrifying case, involving almost inconceivable calculation. McCaleb believes he has unmasked the most frightening killer ever to cross his sights. But his investigation tangles with Bosch's lines, and the two men find themselves at odds in the most dangerous investigation of their lives.

In this "tense" thriller and #1 New York Times bestseller, Detective Harry Bosch teams up with Lincoln Lawyer Mickey Haller to track down a killer who just might find them first (Wall Street Journal). Detective Harry Bosch has retired from the LAPD, but his half-brother, defense attorney Mickey Haller, needs his help. A woman has been brutally murdered in her bed and all evidence points to Haller's client, a former gang member turned family man. Though the murder rap seems ironclad, Mickey is sure it's a setup. Bosch doesn't want anything to do with crossing the aisle to work for the defense. He feels it will undo all the good he's done in his thirty years as a homicide cop. But Mickey promises to let the chips fall where they may. If Harry proves that his client did it, under the rules of discovery, they are obliged to turn over the evidence to the prosecution. Though it goes against all his instincts, Bosch reluctantly takes the case. The prosecution's file just has too many holes and he has to find out for himself: if Haller's client didn't do it, then who did? With the secret help of his former LAPD partner Lucy Soto, Harry starts digging. Soon his investigation leads him inside the police department, where he realizes that the killer he's been tracking has also been tracking him. Thrilling, fast-paced, and impossible to put down, The Crossing shows without a shadow of doubt that Connelly is "a master of building suspense" (Wall Street Journal).

A FINALIST FOR THE LOS ANGELES TIMES BOOK PRIZE A NEW YORK TIMES BOOK REVIEW BEST CRIME NOVEL OF THE YEAR A CrimeReads Best Crime Novel Notable selection Harry Bosch and LAPD Detective Renée Ballard come together again on the murder case that obsessed Bosch's mentor, the man who trained him---new from #1 New York Times bestselling author Michael Connelly Back when Harry Bosch was just a rookie homicide detective, he had an inspiring mentor who taught him to take the work personally and light the fire of relentlessness for every case. Now that mentor, John Jack Thompson, is dead, and his widow gives Bosch a murder book, one that Thompson took with him when he left the LAPD twenty years before -- the unsolved killing of a troubled young man. Bosch takes the murder book to Detective Renée Ballard and asks her to help him discover what about this crime lit Thompson's fire all those years ago. As she begins her inquiries -- while still working her own cases on the midnight shift -- Ballard finds aspects of the initial investigation that just don't add up. The bond between Bosch and Ballard tightens as they become a formidable investigation team. And they soon arrive at a disturbing question: Did Thompson steal the murder book to work the case in retirement, or to make sure it never got solved? Written with the intense pacing and masterful suspense that have made Michael Connelly "the hard-boiled fiction master of our time" (NPR), The Night Fire continues the unofficial partnership of two fierce detectives determined not to let the fire with burn out.

A brazen, methodical killer strikes on New Year's Eve and LAPD detective Renée Ballard and Harry Bosch must join forces to find justice for the victim in a city scarred by fear and social unrest. There's

## Access Free Dark Sacred Night A Bosch And Ballard Thriller

chaos in Hollywood at the end of the New Year's Eve countdown. Working her graveyard shift, LAPD detective Renée Ballard waits out the traditional rain of lead as hundreds of revelers shoot their guns into the air. Only minutes after midnight, Ballard is called to a scene where a hardworking auto shop owner has been fatally hit by a bullet in the middle of a crowded street party. Ballard quickly concludes that the deadly bullet could not have fallen from the sky and that it is linked to another unsolved murder—a case at one time worked by Detective Harry Bosch. At the same time, Ballard hunts a fiendish pair of serial rapists, the Midnight Men, who have been terrorizing women and leaving no trace. Determined to solve both cases, Ballard feels like she is constantly running uphill in a police department indelibly changed by the pandemic and recent social unrest. It is a department so hampered by inertia and low morale that Ballard must go outside to the one detective she can count on: Harry Bosch. But as the two inexorable detectives work together to find out where old and new cases intersect, they must constantly look over their shoulders. The brutal predators they are tracking are ready to kill to keep their secrets hidden. Unfolding with unstoppable drive and nail-biting intrigue, *The Dark Hours* shows that “relentless on their own, Ballard’s and Bosch’s combined skills...could be combustible” (Los Angeles Times).

In this "superb" thriller, Detective Harry Bosch links the bullet from a recent crime to the unsolved killing of a young female photographer during the 1992 L.A. riots (Wall Street Journal). In a case that spans 20 years, Harry Bosch links the bullet from a recent crime to a file from 1992, the killing of a young female photographer during the L.A. riots. Harry originally investigated the murder, but it was then handed off to the Riot Crimes Task Force and never solved. Now Bosch's ballistics match indicates that her death was not random violence, but something more personal, and connected to a deeper intrigue. Like an investigator combing through the wreckage after a plane crash, Bosch searches for the "black box," the one piece of evidence that will pull the case together. Riveting and relentlessly paced, *The Black Box* leads Harry Bosch, "one of the greats of crime fiction" (New York Daily News), into one of his most fraught and perilous cases.

Traveling to the surf paradise of Huntington Beach to find the three men who may have murdered his sister, Ike Tucker encounters a dark subculture of drugs and violence and nearly loses himself in a hedonist circle of crazed Vietnam veterans, sadistic surfers and mysterious seducers. By the National Book Award finalist author of *Tapping the Source*. Original.
