It's a summer the BSC members will never forget. For some, it's time to leave the club. For others, it's time to make a new beginning. Plenty of surprises await them--boyfriend troubles, friendship feuds, tough decisions, and totally unexpected adventures. Throughout it all, one thing is for sure: By the time the summer is over, the BSC will be very different... and better than ever!

I had everything a woman could want My husband, James. The house on the lake. Our perfect life. And then Alex came to visit. The first time I saw my husband's best friend, I didn't like him. Didn't like how his penetrating eyes followed me everywhere. Didn't like how James changed when he was around.

Their passion will consume everything—and everyone—in its path.... I'm on a train. I don't know which stop I got on at; I only know the train is going fast and the world outside becomes a blur. I should get off, but I don't. The universe is playing a cosmic joke on me. Here I had my life—a good life with everything a woman could want—and suddenly, there is something more I didn't know I could have. A chance for me to be satisfied and content and maybe even on occasion deliriously, amazingly, exuberantly fulfilled. So this is where I am, on a train that's out of control, and I am not just a passenger. I'm the one shoveling the furnace full of coal to keep it going fast and faster. If I could make myself believe it all happened by chance and I couldn't help it, that I've been swept away, that it's not my fault, that it's fate...would that be easier? The truth is, I didn't know I was looking for this until I found Will, but I must've been, all this time. And now it is not random, it is not fate, it is not being swept away. This is my choice. And I don't know how to stop. Or even if I want to.

It's an acquired taste...he just has to acquire it Elise knows what she wants in the bedroom, and she makes sure she gets it. Her thirst for domination has long been quenched by a stable of men only too happy to bow down before her. But sexual satisfaction isn't the same as love, and she's been burned in the past by giving her heart too freely. Niall is handsome, smart, successful and sweet—sweet as vanilla. When they meet, their romantic connection is electric, even though he's way on the opposite end of the kink spectrum. Despite how she fights it, Elise falls for him—but how can a relationship work when both lovers want to be on top? "Hart wields her pen like a scalpel...in this soul-searching, emotionally sensitive story. Strong characterization and smooth, yet forceful, writing captures your attention and holds you hostage." —RT Book Reviews on The Space Between Us

No strings...no regrets...and no going back. I didn't think he wanted me. And I wasn't about to get involved with him, not after what I'd heard. Alex Kennedy was tall, dark and unbearably hot, but I've been burned before. Maybe it was stupid of me to offer, but he needed a place to crash and I needed to pay the rent. But now he's my tenant...with benefits. Now that we've crossed that line, I can't seem to find my way back. Except I can't give my heart to a man who's so...unconventional. His last relationship was with a married couple. It's enough that my ex-fiance preferred men -- I won't take that chance again no matter how much my body thrives on Alex's touch. I can't risk it, but I can't resist it, either. Alex can be very convincing when he wants something. And he wants me.
