Audrey Hepburn, Humphrey Bogart, Gregory Peck, Rita Hayworth, Marilyn Monroe—the brightest stars of the silver screen couldn't resist curling up with a good book. This unique collection of rare photographs celebrates the joy of reading in classic film style. The Hollywood Book Club captures screen luminaries on set, in films, in playful promotional photos, or in their own homes and libraries with books from literary classics to thrillers, from biographies to children's books, reading with their kids, and more. Featuring nearly 60 enchanting images, lively captions about the stars and what they're reading by Hollywood photo archivist Steven Rea, here's a real page-turner for booklovers and cinephiles.

Hank and his wife, Sarah, agree to write a screenplay, and encounter the strange world of the movie industry.

Follows the career of Caroline Sanford, a brilliant and beautiful newspaper publisher who leaves Washington to become a Hollywood producer and movie star in the 1920s. Reprint. 15,000 first printing.

In this one-of-a-kind Hollywood history, the creator of Instagram's celebrated @ThisWasHollywood reveals the forgotten past of the film world in a dazzling visual package modeled on the classic fan magazines of yesteryear. From former screen legends who have faded into obscurity to new revelations about the biggest movie stars, Valderrama unearths the most fascinating little-known tales from the birth of Hollywood through its Golden Age. The shocking fate of the world's first movie star. Clark Gable's secret love child. The film that nearly ended Paul Newman's career. A former child star who, at ninety-three, reveals her #metoo story for the first time. Valderrama unfolds these stories, and many more, in a volume that is by turns riveting, maddening, hilarious, and shocking. Drawing on new interviews, archival research, and an exhaustive library of photographs, This Was Hollywood is a compelling and visually stunning catalogue of the lost history of the movies.

Movies expected to perform well can flop, whilst independent movies with low budgets can be wildly successful. In this text, De Vany casts his eye over all aspects of the business to present some intriguing conclusions.

The image of Hollywood often translates as some otherworldly dreamscape filled with fantastic lives and fantasy fulfillment. The real deal was carved from the Southern California desert as an outpost northwest of Los Angeles. The movie industry arrived when tumbleweeds were not simply props and actual horsepower pulled the loads. Everyday workers, civic management, and Main Street conventionalities nurtured Hollywood's growth, as did a balmy climate that facilitated outdoor photography and shooting schedules for filmmakers. Splendid vintage photographs from the renowned collections of the Hollywood Heritage Museum and Bison Archives illustrate Hollywood's businesses, homes, and residents during the

silent-film era and immediately after, as the Great Depression led up to World War II. These images celebrate Hollywood before and after its annexation into the city of Los Angeles in 1910 and its subsequent ascension as the world's greatest filmmaking center.

Journalist, party girl, bookworm, artist, muse: by the time she 'd hit thirty, Eve Babitz had played all of these roles. Immortalized as the nude beauty facing down Duchamp and as one of Ed Ruscha 's Five 1965 Girlfriends, Babitz 's first book showed her to be a razor-sharp writer with tales of her own. Eve 's *Hollywood* is an album of vivid snapshots of Southern California 's haute bohemians, of outrageously beautiful high-school ingenues and enviably tattooed Chicanas, of rock stars sleeping it off at the Chateau Marmont. And though Babitz 's prose might appear careening, she 's in control as she takes us on a ride through an LA of perpetual delight, from a joint serving the perfect taquito, to the corner of La Brea and Sunset where we make eye contact with a roller-skating hooker, to the Watts Towers. This "daughter of the wasteland" is here to show us that her city is no wasteland at all but a glowing landscape of swaying fruit trees and blooming bougainvillea, buffeted by earthquakes and the Santa Ana winds—and every bit as seductive as she is.

This splendid new body of work by portrait photographer and stylist Claiborne Swanson Frank comes on the heels of her first Assouline book, *American Beauty*. Swanson Frank has photographed sixty of the hottest up-and-coming women in the entertainment industry today--actresses, directors, stylists, and more, from Isabel Lucas and Elisabeth Moss to Mickey Sumner and Amber Heard--drawing inspiration from old Hollywood. Brimming with gorgeous portraits, alongside short texts in the women 's voices, and a foreword by Michael Kors, this volume captures the essence of what it means to be a starlet in modern-day Hollywood.

In *When Hollywood Had a King*, the distinguished journalist Connie Bruck tells the sweeping story of MCA and its brilliant leader, a man who transformed the entertainment industry—businessman, politician, tactician, and visionary Lew Wasserman. The Music Corporation of America was founded in Chicago in 1924 by Dr. Jules Stein, an ophthalmologist with a gift for booking bands. Twelve years later, Stein moved his operations west to Beverly Hills and hired Lew Wasserman. From his meager beginnings as a movie-theater usher in Cleveland, Wasserman ultimately ascended to the post of president of MCA, and the company became the most powerful force in Hollywood, regarded with a mixture of fear and awe. In his signature black suit and black knit tie, Wasserman took Hollywood by storm. He shifted the balance of power from the studios—which had seven-year contractual strangleholds on the stars—to the talent, who became profit partners. When an antitrust suit forced MCA 's evolution from talent agency to film- and television-production company, it was Wasserman who parlayed the control of a wide variety of entertainment and media products into a new type of Hollywood power base. There was only Washington left to conquer, and conquer it Wasserman did, quietly brokering alliances with Democratic and Republican administrations alike. That Wasserman 's reach extended from the underworld to the White House only added to his mystique. Among his friends were Teamster boss Jimmy Hoffa, mob lawyer Sidney Korshak, and gangster Moe Dalitz—along with Presidents Johnson, Clinton, and especially Reagan, who enjoyed a particularly close and mutually beneficial relationship with Wasserman. He was equally intimate with Hollywood royalty, from Bette Davis and Jimmy Stewart to Steven Spielberg, who began his career at MCA and once described Wasserman 's eyeglasses as looking like two giant movie screens. The history of MCA is really the history of a revolution. Lew Wasserman ushered in the Hollywood we know today. He is the link between the old-school moguls with their ironclad studio contracts and the new industry defined by multimedia conglomerates, power agents, multimillionaire actors, and profit sharing. In the hands of Connie Bruck, the story of Lew Wasserman 's rise to power takes on an almost Shakespearean scope. *When Hollywood Had a King* reveals the industry 's greatest untold story: how a stealthy, enterprising power broker became, for a time, Tinseltown 's absolute monarch.

Ginger is on a mission to find her family ' s missing fortune in glamorous Hollywood in this M!X novel from the author of *Lost in London*, *Lost in Paris*, *Lost in Rome*, and *Lost in Ireland* (formerly titled *Lucky Me*). Thirteen-year-old Ginger Carlson feels like she is the only normal one in her family. Her father is an inventor who sells his gadgets online, Mom is obsessed with classic movies, and her brother Grant thinks he is from outer space. Luckily, Ginger has a totally normal BFF, Payton, and they have big plans for the future—they plan to become doctors and open a practice together in a big city. But first, they ' re partnering on the state Science Olympics where they ' re sure to take home the gold for their eighth grade class with their model of the brain. The Olympics training is interrupted when the Carlson family gets an urgent call that their eccentric Aunt Betty, a former actress who lives in Hollywood, is in serious trouble. The bank is going to take her house unless she can give them the money she owes. The Carlsons head to LA to sort things out for Aunt Betty, along with Payton, who tags along for the West Coast adventure. In a moment alone with the girls, Aunt Betty tells them what ' s really going on. Because she didn ' t trust banks, Aunt Betty stashed her money in a secret hiding place. Only problem—it ' s so secret, she can ' t remember where that hiding place is! That ' s what she ' s been doing all around town—looking for her fortune. Can Ginger and Payton help find the money—and give Aunt Betty the Hollywood ending that she deserves?
