What if your first love left town, without a word to anyone, days before graduation? What if, within months, he became one of the biggest recording stars on the planet, and every song he's famous for is about you? What if, after thirteen years of getting on with your life - walking past his face on newsstands, flipping past his image

# Where To Download Dedication Emma Mclaughlin

on TV, tuning him out on the radio - you get the call that he has finally landed back in your hometown for an MTV special two days before Christmas? What if you finally had the chance to confront him? What would you do? This is the dilemma faced by Kate Hollis, a woman on the threshold of her 30th birthday who discovers that the only way to become a well-adjusted, fully-fledged adult is to revisit 17.

Thirteen years after the love of her life abruptly leaves town hours before the senior prom only to become the world's biggest recording star, twenty-nine-year-old Kate Hollis decides to resolve her lingering resentments by confronting him during a home visit. By the authors of *The Nanny Diaries*. Reprint.

Wanted: One young woman to take care of four-year-old boy. Must be cheerful, enthusiastic and selfless--bordering on masochistic. Must relish sixteen-hour shifts with a deliberately nap-deprived preschooler. Must love getting thrown up on, literally and figuratively, by everyone in his family. Must enjoy the delicious anticipation of ridiculously erratic pay. Mostly, must love being treated like fungus found growing out of employers Hermès bag. Those who take it personally need not apply. Who wouldn't want this job? Struggling to graduate from NYU and afford her microscopic studio apartment, Nanny takes a position caring for the only son of the wealthy X family. She rapidly learns the insane amount of juggling involved to ensure that a Park Avenue wife who doesn't work, cook, clean, or raise her own child has a smooth day. When the Xs' marriage begins to disintegrate, Nanny ends up involved way beyond the bounds of human decency or good taste. Her tenure with the X family becomes a nearly impossible mission to maintain the mental health of their four-year-old, her own integrity and, most importantly, her sense of humor. Over nine tense months, Mrs. X and Nanny perform the age-old dance of decorum and power as they test the limits of modern-day servitude. Written

# Where To Download Dedication Emma McLaughlin

by two former nannies, *The Nanny Diaries* deftly punctures the glamour of Manhattan's upper class.

Ten years after the fateful night when Nan was fired, she returns to New York with her husband, HH. Finally settling in to build a permanent home and get her consulting business off the ground, Nan's plans are derailed by HH's sudden desire to start a family - and her surprisingly strong resistance to the idea. Matters are further complicated by a late-night, drunken visit from a now fifteen-year-old Grayer, who's stumbled upon the nanny-cam tape Nan made on her last night in his mother's employment - and wants some answers. Racked with guilt and struggling to find a way to help Grayer and his seven-year-old brother, Stilton, through their parents' vicious divorce, Nan finds herself getting sucked into the Upper East Side world of wealth, power and dysfunction all over again. Set against the backdrop of a Manhattan economy cracking along the fault lines, *The Nanny Returns* plumbs the humour and heartbreak of a community who chose money over love, only to find the money evaporate - and their children ready to tell all.

Named "Summer Book Pick" by *Us Weekly* \* *Redbook Magazine* \* *Brit + Co* \* *Buzzfeed* \* *SheKnows* \* *Bustle* \* *Parade* magazine  
From international #1 best-selling authors Emma McLaughlin and Nicola Kraus comes a story about a girl from the trailer parks of central Florida and the two powerful men who shape her life—one of whom will raise her up to places she never imagined, the other of whom will threaten to destroy her. Amanda Beth Luker has spent her whole life desperately looking for someone who can show her the way out of her trailer park Florida town. And then, finally, help arrives—in the form of Tom Davis, a successful lawyer with political aspirations who grew up just a few towns over from Amanda. But it's his wife, Lindsay, who really captures Amanda's imagination. Strong, smart, and determined, she gives Amanda something she's never had—a role model. Meanwhile Amanda is introduced to the

# Where To Download Dedication Emma McLaughlin

wealthy, charismatic, and deeply troubled Pax Westerbrook. He clearly desires Amanda, but if she gives in will that move her closer to the life she's always dreamed of—or make it impossible? Amanda rides Davis's political success all the way to Washington, where he becomes Senator and will later be tapped for president and even make a bid for the White House. But when Amanda starts to suspect, and later confirms, his moral indiscretions, her loyalty is tested. Will a girl from a trailer park even be believed if she goes public with damning information? Will she be willing to risk losing everything she's gained?

Another biting satire from Emma McLaughlin and Nicola Kraus, authors of the #1 New York Times bestseller *The Nanny Diaries*. Working in a world where a college degree qualifies her to make photocopies and color-coordinate file folders, twenty-four-year-old Girl is struggling to keep up with the essential trinity of food, shelter, and student loans. So when she finally lands the job of her dreams she ignores her misgivings and concentrates on getting the job done...whatever that may be. Sharply observed and devastatingly funny, *Citizen Girl* captures with biting accuracy what it means to be young and female in the new economy. A personal glimpse into an impersonal world, *Citizen Girl* is edgy and heartfelt, an entertaining read that is startlingly relevant.

A woman recounts her summer internship at the White House during which she engaged in an affair with the president of the United States that, when exposed, destroyed her and the presidency and tries to make sense of her actions and the trauma it wrought for the world and for herself.

Three heartfelt stories from Emma McLaughlin and Nicola Kraus, authors of the #1 New York Times bestseller *The Nanny Diaries*. *Citizen Girl* Working in a world where a college degree qualifies her to make photocopies and color-coordinate file folders, twenty-

Sharply observed and devastatingly funny, Citizen Girl is edgy and heartfelt, an entertaining read that is startlingly relevant. Dedication What if your first love left town, without a word to anyone, days before graduation? What if, within months, he became one of the biggest recording stars on the planet? What if, after thirteen years of getting on with your life—walking past his face on newsstands, flipping past his image on TV, tuning him out on the radio—you get the call that he has finally landed back in your hometown for an MTV special? What if you finally had the chance to confront him? What would you do? This is the dilemma faced by Kate Hollis, a woman on the threshold of her thirtieth birthday who discovers that the only way to become a well-adjusted, fully-fledged adult is to revisit seventeen. Between You and Me Twenty-seven-year-old Logan hasn't seen Kelsey in person since their parents separated them as kids. But their reunion is quickly overshadowed by the toxic dynamic between Kelsey and her parents. As Kelsey tries desperately to break away and grasp at a "real" life, beyond the influence of her parents and managers, she makes one catastrophic misstep after another. Logan risks everything to hold on, but when Kelsey unravels in the most horribly public way, Logan finds that she will ultimately have to choose between rescuing the girl she has always protected . . . and saving herself.

The authors of the bestselling novel The Nanny Diaries, Emma McLaughlin and Nicola Kraus, bring you the story of a girl who gets her heart broken...and figures out a foolproof way to get over her ex. Over You's Max Scott had a hard time getting over Hugo, the boy who dumped her. Now it's Max's mission to help NYC girls get over their broken hearts fast, and with dignity. Now Max's life is better than she ever imagined it could be. Her new business,

# Where To Download Dedication Emma Mclaughlin

Ex, Inc., is booming. Better still, her friendship with Ben, a truly sweet guy, could turn romantic. But when Hugo reenters the picture, Max realizes that she isn't over him. At all. Funny, touching, and romantic, *Over You* is the kind of book every girl will fall head over heels for.

From the New York Times #1 bestselling authors, a hilarious short story about a modern woman's attempts to transform herself, make it to the party, and nab *The Guy*—all before the night runs out. She's overworked, underpaid—not to mention frighteningly undergroomed and horrifically over-tired. And yes, it's *So-And-So's* drinks thing tonight, but all she wants is to get out of her office and into her bed before the clock strikes midnight. Until she hears that *The Hot Guy From the Summer Share* will be making an appearance—and, just like that, Cinderella is on a mission.
