Looking to jumpstart your GPA? Most college students believe that straight A's can be achieved only through cramming and painful all-nighters at the library. But Cal Newport knows that real straight-A students don't study harder—they study smarter. A breakthrough approach to acing academic assignments, from quizzes and exams to essays and papers, How to Become a Straight-A Student reveals for the first time the proven study secrets of real straight-A students across the country and weaves them into a simple, practical system that anyone can master. You will learn how to: □ Streamline and maximize your study time □ Conquer procrastination □ Absorb the material quickly and effectively □ Know which reading assignments are critical—and which are not □ Target the paper topics that wow professors □ Provide A+ answers on exams □ Write stellar prose without the agony A strategic blueprint for success that promises more free time, more fun, and top-tier results, How to Become a Straight-A Student is the only study guide written by students for students—with the insider knowledge and real-world methods to help you master the college system and rise to the top of the class.

The Cambridge English Revision Guide: GCE O Level aims to help overseas students prepare for the English O level examination. Written by O level examiners in consultation with teachers and education officials from the target countries, it provides support for students based on a real understanding of the exams requirements. It covers the four main skills of continuous writing, directed writing, comprehension and summary writing. Students will be encouraged by its supportive tone as they work through the explanations and practice exercises. There is a wealth of examples as well as hints on a step by step approach to tackling longer writing tasks. Golden rules are highlighted to provide students with simple and memorable guidelines.

This fresh set of resources for Cambridge IGCSE Sociology syllabus 0495 (and Cambridge O Level Sociology syllabus 2251) is carefully crafted to match and support the revised syllabus for first examination in 2016. Written in clear and accessible language, the Coursebook provides comprehensive coverage of the syllabus in a visually-stimulating format. Key sociological research combined with case studies and thought provoking questions help in understanding concepts. Features such as Key terms and Revision checklists further reinforce learning and understanding of core subject areas. Engaging activities help in applying knowledge in various contexts and building interpretation, analytical and evaluation skills. The book provides complete exam support with each chapter culminating in exam-style questions and a further chapter dedicated to revision, and examination skills and practice. A Teachers CD-ROM is also available.

Endorsed by Cambridge International to support the full syllabus for examination from 2023.
