Learn French the easy way with Marco's stories, and pick up good habits from day one! Lots of people who only learn French from books quickly pick up bad habits, especially when it comes to pronunciation, how to use articles, and prepositions. These habits fast become ingrained, and very hard to get rid of.

Publisher's Note: Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product. Start Reading in French Immediately and Build Your Language Skills in No Time! Whether you're a brand-new beginner or an advanced-beginning learner, the Easy Reader series enables you to dive into the language with engaging readings that progress in difficulty to match your growing reading skills. This process will allow you to rapidly build comprehension and confidence as you enjoy the stories and complete the post-reading exercises. EASY FRENCH READER is divided into three parts: Part I describes the adventures of two friends, an American and a Parisian, as they learn about their respective cultures. As you read about their experiences, you'll discover the nuances of language and culture right along with the students. Part II describes episodes in the colorful history of France, from ancient Gaul to the present, offering biographical sketches of famous personalities, including Joan of Arc, Louis XIV, and Charles de Gaulle. Part III is comprised of four abridged short stories by famous French authors that allow you to practice your grammar and vocabulary skills on authentic works of French literature. The bonus app that accompanies this book provides: FLASHCARDS to aid memorization of all vocabulary terms AUDIO recordings of numerous reading passages RECORD-YOURSELF feature to improve your pronunciation AUTO-FILL GLOSSARY for quick reference

"Beginner's French Reader" is a motivating book that gives your students a successful experience reading in the first level of French study. The 27 high-interest stories are short, often humorous, and culturally and linguistically authentic. It includes flexible exercises that students can complete independently or as a class.

The fun and easy way to quickly enhance your French reading skills Easy French Reader is based on the premise that the best way to learn a language is to start reading it, immediately. Suitable for raw beginners to intermediate-level language learners, this popular title features engaging readings of progressive difficulty that allow you to rapidly build your comprehension. Find out what unfamiliar words and phrases mean with the book's helpful glossary Discover the nuances of French language and culture as well as the country's history through engaging texts Get a feel for authentic French society with readings from contemporary literature

This bestselling program is based on the premise that the easiest way to learn a new language is to start reading it immediately. Easy French Reader features a series of engaging readings that progress in difficulty allowing you to build comprehension rapidly and efficiently. You'll read about the adventures of two high school students and their French club; discover episodes from the colourful history of France; and finally, move on to abridged adaptations of the classic short stories *La Dernière Classe*, *Le grand Michu*, *Les Peches*, and *La Parure*. Whether you are an absolute beginner or an intermediate language learner, this is great way to develop new French language skills.

The book consists of Elementary and Pre-intermediate courses with parallel French-English texts. The author maintains learners' motivation with funny stories about real life situations such as meeting people, studying, job searches, working etc. The ALARM method (Approved Learning Automatic Remembering Method) utilize natural human ability to remember words used in texts repeatedly and systematically. The author managed to compose each sentence using only words explained in previous chapters. The second and the following chapters of the Elementary course have only about 30 new words each. The book is equipped with the audio tracks. The address of the home page of the book on the Internet, where audio files are available for listening and downloading, is listed at the beginning of the book on the copyright page.

Finding material for your French immersion can be a nightmare, but not anymore! French students regularly have to go through the toughest experiences to find proper reading material that isn't too tough for them - as teachers; we know this. This is why we've created French Short Stories for Beginners to ensure that young and old students at the Beginner level can have yet another chance to immerse themselves into fun and interactive stories designer for you, the student. Twenty easy-to-read, entertaining and interesting stories await inside, along with the best tools to help you practice once you're done reading each tale. Our book will ensure you not only can read something that will expand your knowledge on French but that you will understand and be able to pick it apart piece by piece in your quest for learning. How French Short Stories for Beginners works: Each story is designed to keep you engaged an interested as well as using vocabulary that you will actually use. The summaries follow a synopsis in French and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have

As a result, you will be able to focus on enjoying reading, delighting in your improved range of vocabulary and grasp of the language, without ever feeling overwhelmed or frustrated. From science fiction to fantasy, to crime and thrillers, Short Stories in French for Beginners will make learning French easy and enjoyable.

Learn Italian through the power of story. A simple Italian story for beginners! Enjoy the process of learning, don't beat yourself up. You don't need to read boring text books anymore. Italian A Short Story for Beginners is a story written just for you. The captivating nature of story makes learning fun and easy because your attention is focused and the context will help you determine what is being said. This book is loaded with simple sentences, practical scenarios, and common phrases any student of a second language would not only want to know, but NEED to know. Alternating vs Solid Text Alternating Text Alternating Text, Parallel text or interlinear text is when your target language, in this case Italian, is presented with the translation directly to the side or below respectively. A text may be presented with the literal translation of every word, or a sentence/paragraph translated into a more colloquial or natural way of expressing an idea. We find this second way to be of more value as it emphasizes patterns which are critical to learning any language and as you will see, most languages have unique idioms. An idiom is a phrase or pattern that expresses something other than its literal meaning like "what's up?" You're asking how someone is doing, not what's above them in the sky. Alternating text has many advantages over a traditional text body. Mainly you are able to very quickly glance down to see the translation of the idea your reading in Italian. No time is wasted flipping through glossaries and you don't risk losing your place in the book because the translated idea is presented right there on the same page within a glances reach. Solid Text A traditional text body or text written entirely in one language has advantages of its own. Mainly, you are forced to interpret new or unfamiliar words based upon the context and your own memory. Context is extremely important, not only in grasping the true meaning of what is being said, but developing your capability to infer what new words mean. This skill is of the utmost value. When you meet a Italian speaker for the first time, odds are they will say a thing or two that you don't

know or can't understand. Your ability to infer the meaning of a given word can greatly improve the quality of such an experience. This will expedite the learning curve and boost confidence. It is inevitable that you will make mistakes, don't let that stop you from conquering a new language. Solid text also forces you to recall definitions, sentence patterns, and the meaning of various expressions. Without a quick translation available, you will be challenged and grow. Alternating + Traditional So, which style of text did we choose to include in this book? Well, each is so valuable that we couldn't pick one over the other. Thus, we included BOTH! We've presented the story first in its entirety with a Italian and English alternating text. Each paragraph is presented with its translation bellow. Second, we presented the entire story in Italian. So now you can use this awesome tool in a way that best suites you and your growing level of understanding. So, if you're interested in finally picking up Italian, you're just a click away. Order now.

Hearty boeuf Bourguignon served in deep bowls over a garlic-rubbed slice of baguette toast; decadently rich croque monsieur, eggy and oozing with cheese; gossamer crème brulee, its sweetness offset by a brittle burnt-sugar topping. Whether shared in a cozy French bistro or in your own home, the romance and enduring appeal of French country cooking is irrefutable. Here is the book that helps you bring that spirit, those evocative dishes, into your own home. What Ina Garten is known for—on her Food Network show and in her three previous bestselling books—is adding a special twist to familiar dishes, while also streamlining the recipes so you spend less time in the kitchen but still emerge with perfection. And that's exactly what she offers in *Barefoot in Paris*. Ina's kir royale includes the unique addition of raspberry liqueur—a refreshing alternative to the traditional crème de cassis. Her vichyssoise is brightened with the addition of zucchini, and her chocolate mousse is deeply flavored with the essence of orange. All of these dishes are true to their Parisian roots, but all offer something special—and are thoroughly delicious, completely accessible, and the perfect fare for friends and family. *Barefoot in Paris* is suffused with Ina's love of the city, of the bustling outdoor markets and alluring little shops, of the bakeries and fromageries and charcuteries—of the wonderful celebration of food that you find on every street corner, in every neighborhood. So take a trip to Paris with the perfect guide—the Barefoot Contessa herself—in her most personal book yet.
