This book supports children preparing for the 11+ entrance exam. The practice papers in the book are carefully modelled after past papers to ensure that the papers as a whole provide a rich and varied practice to meet all requirements of 11+ maths with an appropriate difficulty. Papers are designed to teach students the most easily applicable, reusable and fastest solutions to typical problems, and utilise problems which target areas of maths that children typically forget under the pressure of an exam. Solutions provided have been reviewed by many children to ensure that they are easily understandable while being the fastest and most re-applicable.
