African History and Culture Africa is the birthplace of humankind

Read Online History Of

Africa and knowing its history is essential for understanding the global society that's grown around it. Here, you'll discover resources on the continent's prominent historical figures, complex racial politics, and turbulent military past.

Read Online History Of

Africa
There is a paradox about Africa: it remains a subject that attracts considerable attention yet rarely is there a full appreciation of its complexity. African historiography has typically consisted of writing Africa for Europe—instead of writing Africa for itself, as itself, from its own perspectives. The

Read Online History Of

History of Africa

redresses this by letting the perspectives of Africans themselves take center stage.

Authoritative and comprehensive, this book provides a wide-ranging history of Africa from earliest prehistory to the present day—using the cultural, social, political, and economic lenses of

Read Online History Of

Africa as instruments to illuminate the ordinary lives of Africans. The result is a fresh survey that includes a wealth of indigenous ideas, African concepts, and traditional outlooks that have escaped the writing of African history in the West. The new edition includes information on the Arab Spring, the rise of FrancAfrica, the
