emotional compilation of poetry and prose. Written and collected over the course of more than two years, *A Love Letter from the Girls Who Feel Everything* is an intimate, honest, and raw assemblage of two women's feelings in a modern world that often quiets any kind of emotion past indifference. Discussing themes of love, worth, loss and hope, *A Love Letter from the Girls Who Feel Everything* is a journey of discovery and healing. "We are the girls who feel everything. And this is our love letter. To you, to them, to us, to the world, to no one at all. Whether it's the brightest, sunniest day where everything is perfect, or the darkest, dreariest night of rain where life seems unbearable -- we have lived it, we have survived it, and we have felt every, blissful, aching second. Here's to embracing the feels, to the brave souls that listen to the way their hearts beat and aren't afraid to ask someone else if they feel those same beats, too. Here's to the girls, the boys, the love we sometimes share and the love we all-too-often conceal. And more than anything, Reader -- here's to you."

We often struggle to let some people go especially when they made that decision. We question the universe, we question ourselves and we question everyone around us but we never truly get our answers. Letting someone go takes time, patience and commitment to actively stop ourselves from relapsing and thinking about that person again. *The Art Of Letting Go* helps you understand why, how and when you should let someone go so you can move on and never look back.
