Marcus Rashford is co-authoring his first children's novel, "The Breakfast Club Adventures," joining the list of footballers-turned kids' authors.

You don't need to be a genius, you just need to be yourself. That's the message from Austin Kleon, a young writer and artist who knows that creativity is everywhere, creativity is for everyone. A manifesto for the digital age, *Steal Like an Artist* is a guide whose positive message, graphic look and illustrations, exercises, and examples will put readers directly in touch with their artistic side. When Mr. Kleon was asked to address college students in upstate New York, he shaped his speech around the ten things he wished someone had told him when he was starting out. The talk went viral, and its author dug deeper into his own ideas to create *Steal Like an Artist*, the book. The result is inspiring, hip, original, practical, and entertaining. And filled with new truths about creativity: Nothing is original, so embrace influence, collect ideas, and remix and re-imagine to discover your own path. Follow your interests wherever they take you. Stay smart, stay out of debt, and risk being boring—the creative you will need to make room to be wild and daring in your imagination.

UPDATED FOR 2017! NOW 157 PAGES! How do you draw in a loyal group of followers who enjoy your posts? What's the key to properly using hashtags without getting your account disabled? Just what is Instagram all about, anyway? Authors, artists, and entrepreneurs have a fairly unique set of needs on Instagram. They want to spread the word about their latest novel release. They need to find buyers for their watercolor painting. Maybe they're a band drumming up interest in a new song. This book gets you on your way. I run and support multiple Instagram accounts for authors, bands, artists, and other creative projects. I know the challenges of getting your book discovered in a world where thousands of new authors release books every month. I know how hard it is for a band to break through out of the sea of wannabes. I've honed the techniques and gotten the sales. This book starts from the beginning. It takes you step by step through creating your first account. It talks you through the different types of hashtags and how to use each to your best advantage. From contests to trends, there's always an angle to help your project out. You just have to know what to do and then do it. How do you manage multiple accounts? What words draw people in to commenting and liking? The book guides you through all the jargon and makes things easy. Plus, if you're

Is Instagram sucking up your precious writing time and giving nothing in return? Or are you sitting on the sidelines wanting to use Instagram, but you don't know where to start? In this book you'll learn: ? what the heck "bookstagram" is and why joining it will bring in fans ? how to gain more followers who will buy your books ? the importance of building relationships and how to do it well enough that people will remember you ? how to take gorgeous photos that make you look like a pro ? ways to get more likes and comments on your posts to make sure your followers see your posts ? how to contact influencers and set up book tours for a profitable launch ? strategies for attracting your ideal readers ? how to find the data to track your growth and see what's working ? ways to connect with the Instagram author community and build friendships ? how to use features like Stories, Live, and Reels to connect with your audience ? and much, much more! Hanna Sandvig successfully launched her debut novel using the strategies and tricks laid out in this book. After spending three years studying the most effective ways to use Instagram as an author, she's now here to take you down the fast track so you can become an insta-expert in a weekend. In addition to her personal knowledge, Hanna has included interviews with 30 authors and influencers who are killing it on Instagram. Learn their approaches and come up with a plan that suits your genre and personality. Buy your copy of Instagram for Fiction Authors today and start gaining followers and selling books.

Includes an excerpt from Love on the brain.

A tired daddy lets his son have a turn being the parent at bedtime in Karla Clark's *You Be Daddy*, a humorously charming companion picture book to *You Be Mommy*, featuring illustrations by Steph Lew. Daddy's too tired to be Daddy tonight. Can you be Daddy and hug me tight? In this clever, rhyming picture book, a father tells his child that he's simply too tired to be Daddy tonight and asks his son to take over for him. An utterly relatable theme told with humor and heart provides a story parents and children will delight in reading together at bedtime.

"Get ready to smile...[A] sweet story and the perfect antidote to the chaos that's been 2021." -the Skimm A deeply funny and shrewdly observed debut novel about being lost in the very place you know by heart. Bennett Driscoll is a Turner Prize-nominated artist who was once a rising star. Now, at age fifty-five, his wife has left him, he hasn't sold a painting in two years, and his gallery wants to stop selling his work, claiming they'll have more value retrospectively...when he's dead. So, left with a large West London home and no income, he's forced to move into his artist's studio in

# Download Ebook Instagram For Authors Artists And Entrepreneurs Social Networking For The Creative Mind Volume 7

the back garden and list his house on the popular vacation rental site, AirBed. A stranger now in his own home, with his daughter, Mia, off at art school, and any new relationships fizzling out at best, Bennett struggles to find purpose in his day-to-day. That all changes when three different guests--lonely American Alicia; tortured artist Emma; and cautiously optimistic divorcée Kirstie--unwittingly unlock the pieces of himself that have been lost to him for too long. Warm, witty, and utterly humane, Super Host offers a captivating portrait of middle age, relationships, and what it truly means to take a new chance at life.

**\*\* A New York Times Bestseller \*\* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY: Time • The New Yorker • NPR • GQ • Elle • Vulture • Fortune • Boing Boing • The Irish Times • The New York Public Library • The Brooklyn Public Library** "A complex, smart and ambitious book that at first reads like a self-help manual, then blossoms into a wide-ranging political manifesto."—Jonah Engel Bromwich, The New York Times Book Review One of President Barack Obama's "Favorite Books of 2019" Porchlight's Personal Development & Human Behavior Book of the Year In a world where addictive technology is designed to buy and sell our attention, and our value is determined by our 24/7 data productivity, it can seem impossible to escape. But in this inspiring field guide to dropping out of the attention economy, artist and critic Jenny Odell shows us how we can still win back our lives. Odell sees our attention as the most precious—and overdrawn—resource we have. And we must actively and continuously choose how we use it. We might not spend it on things that capitalism has deemed important ... but once we can start paying a new kind of attention, she writes, we can undertake bolder forms of political action, reimagine humankind's role in the environment, and arrive at more meaningful understandings of happiness and progress. Far from the simple anti-technology screed, or the back-to-nature meditation we read so often, How to do Nothing is an action plan for thinking outside of capitalist narratives of efficiency and techno-determinism. Provocative, timely, and utterly persuasive, this book will change how you see your place in our world.

From the author of Let's Get Digital and Amazon Decoded, this book will change how you think about marketing. Strangers to Superfans puts you in the shoes of your Ideal Readers, and forces you to view your marketing from their perspective. \*Learn the five stages in the Reader Journey. \*Identify where your blockages are and how to fix them. \*Optimize each stage to increase conversion. \*Boost sales by making the process more frictionless. \*Build an army of passionate readers who do the selling for you. It's not enough to know who your Ideal Readers are, you also need to imagine how they feel when a recommendation email arrives containing your cover. You must figure out why they hesitated before clicking the Buy button. And it's crucial to determine why they liked your book enough to finish it... but not sufficiently to recommend it to their friends. The Reader Journey is a new marketing paradigm that maps out the journey your
