2.0 out of 5 stars Financial Accounting for MBAs 4th Ed. Reviewed in the United States on 13 June 2012. Verified Purchase. This is the least helpful text book I've ever used. Does a poor job of explaining concepts and processes. Has a very weak glossary and index. I had hoped for a text I could keep and refer to in the future, this is not it.

Teaches you virtually everything you'd learn about finance and accounting in today's best business schools Whether you're thinking of starting your own business or you already have and just need to brush up on finance and accounting basics, this is the only guide you need.

This book is intended to be used as a textbook in Financial Accounting for Executive MBA's candidates. This book has simplified the subject matter and gives understanding that can be easily applied by Executives as they try to manage their organizations. The author believes that this book will meet the needs of Executives who study Financial Accounting as a module in their course. The book is presented in a simple language which will make the subject not only interesting but also enjoyable for the learners.

A totally revised new edition of the bestselling guide to business school basics The bestselling book that invented the "MBA in a book" category, The Portable MBA Fifth Edition is a reliable and information-packed guide to the business school curriculum and experience. For years, professionals who need MBA-level information and insight-but don't need the hassle of business school-have turned to the Portable MBA series for the very best, most up-to-date coverage of the business basics. This new revised and expanded edition continues that long tradition with practical, real-world business insight from faculty members from the prestigious Darden School at the University of Virginia. With 50 percent new material, including new chapters on such topics as emerging economies, enterprise risk management, consumer behavior, managing teams, and up-to-date career advice, this is the best Portable MBA ever. Covers all the core topics you'd learn in business school, including finance, accounting,
