Original publication and copyright date: 2009.

A hilarious companion to I Wanna Iguana. Ever since their baby sister came along, Alex has been forced to share a room with his little brother, Ethan, and it's a nightmare. Ethan always breaks stuff, snores like a walrus, and sticks crayons up his nose. No hardworking, well-behaved, practically grown-up boy like Alex should have to put up with that! Writing letters to his mom convinced her to let him get his pet iguana, so Alex puts pencil to paper again, this time determined to get his own room. Though all of his powers of persuasion can't get his dad to expand the house, he does come through with a fun alternative to give Alex some space of his own.
Meet Spoon. He's always been a happy little utensil. But lately, he feels like life as a spoon just isn't cutting it. He thinks Fork, Knife, and The Chopsticks all have it so much better than him. But do they? And what do they think about Spoon? A book for all ages, Spoon serves as a gentle reminder to celebrate what makes us each special.

Explores the homogenization of American culture and the impact of the fast food industry on modern-day health, economy, politics, popular culture, entertainment, and food production.
Could anything possibly be more fun than a pig parade? You wouldn't think so. But you'd be wrong. A pig parade is a terrible idea. Pigs hate to march, refuse to wear the uniforms, don't care about floats, and insist on playing country music ballads. Those are just some of the reasons. And trust me, this hysterical book has plenty more!

Alex just has to convince his mom to let him have an iguana, so he puts his arguments in writing. He promises that she won't have to feed it or clean its cage or even see it if she doesn't want to. Of course Mom imagines life with a six-foot-long iguana eating them out of house and home. Alex's reassurances: It takes fifteen years for an iguana to get that big. I'll be married by then and probably living in my own house, and his mom's replies: How are you going to get a girl to marry you when you own a giant reptile? will have kids in hysterics as the negotiations go back and forth through notes. And the lively, imaginative illustrations show their polar opposite dreams of life with an iguana.

The amazing New York Times bestseller about what you can do when life gives you a second chance.

This guided workbook will develop all the skills needed for effective persuasive writing and give students practice creating a wide range of opinion pieces. The first section contains sets of exercises and writing prompts that will develop the persuasive writing skills listed in the Louisiana Student Standards. The second section gives students practice applying the skills by writing a wide range of opinion pieces. Section 1: Developing Persuasive Writing Skills - 11 sets of exercises and writing prompts develop all the key skills required - focused sets develop key persuasive writing skills one by one - sets cover introducing a topic, stating an opinion, providing supporting ideas and reasons, using linking words, and writing conclusions - each set introduces the skill, guides students to complete a task, and then provides independent practice - additional warm-up exercises teach key persuasive writing skills - guided tasks and planning activities teach students how to produce effective writing Section 2: Applying Persuasive Writing Skills - 10 sets of writing prompts allow students to apply persuasive writing skills - each set focuses on one style or one genre of persuasive writing - includes practice for opinion essays, letters and letters to the editor, reviews, research-based essays, and promotional texts - includes practice writing opinions in response to literary and informational texts Key Benefits - develops the persuasive writing skills described in the Louisiana Student Standards - focusing on each skill one by one encourages strong skill development - students apply skills by writing complete texts in different styles and genres - examples, guided tasks, and hints guide students through the tasks - planning activities help students learn the process for creating focused, well-organized, and effective opinion pieces - helps prepare students for persuasive writing tasks on the LEAP 2025 ELA tests
