Winner of the John Llewellyn Rhys Prize England is in a state of environmental and economic crisis. Under the repressive regime of The Authority, citizens have been herded into urban centres, and all women of child-bearing age fitted with contraceptive devices. A woman known as 'Sister' leaves her oppressive marriage to join an isolated group of women in a remote northern farm at Carhullan, where she intends to become a rebel fighter. But can she follow their notion of freedom and what it means to fight for it?

Index. "Prepared by the Poetry Project of the Jewish Women's Resource Center, a project of the National Council of Jewish Women, New York Section."

"You'll be swept away by the passion and power of this remarkable, trailblazing woman who risked everything to follow her own heart."
– Kristin Hannah, #1 New York Times bestselling author "An epic page-turner." – Christina Baker Kline Named Best Fiction Writer in the Austin Chronicle's "Austin's Best 2018" Named one of Lone Star Literary Life's "Top 20 Texas Books of 2018" The compelling, hidden story of Cathy Williams, a former slave and the only woman to ever serve with the legendary Buffalo Soldiers. "Here's the first thing you need to know about Miss Cathy Williams: I am the daughter of a daughter of a queen and my mama never let me forget it." Though born into bondage on a "miserable tobacco farm" in Little Dixie, Missouri, Cathy Williams was never allowed to consider herself a slave. According to her mother, she was a captive, destined by her noble warrior blood to escape the enemy.

Her chance at freedom presents itself with the arrival of Union general Phillip Henry “Smash ‘em Up” Sheridan, the outcast of West Point who takes the rawboned, prideful young woman into service. At war’s end, having tasted freedom, Cathy refuses to return to servitude and makes the monumental decision to disguise herself as a man and join the Army’s legendary Buffalo Soldiers. Alone now in the ultimate man’s world, Cathy must fight not only for her survival and freedom, but she also vows to never give up on finding her mother, her little sister, and the love of the only man strong enough to win her heart. Inspired by the stunning, true story of Private Williams, this American heroine comes to vivid life in a sweeping and magnificent tale about one woman’s fight for freedom, respect and independence.

Two sisters recall their lives together, discussing their success as African American professional women during the Harlem golden age

“The perfect gift for readers who relish heartwarming tales of sisters and love.”—Booklist on *The Christmas Sisters* In the snowy Highlands of Scotland, Suzanne McBride is dreaming of the perfect cozy Christmas. Her three adopted daughters are coming home for the holidays and she can’t wait to see them. But tensions are running high... Workaholic Hannah knows she can’t avoid spending the holidays with her family two years in a row. But it’s not the weight of their expectations that’s panicking her—it’s the life-changing secret she’s hiding. Stay-at-home mom Beth is having a personal crisis. All she wants for Christmas is time to decide if she’s ready to return to work—seeing everyone was supposed to help her stress levels, not increase them! Posy isn’t sure she’s living her best life, but with her parents depending on her, making a change seems risky. But not as risky as falling for gorgeous new neighbor Luke... As Suzanne’s dreams of the perfect McBride Christmas unravel, she must rely on the magic of the season to

bring her daughters together. But will this new togetherness teach the sisters that their close-knit bond is strong enough to withstand anything—including a family Christmas? Don't miss Sarah Morgan's next book, *The Summer Seekers*!

In her role as devoted wife, the Hindu goddess Parvati is the divine embodiment of viraha, the agony of separation from one's beloved, a form of love that is also intense suffering. These contradictory emotions reflect the overlapping dissolutions of love, family, and mental health explored by Sarah Pinto in this visceral ethnography. *Daughters of Parvati* centers on the lives of women in different settings of psychiatric care in northern India, particularly the contrasting environments of a private mental health clinic and a wing of a government hospital. Through an anthropological consideration of modern medicine in a nonwestern setting, Pinto challenges the dominant framework for addressing crises such as long-term involuntary commitment, poor treatment in homes, scarcity of licensed practitioners, heavy use of pharmaceuticals, and the ways psychiatry may reproduce constraining social conditions. Inflected by the author's own experience of separation and single motherhood during her fieldwork, *Daughters of Parvati* urges us to think about the ways women bear the consequences of the vulnerabilities of love and family in their minds, bodies, and social worlds.

The untold story of the three intelligent and glamorous young women who accompanied their famous fathers to the Yalta Conference in February 1945, and of the conference's fateful reverberations in the waning days of World War II. Tensions during the Yalta Conference in February 1945 threatened to tear apart the wartime alliance among Franklin Roosevelt, Winston Churchill, and Joseph Stalin just as victory was close at hand. Catherine Grace Katz uncovers the dramatic story of the three young women who were chosen by their fathers to travel with them to Yalta, each

Read Free Daughters Of Sarah Hardcover

bound by fierce family loyalty, political savvy, and intertwined romances that powerfully colored these crucial days. Kathleen Harriman was a champion skier, war correspondent, and daughter of U.S. Ambassador to the Soviet Union Averell Harriman. Sarah Churchill, an actress-turned-RAF officer, was devoted to her brilliant father, who depended on her astute political mind. Roosevelt's only daughter, Anna, chosen instead of her mother Eleanor to accompany the president to Yalta, arrived there as keeper of her father's most damaging secrets. Situated in the political maelstrom that marked the transition to a post-war world, *The Daughters of Yalta* is a remarkable story of fathers and daughters whose relationships were tested and strengthened by the history they witnessed and the future they crafted together.

An intensely powerful and moving memoir about genetics, mortality, family, femininity, and the author's battle with cancer. After the grief of losing her mother to cancer when Sarah Gabriel was a teenager, she had learned to appreciate "the charms of simple happiness." With a career as a journalist, a home in Oxford, England, a husband, and two young daughters, she was content. But then at age forty-four, she was diagnosed with breast cancer—the result of M18T, an inherited mutation on the BRCA1 gene that had taken the lives of her mother and countless female ancestors. *Eating Pomegranates* is Gabriel's candid and incredibly intimate story of being forced to acknowledge that while you can try to overcome the loss of a parent, you can never escape your genetic legacy. Being diagnosed with the same disease that killed her mother compelled Gabriel to write this story. In her struggle for survival, she recounts the rigors of her treatments and considers the impact of a microscopic piece of DNA on generations of her family's dynamics. She also revisits her past in an effort to reclaim her identity and learn more about the mother who disappeared too early from her life. Beautiful and brutal, *Eating Pomegranates*—like the myth of Persephone and Demeter, which inspires the title—is about

Read Free Daughters Of Sarah Hardcover

mothers and motherless daughters. It is about a woman so afraid of abandoning her children that she is hardly able to look at them, and about the history of breast cancer itself, from early radical surgeries to contemporary medicine. Combining passion, humor, fierce intelligence, and clinical detail, *Eating Pomegranates* is an extraordinary book about an all-too-ordinary disease.

A rich and luminous novel about three generations of women in one family: the love they share, the dreams they refuse to surrender, and the secrets they hold Samantha is lost in the joys of new motherhood—the softness of her eight-month-old daughter's skin, the lovely weight of her child in her arms—but in trading her artistic dreams to care for her child, Sam worries she's lost something of herself. And she is still mourning another loss: her mother, Iris, died just one year ago. When a box of Iris's belongings arrives on Sam's doorstep, she discovers links to pieces of her family history but is puzzled by much of the information the box contains. She learns that her grandmother Violet left New York City as an eleven-year-old girl, traveling by herself to the Midwest in search of a better life. But what was Violet's real reason for leaving? And how could she have made that trip alone at such a tender age? In confronting secrets from her family's past, Sam comes to terms with deep secrets from her own. Moving back and forth in time between the stories of Sam, Violet, and Iris, *Mothers and Daughters* is the spellbinding tale of three remarkable women connected across a century by the complex wonder of motherhood. This book was later published under the title *Mercy Train*.
