"No shoes compared to the style and sophistication they offered. From the first email of enquiry to the sales team, to the delivery of the shoes; attention to detail was spot on. The shoes are so special to me. So many people commented on them...how they hadn't seen shoes like them before. I took them on my honeymoon and can't wait for an excuse to wear them again. I can't recommend Emmy London ...

The bestselling author of the Kurt Wallander series delivers a "short, beautiful, and ultimately life-affirming novel" about the path to self-acceptance (Booklist). From the prize-winning "master of atmosphere" comes the surprising and affecting story of a man well past middle age who suddenly finds himself on the threshold of renewal (The Boston Globe). Living on a tiny island that is surrounded by ice during the long winter months, Fredrik Wehn is so lost to the world that he cuts a hole in the ice every morning and lowers himself into the freezing water to remind himself that he is alive. Haunted by memories of the terrible mistake that drove him to this island and away from a successful career as a surgeon, he lives in a stasis so complete that an anthill grows undisturbed in his living room. When an unexpected visitor disrupts this frigid existence, Fredrik begins an eccentric, elegiac journeyone that displays the full height of Henning Mankell's storytelling powers. A deeply human tale of loss and redemption, Italian Shoes is "a voyage into the soul of a man" expertly crafted with "snares that Mankell has hidden with a hunter's skill inside this spectral landscape" (The Guardian). "Beautiful." (The Boston Globe "A fine meditation on love and loss." (The Sunday Telegraph "Intense and precisely detailed. . . . A hopeful account of a man released from self-imposed withdrawal." (The Independent "The creator of police detective Kurt Wallander presents a tale of mortal reckoning in which all the deaths are natural but none the less powerful." (Kirkus Reviews

The world of Italian footwear interpreted through playful visual pairings by fashion photographer Giovanni Gastel. A fitting tribute to the elegance, creativity, and excellence of Italian manufacturing, for all those who love elegance and creativity, and for all women who love shoes. In a sequence of beautiful shots, Gastel juxtaposes shoes with common objects that evoke them by their shape, color or texture. Pairings of great elegance, witty and unusual, highlight the creativity of the shoe designs. With an introduction by fashion journalist Giusy Ferre.

This rich narrative follows a young man through Italy as he searches for his ancestral roots as well as his own identity. His pilgrimage, one that becomes sacred to the aspiring author as he searches for an authentic voice, takes him through Venice, Florence, Rome, and the Italian countryside where he works with peasants and follows the ancient traditions of blood and wine, leading him to rethink his philosophy and reevaluate the direction of his life.

Unlock the more straightforward side of Italian Shoes with this concise and insightful summary and analysis! This engaging summary presents an analysis of Italian Shoes by Henning Mankell, which tells the story of a former surgeon who has retired to live in almost total isolation on a remote island. However, one day his world is turned upside down when he meets the former lover he abandoned thirty years earlier. This forces him to confront his past and make amends for his previous actions, ultimately drawing him out of his self-imposed solitude. The novel offers a thought-provoking examination of the regrets of its protagonists, who are now elderly and facing death, as well as the possibilities for forgiveness and change in personal relationships. Henning Mankell was a Swedish novelist, playwright and left-wing activist and social critic. He was best known for his crime writing, and in particular for his series of novels featuring the detective Inspector Kurt Wallander. Find out everything you need to know about Italian Shoes in a fraction of the time! This in-depth and informative reading guide brings you:

See the very best of literature in a whole new light with BrightSummaries.com!

The world of Italian footwear interpreted through playful visual pairings by fashion photographer Giovanni Gastel. A fitting tribute to the elegance, creativity, and excellence of Italian manufacturing. Shoes juxtaposed with common objects that they evoke by their shape, color, or texture become pairings of great elegance, witty and unusual, highlighting the creativity of shoe design. In this unique book, a selection of the most important Italian brands conveys the essence of the style "made in Italy," with Prada, Tod's, Fendi, Hogan, Salvatore Ferragamo, Fratelli Rossetti, Cesare Paciotti, Thierry Rabotin, Pollini, and Ballin among the inspiring Italian companies illustrated in the volume. Italian shoes have always been iconic accessories, prestige symbols, and a guarantee of quality on international markets. The creative flair of Italian brands has succeeded in turning a simple functional accessory into so much more, crafting true works of art and objects of style: shoes reinterpret everyday objects and enhance their aesthetic potential. The splendid images are enlivened with quotes from style icons such as Coco Chanel, David Bowie, Victoria Beckham, and others. "Give a girl the right shoes and she can conquer the world." Marilyn Monroe once claimed, emphasizing the great importance of this iconic object in everyone's life and especially in that of women.

From the prizewinning "master of atmosphere" (The Boston Globe) and the creator of the best-selling Kurt Wallander mystery series comes the surprising and affecting story of a man well past middle age who suddenly finds himself on the threshold of renewal. Living on a tiny island entirely surrounded by ice during the long winter months, Fredrik Wehn is so lost to the world that he cuts a hole in the ice every morning and lowers himself into the freezing water to remind himself that he is alive. Haunted by memories of the terrible mistake that drove him to abandon a successful career as a surgeon, he lives in a stasis so complete an ant-hill grows undisturbed in his living room. Then an unexpected visitor alters his life completely: Harriet, whom he inexplicably abandoned in the midst of their youthful romance, turns up decades after they last saw each other and demands that Fredrik fulfill an old promise and take her to the forest pool he visited as a youth. Thus begins their eccentric, elegiac journey, leading to undreamt-of connections. A moving tale of loss and redemption, Italian Shoes is a testament to the unpredictability of life, which breeds hope even in the face of tragedy.
