Flower Sticker Book: Usborne: Amazon.sg: Books
We bought this book because we were so pleased with the Usborne Spotter ' s Guide to Birds. What a disappointment! We took the book away with us on a short break in the UK in the expectation that we would fill in good number of the flowers in the book, only to find that even some of the most common types of flower, eg, bindweed, are not included, whereas plants only found in gardens in the UK ...

You can learn to tell a poppy from a periwinkle with this useful sticker book. There are over a hundred sticker illustrations and simple descriptions of wild and garden flowers to spot.

An illustrated sticker book containing information on trees, birds and flowers. It contains descriptions that allow children to seek out and identify a plethora of species and learn about key aspects of nature. Children can fill in the details of when and where each flower, tree or bird was spotted.

A delightful book containing over 300 pretty nature stickers for use when out spotting in the countryside or at the beach. From buttercups and bees to barnacles and trees, children can complete the pages with the stickers, and record when and where they spotted the item.

More than 100 different wild and garden flowers are profiled in this sticker book which features simple descriptions and black-and-white pictures to help readers tell Chervil from Chicory and a Poppy from a Periwinkle. Readers can match the stickers to the pictures for hours of entertaining fun.

This little book is filled with charming illustrations of 60 different types of flowers to spot. Short descriptions provide extra information, and children can keep track of the flowers they have seen using the stickers to fill in the spotters chart inside. Illustrations:Full colour throughout

Learn to tell a tabby from a tortoiseshell in this appealing sticker book. With more than ninety illustrations and simple descriptions of cats to spot.
