Published in conjunction with a major exhibition at The Museum of Modern Art, this catalogue reveals new perspectives on the work of Frank Lloyd Wright, a designer so prolific and familiar as to nearly preclude critical reexamination. Structured as a series of inquiries into the Frank Lloyd Wright Foundation Archives, the book is a collection of scholarly explorations rather than an attempt to construct a master narrative. Each chapter centers on a key object from the archive that an invited author has "unpacked"—interpreting and contextualizing it, tracing its meanings and connections, and juxtaposing it with other works from the archive, from MoMA, or from outside collections. The publication aims to open up Wright's work to questions, interrogations, and debates, and to highlight interpretations by contemporary scholars, both established Wright experts and others considering this iconic figure from new and illuminating perspectives.

The Not For Tourists Guide to Chicago divides Chi-town into sixty mapped neighborhoods. Every map is dotted with user-friendly NFT icons that plot the nearest essential services and entertainment locations, while providing important information on things like kid-friendly activities, public transportation, restaurants, bars, and Chicago's art scene. The book also includes: - A foldout highway map - Sections on the North Side, Near North Side, Near West Side, the Greater Loop, the South Side, and Greater Chicago - More than 150 neighborhood and city maps - Details on bookstores and landmarks It's the only key to the Windy City that Rahm Emanuel can't give you.

No other high school in the state of Utah has more elegance and beauty than that of Ogden High School. Lou Homer, Leslies daughter, stated, The quality of the building will endure long after the cost is forgotten. In addition, she also commented that the building has caught the rhythm of the Rockies with its art deco peaks rising into the sky.

The authority on natural resource use and management agencies around the world. Do you want to take action to protect Earth's environment? Are you interested in learning more about wildlife conservation and environmental groups? The Conservation Directory 2015 is a great resource for budding environmental activists and scholars alike who want to achieve a peaceful, equitable, and sustainable future. This all-inclusive volume is an amazing resource that can help further these environmental goals. The new and revised 2015 edition of the Conservation Directory is the most comprehensive listing of conservation and environmental organizations yet published, with information on more than four thousand government agencies, nongovernmental organizations, and colleges and universities, as well as more than eighteen thousand officials concerned with environmental conservation, education, and natural resource use and management. Each entry contains detailed contact information, including names, addresses, and telephone numbers. Also included are selected email and Internet addresses, descriptions of program areas, senior staff by name and responsibility, principal publications, and more. Entries are categorized by organization and state or country and are indexed alphabetically and by subject on topics ranging from acid rain to zoology. Each person listed in the directory is also indexed alphabetically.
