Have you ever experienced d é j à vu or had an uncanny dream that turned out to be prophetic? Have you ever made an unusual choice or decision that turned out to be correct and attributed it to a “ gut feeling ” ? These events are actually manifestations of your extrasensory perception, or ESP. Now you can develop your dormant extrasensory perception and use it to attain personal achievement and lasting fulfillment. For forty years, Dr. Al G. Manning, a noted expert in the field of parapsychology, has been helping even the most skeptical people recognize their ESP, clear

Susy Smith, internationally known author of twenty-one books on parapsychology and the occult, traces the fascinating, many-faceted history of hypnosis—from its shady origins to its present status of quasi-respectability and its promising future as a tool for producing Extrasensory Perception. In this book you will read about

astounding cases of hypnosis and the people who practice it. The report of the California doctor who used hypnosis as the sole anesthetic in heart surgery on two teenagers . . . The frightening story of a group of amateur hypnotists who placed a young girl in a trance so deep that she lost the use of English and began to speak in a strange, unknown language. The resulting loss of communication made it impossible for the hypnotists to bring the subject out of her trance . . . The staggering implications of statistics—which show that many hypnotic trances lead to communication with the dead . . . The Soviet professor who conducted long-distance telepathic hypnosis tests designed to make telepathy useful for the Russian cosmonauts . . .
