The Russian novelist and moral philosopher Leo Tolstoy (1828-1910) ranks as one of the world's great writers, and his 'War and Peace' has been called the greatest novel ever written. But during his long lifetime, Tolstoy also wrote enough shorter works to fill many volumes. The message in all his stories is presented with such humour that the reader hardly realises that it is strongly didactic. These stories give a snapshot of Russia and its people in the late nineteenth century.

Joseph Heller's powerful, wonderfully funny, deeply moving novel is the story of David -- yes, King David -- but as you've never seen him before. You already know David as the legendary warrior king of Israel, husband of Bathsheba, and father of Solomon; now meet David as he really was: the cocky Jewish kid, the plagiarized poet, and the Jewish father. Listen as David tells his own story, a story both relentlessly ancient and surprisingly modern, about growing up

In *Searching for God Knows What*, best-selling author Donald Miller invites you to reconnect with a faith worth believing. With humor, intelligence, and his trademark writing style, he shows that relationship is God's way of leading us to redemption. And our need for redemption drives us to relationship with God. "Being a Christian," Miller writes, "is more like falling in love than understanding a series of ideas." Maybe you are a Christian wondering what faith you signed up for. Or maybe you don't believe anything and are daring someone—anyone—to show you a genuine example of authentic faith. Somewhere beyond the self-help formulas, fancy marketing, and easy promises there is a life-changing experience with God waiting. *Searching for God Knows What* weaves together beautiful stories and fresh perspectives on the Bible to show one man's journey to find it. "Like a shaken snow globe, Donald Miller's newest collection of essays creates a swirl of ideas about the Christian life that eventually crystallize into a lovely landscape . . . [He] is one of the evangelical book market's most creative writers." —Christianity Today "If you have felt that Jesus is someone you respect and admire—but Christianity is something that repels you—*Searching for God Knows What* will give you hope that you still can follow Jesus and be part of a church without the trappings of organized religion." —Dan Kimball Author of *The Emerging Church* and Pastor of Vintage Faith Church, Santa Cruz, CA "For fans of *Blue Like Jazz*, I doubt you will be disappointed. Donald Miller writes with the wit and vulnerability that you expect. He perfectly illustrates important themes in a genuine and humorous manner . . . For those who would be reading Miller for the first time, this would be a great start." —Relevant

Tolstoy has held the attention of mankind for well over a century. A gifted writer, whose novels and short stories continue to entrance readers all over the world, he was at the same time a fearless moral philosopher who explored and challenged the fundamental bases of human sociopolitical, economic, legal, and cultural. In these essays McLean investigates some of the numerous paradoxes in the Tolstoyan heritage, engaging both with Tolstoy the artist, author of those incomparable novels, and Tolstoy the thinker, who, from his impregnable outpost at Yasnaya Polyana, questioned the received ideas and beliefs of the whole civilized world. In two concluding essays, "Tolstoy beyond Tolstoy," McLean deals with the impact of Tolstoy on such diverse figures as Ernest Hemingway and Isaiah Berlin.

This padded board book with beautiful, hand-stitched illustrations whispers an endearing message of God's love for each of His children.

This poignant text describes Tolstoy's heartfelt reexamination of Christian orthodoxy and subsequent spiritual awakening. Generations of readers have been inspired by this timeless account of one man's struggle for faith and meaning in life.

prerevolutionary Russia, banned and forgotten under Communism; and recently rediscovered to great excitement, *A Calendar of Wisdom* is a day-by-day guide that illuminates the path of a life worth living with a brightness undimmed by time. *Ressourcement Theology: A Sourcebook* offers a collection of texts previously unavailable in English from leading Dominicans and Jesuits, who initiated a movement for renewal that contributed to the reforms of the Second Vatican Council. In the last decade, theologians have undertaken a serious reappraisal of the contribution of *Ressourcement* theology to 20th century theology in the Catholic tradition and beyond. This 'return to *Ressourcement*' has resulted in many of the principal texts being translated into English and (re-)issued, ensuring their accessibility to scholars across the globe. Despite this, many of the earliest documents relating to the history of *Ressourcement* theology are unavailable to most English-speaking scholars, as they are largely journal articles and book chapters published in French. Patricia Kelly has selected the most significant texts that so far have been unavailable in English, including the controversial piece by Jean-Marie LeBlond ('The Analogy of Truth') that was condemned in the 1950s by the Vatican, as well as the response to Labourdette's attack on LeBlond, penned anonymously by a group of Jesuits. All of these documents will help students and scholars to engage deeply with the history of the *Ressourcement* movement and its relevance for the developments of the Catholic tradition.
