Review of Intimate Warfare The True Story of The Arturo Gatti And Micky Ward Boxing Trilogy Dennis Taylor and John J. Raspanti By Jerry Fitch-Cleveland Boxing Historian/Author Latest In the Ring with Boxing Historian and Publisher Adam J. Pollack

This book tells the story of the greatest blood-and-guts rivalry in the history of boxing, the spectacular trilogy of fights between Arturo "Thunder" Gatti and "Irish" Micky Ward. It paints a vivid portrait of two charismatic boxers who ushered each other into boxing lore with their three epic collisions, tracing their lives, careers, collisions in the ring, and the unlikely friendship they formed despite their brutal fights.

Intimate Warfare: The True Story of the Arturo Gatti and Micky Ward Boxing Trilogy traces the lives and careers of two legendary fighters□Micky Ward, a humble, hardscrabble, blue-collar

Irishman from Lowell, Massachusetts, and Arturo Gatti, a handsome, flashy, charismatic Italian-born star who was raised in Montreal. Dennis Taylor and John J. Raspanti paint a vivid portrait of these two fighters who ushered each other into boxing lore and formed an unlikely friendship despite their brutal battles in the ring. Gatti's life would end tragically and mysteriously just a few years later, but his name and Ward's remain tied together in boxing history. In *Intimate Warfare*, each of the three spectacular fights between Gatti and Ward, two of which were named *The Ring* magazine's "Fight of the Year," are described in detail. Multiple photographs from the trilogy highlight the intensity and power of these epic collisions. With a foreword by former world champion and International Boxing Hall of Famer Ray "Boom Boom" Mancini, this book will be of interest to all fans of boxing.

With the success of the critically-acclaimed, Academy Award-winning film "The Fighter," the world stood up and cheered for the inspiring true story of Micky Ward—a heart-and-soul warrior who overcame the odds to make history in the ring. But that was only part of the tale! Now, in his own words, "Irish" Micky Ward tells his inspirational life story as only he can. From his first bout at the age of seven, Micky Ward was known first and foremost for giving as good as he got, and for leaving absolutely everything he had in the ring. When he fought, quitting was never an option. It was that indomitable spirit that would allow him to survive, battle against, and overcome the harsh realities that he faced every day of his life. For it was outside the ring that Ward's heart would be most needed, from witnessing his idolized older half-brother Dicky fall from grace, to dealing with his wildly dysfunctional—if frighteningly loyal—family, to the darkest of secrets that he has never revealed until now, and the numerous setbacks and defeats that would have stopped a lesser man. Micky Ward has remained a fighter, through and through—both as a professional boxer, and as a man who finally found his greatest strength in friendship, family, and faith in himself. From the rough streets of Lowell, Massachusetts, to the blood and sweat of the international fight game, to the bright lights and adulation of Hollywood, this is the rousing, moving, tragic, and humorous story of the one and only Micky Ward.

Documents the efforts of crusading lawyer Joel Renolds and marine biologist Ken Balcolm to expose a covert U.S. Navy sub detection system that caused whales to beach themselves, an effort that challenged Ken's loyalties and pitted them against powerful military adversaries.

"Now, in his vivid memoir, *Wait for Me, True Stories of War, Love and Rock & Roll*, Bill Gentile turns back the clock to the 1980s and thrusts us into the mountains of Nicaragua and the slums of El Salvador to offer what he calls "a firsthand, frontline account of the human cost of war." He succeeds for two simple reasons: he was willing to take serious risks and, more pertinently, he survived to tell his story when so many around him—soldiers, rebels and photojournalists like himself—were killed. It was, to put it bluntly, a murderous time." - Alan Riding, former New York Times Mexico and Central America bureau chief. Bill Gentile did more than just "cover" Nicaragua's Sandinista Revolution and the Con-tra War. He lived them. First as corre-spondent for United Press International (UPI) and later as photojournalist for Newsweek magazine, Gentile experi-enced those historic events from the inside, as the partner of a Nicaraguan woman whose prominent family "adopted" him as one of their own. His memoir takes readers not only to the 1979 revolution, the Contra War in the merciless mountains of Nicaragua and to the deadly streets of El Salvador, but also to the steel mills and backyards of southwestern Pennsylvan-ia where the Italian immigrant com-munity prepared him for those conflicts, and then waited for his return. This book introduces the American public to the victims of U.S. intervention abroad. It is a firsthand, frontline account of the human cost of war. *Wait for Me: True Stories of War, Love and Rock & Roll*, explores family, self, love, loss

and love again - told against a backdrop of adversity and warfare. For more information and photos relative to Wait for Me, see [waitformebook.com](http://waitformebook.com)

"After Combat introduces readers to the wars fought by Millennials from the perspective of the combatants. Told by veterans, After Combat narrates what Tim O'Brien calls a "true war story:" one without obvious purpose or moral imputation, independent of civilian logic, propaganda goals, and even peacetime convention"

An Intimate War tells the story of the last thirty-four years of conflict in Helmand Province, Afghanistan as seen through the eyes of the Helmandis. In the West, this period is often defined through different lenses - the Soviet intervention, the civil war, the Taliban, and the post-2001 nation-building era. Yet, as experienced by local inhabitants, the Helmand conflict is a perennial one, involving the same individuals, families and groups, and driven by the same arguments over land, water and power. This book - based on both military and research experience in Helmand and 150 interviews in Pashto - offers a very different view of Helmand from those in the media. It demonstrates how outsiders have most often misunderstood the ongoing struggle in Helmand and how, in doing so, they have exacerbated the conflict, perpetuated it and made it more violent - precisely the opposite of what was intended when their interventions were launched. Mike Martin's oral history of Helmand underscores the absolute imperative of understanding the highly local, personal, and non-ideological nature of internal conflict in much of the 'third' world.

Chronicles the stories of Columbian children who have lost parents, homes, schools, and any hope of day-to-day security, yet work for change and face the future with the confidence that their efforts will make a difference.

In this riveting account, journalist Stanton recreates the miseries and triumphs of specially trained mounted U.S. soldiers, deployed in the war-ravaged Afghanistan mountains to fight alongside the Northern Alliance against the Taliban. Tall Premium Edition.

By sharing his own story, the author, a third-generation military flyer who served two tours of duty in Iraq, helps his readers understand what military men and women experience on the front lines of war - and what they bring home.
