Develop with their help two crucial qualities your application needs to stand out immediately- focus and impact. Make each step in so outstanding way that you will get a cruise job in 14 days or less!

In Cruise Confidential, Brian David Bruns spills the dirt — or in this case, the dirty water — on those romantic, fun-filled vacations at sea. His hilarious chronicle of the year he spent working for Carnival Cruise Lines takes readers down into the areas where the crew works and lives, leaving readers gasping with laughter as they ' re assaulted nonstop with events that range from the absurd to the utterly bizarre. Stewards fighting over food. Cutlery allowances and other nonsensical rules. What the crew calls those onboard (no, it ' s not “ passengers ”). And of course, the sex. An abundance of ready, willing, and able bodies eager for action on a vessel replete with nooks and crannies leads to love in some mighty strange, and seemingly impossible, places. Breezy, entertaining, and informative, Cruise Confidential is essential reading for those planning a cruise or for anyone who just needs a good laugh.

Ever wondered how to get a job on a cruise ship? This booklet will give information that will guide and assist you in finding work on cruise ships, what job would suit you best as well as the steps needed to get you on board. This is a detailed guideline written from my own experience that you will benefit from. I wish I had something like this available to me all those years ago when I started out... If you are already checking out this book, then you know this is something you want to do but maybe you just feel lost as to how to achieve your goal. That 's where I come in. I have worked for five different cruise lines in many different positions over a period of 17 years. I have started at the bottom and worked my way up to being part of the Senior Management Team and being involved in hiring and firing of staff. So yes, I know what I ' m talking about. I have scrubbed toilets, made beds and more, all in the pursuit of my dream job. Are you willing to do the same? If so, then this is the book for you and the answers you seek will be here.

If you are reading this intro, then I take it that you have an interest in cruise ships. It could be you want to work on a cruise ships, you want to or have taken a cruise, maybe you are looking for tips on cruising or maybe you just like fun stories about cruise ships. If you are interested in any of those items I just listed, then this book is for you. Before we begin our journey, I guess I should tell you a little bit about myself and why I have written this book. For my cruise ship experience, I worked about 12 years on cruise ships around the world and 2 years working in shore side offices in Florida. I worked with 4 different cruise lines and worked as a scuba instructor/dive manager, shore excursion manager and then in the shore side offices as an IT geek, and finally a few years as an IT officer (yeah, I know, scuba instructor to computer geek, what can I say, it has been an interesting journey). Stories in this book include ones about: Getting a job on cruise ships Life on board ships On board romance Hurricanes Running aground Adrift at sea Kick backs Falling overboard Living on a tropical island Crazy things the crew and passengers do and much much more.....I also have photos about my life at sea that can be seen at: www.cruiseshipstories.com Looking at these photos will bring my sea faring stories even more to life.

This book describes my family, desire for a change, preparation process for finding best agencies, travel expenses and minor details of my personal experiences about that adventure. I love traveling and my bar experience is great. The plan was good and everything came together. The Stars were aligned. This is not a manual, I described everything I lived through. There is practical advice on how to better handle everything and how to avoid mistakes that I made. But again, this is not a manual, but - my great story. Imagine you were chatting with your friend who was telling you about all the great adventures that she had traveling around the world. And of course about the salary. A very good salary. The stories are very interesting, not only because they describe amazing destinations, but also they describe the everyday life of a ship employee; the relationships between friends and colleagues, the mentalities of different nations, as well as everything that could happen during a contract. The good and the bad.

This second edition of the definitive guide to finding work on cruise ships describes what over 150 different jobs at sea are like including personal reports from seafarers around the world - and how to get them. Includes a directory listing details of 200 cruise lines and addresses of agencies and cruise lines to apply to. Work as cabin staff, nurses, waiters, deck officers, hairdressers musicians, shop assistants etc.

Whether you want to spend your days outside leading tours or in the kitchen preparing delicious meals for customers, the travel and hospitality industries offer a diverse array of career opportunities.

Written to motivate and inspire young people in their quests to travel the world, this book introduces a new way of traveling—freestyle traveling—where all that's required is an adventurous spirit and an insatiable curiosity about the workings of the world. This global travel manifesto clears up misconceptions about traveling, candidly portrays travelers interacting in different cultures around the world, and encourages young people to get on world travel circuits to become aware of the immense changes happening around the planet. In addition to providing all the practical information such as saving money on travel expenses, staying safe and healthy on the road, and finding a job overseas, this guide will also take travelers on a philosophical journey with the best travel advice from sages throughout the ages.
