Jacob. When grown, Esau came in from hunting and smelled the food Jacob prepared and traded his birthright for a bowl of stew. The spirit of Esau is the desire of the flesh and he was willing to trade his entire spiritual heritage for a whim of the moment. Esau, representing the flesh, is the father of the Edomites. Jacob, who became Israel and a prince with God, represents the spirit of righteousness. When Esau traded his birthright in effect Esau said, "I would rather have a bowl of soup than have a relationship with God." How is this story relevant to Americans today? In today's age of selfies and entitlements, sexual licentiousness and online vilification, and an out-of-control government that is usurping the role of God as the provider and protector, it is clear that the spirit of Esau is dominating our culture. Esau Rising analyzes the characteristics and mind-set of the biblical figure Esau and explains why these traits have prophetic ramifications for our day. Specifically, author Bill Cloud relates them to current political and societal developments transpiring in the world and particularly in the United States of America. Cloud skillfully explains how the spirit of Jacob has always been a light to the nations, a blessing to the people, and he offers hope for restoring righteousness and favor to this great country.

In recent history, men from a variety of backgrounds have come to the same conclusion: that the Bible is about Israel only. For example: In 1861, John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come, O Come Emmanuel. Ever since 1861, Christians have sung that hymn at Christmas time, especially at Advent. Do you know what the words really mean that you are singing? In 1878, Edward Hine wrote an article titled, Seven-Eighths of the Bible Misunderstood, wherein he explains that seven-eighths of the Bible is about national salvation, i.e. the national salvation of True Israel; whereas, only one-eighth of the Bible is about personal salvation. Did you know that? In the 1960's, Pastor Sheldon Emry wrote an article title, An Open Letter to Any Minister Who Teaches the Jews Are Israel, wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible. In 1998, Arnold E. Kennedy wrote a book titled, The Exclusiveness of Israel, wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel. So, here we are in the Twenty-First Century, and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A.D. by Yahshuah and His disciples, i.e. the Gospel of the Kingdom. So, where did the so-called churches and pastors go wrong? By the way, is there really a hierarchy in the Bible? In order to find out what the truth

really is, we have to look at the original languages in which the Bible was written and then translated. For example, the Old Testament was written in Hebrew and Aramaic, then translated into Greek. The New Testament was written in Hebrew and Greek. Both Testaments were put together and translated into Latin, then German, and finally into English, from which the entire world received their own translation of the Bible. So, what was the original meaning of the words used in the original languages, i.e. the etymology of the words. Once that is determined, then we can go onto the next phase and discuss types in the Bible. From there, what is the Law of First Mention? How should Bible prophecy be Interpreted? Who are the keys to Bible prophecy? Where are we in the Bible prophecy timeline? During these discussions, we will find out who Yahweh chose of all the families of the earth to make His own. The churches teach universalism. The question then becomes, Who was Yahweh's Law given to? What are the Laws of Yahweh? And then the even bigger question becomes, Who was Yahshuah sent to? All of these questions and more will be answered as you read this book...
