Drawing on newspaper, eyewitness, and government accounts and the words of the gunfighters themselves, the author presents myth-shattering profiles of Billy the Kid, Wild Bill Hickok, Ben Thompson, John Wesley Hardin, Kid Curry, Tom Horn, and Harry Tracy

For every Wild Bill Hickok or Billy the Kid, there was another western gunfighter just as deadly but not as well known. Robert K. DeArment has earned a reputation as the premier researcher of unknown gunfighters, and here he offers twelve more portraits of men who weren't glorified in legend but were just as notorious in their day. Those who think they already know all about Old West gunfighters will be amazed at this new collection. Here are men like Porter Stockton, the Texas terror who bragged that he had killed eighteen men, and Jim Levy, who killed a man for disparaging his Irish blood, though he was also the only known Jewish gunfighter. These stories span eight decades, from the gold rushes of the 1850s to the 1920s. Telling of gunmen such as Jim Masterson, the brother of Bat Masterson, or the real Whispering Smith—the man behind the fictionalized persona—whose career spanned four decades, DeArment conscientiously separates fact from fiction to reconstruct lives all the more amazing for having remained unknown for so long. The product of iron-clad research, this newest Deadly Dozen delivers the goods for gunfighter buffs in search of something different. Together the Deadly Dozen volumes constitute a Who's Who of western outlaws and prove that there's more to the Wild West than Jesse James.

Period photographs and documents, along with eyewitness accounts and personal reminiscences, present a fascinating journey into the Old West, offering portraits of the frontier's most famous--and infamous--gunfighters.

Whoa, pardner! Sit y'self down for some good ole storytellin' 'bout the wild, wild West. Western writer Phillip W. Steele and country-music artist John D. LeVan have combined their talents and interests in true stories of the Old West in this exciting narrative and accompanying audiocassette. Steele's book tells the true story of Jesse James, the Daltons, John Wesley Hardin, Gunfight at the OK Corral, Belle Starr, and Billy the Kid. LeVan's original songs are not only entertaining but also based on the true history of these personalities and events.

Sifting factual information from among the lies, legends, and tall tales, the lives and battles of gunfighters on both sides of the law are presented in a who's who of the violent West

Join the cowboys, gunslingers, lawmen, gold miners and Native Americans of the Wild West. Jesse James. Billy the Kid. Butch Cassidy. When these bold men walked into town with six-shooters in their holsters, most people fled quickly. That is, except for the lawmen willing to take them on. Although lawmen and outlaws stood for very different ideals, they did share one thing in common, gunfighting. To live in the Wild West, especially as a bank robber or sheriff, handling a gun was necessary. Author Jeff Savage discusses the dangerous world of the gunfighter.

Wyatt Earp, Billy the Kid, Doc Holliday—such are the legendary names that spring to mind when we think of the western gunfighter. But in the American West of the late nineteenth and early twentieth centuries, thousands of grassroots gunfighters straddled both sides of the law without hesitation. Deadly Dozen tells the story of twelve infamous gunfighters, feared in their own times but almost forgotten today. Now, noted historian Robert K. DeArment has compiled the stories of these obscure men. DeArment, a life-long student of law and lawlessness in the West, has combed court records, frontier newspapers, and other references to craft twelve complete biographical portraits. The combined stories of Deadly Dozen offer an intensive look into the lives of imposing figures who in their own ways shaped the legendary Old West. More than a collective biography of dangerous gunfighters, Deadly Dozen also functions as a social history of the gunfighter culture of the post-Civil War frontier West. As Walter Noble Burns did for Billy the Kid in 1926 and Stuart N. Lake for Wyatt Earp in 1931, DeArment—himself a talented writer—brings these figures from the Old West to life. John Bull, Pat Desmond, Mart Duggan, Milt Yarberry, Dan Tucker, George Goodell, Bill Standifer, Charley Perry, Barney Riggs, Dan Bogan, Dave Kemp, and Jeff Kidder are the twelve dangerous men that Robert K. DeArment studies in Deadly Dozen: Twelve Forgotten Gunfighters of the Old West.

Relive the Old West with illustrated biographies of Western luminaries like "Buffalo Bill" Cody, Charles Goodnight, Bill Pickett, William and George Calloway, Joseph McCoy, and more! The glory days of the Old West cowboy lasted for only a couple of decades, but during this short time the cowboy's reputation became a fundamental part of the American mythsos. The Cowboys delves deep into the world of these iconic men. It gives an intimate insight into the tough working conditions of the cowboy's working kit, which has now achieved iconic status. This book even investigates the legendary Cowboy Code that governed the conduct and behavior of these rough-hewn men. The Cowboys examines the wider social impact of the nineteenth-century American cattle industry, which not only encouraged the building of railroads and new cattle towns in the western states, but also drew many different kinds of men to the frontier. Investors, freed slaves, crooks, ex-soldiers, and other would-be adventurers all took the opportunity to make a new start as cowhands and ranchers in the Wild West. The Cowboys investigates the life of the average cowboy and tells the stories of some of the most successful cattlemen. Even today, American culture continues to evoke the iconic persona of the cowboy through rodeos, movies, television, toys, books, and music. The Cowboys is a celebration of all aspects of the extraordinary cowboy legend.

The definitive true story of Wild Bill, the first lawman of the Wild West, by the #1 New York Times bestselling author of Dodge City. In July 1865, "Wild Bill" Hickok shot and killed Davis Tutt in Springfield, MO—the first quick-draw duel on the frontier. Thus began the reputation that made him a marked man to every gunslinger in the Wild West. James Butler Hickock was known across the frontier as a soldier, Union spy, scout, lawman, gunfighter, gambler, showman, and actor. He crossed paths with General Custer and Buffalo Bill Cody, as well as Ben Thompson and other young toughs gunning for the sheriff with the quickest draw west of the Mississippi. Wild Bill also fell in love—multiple times—before marrying the true love of his life, Agnes Lake, the impresario of a traveling circus. He would be buried however, next to fabled frontierswoman Calamity Jane. Even before his death, Wild Bill became a legend, with fiction sometimes supplanting fact in the stories that surfaced. Once, in a bar in Nebraska, he was confronted by four men, three of whom he killed in the ensuing gunfight. A famous Harper's Magazine article credited Hickok with slaying 10 men that day; by the 1870s, his career-long kill count was up to 100. The legend of Wild Bill has only grown since his death in 1876, when cowardly Jack McCall famously put a bullet through the back of his head during a card game. Bestselling author Tom Clavin has sifted through years of western lore to bring Hickock fully to life in this rip-roaring, spellbinding true story.
