Woodblock prints, essays, and translations scratch to light the secret lives of Japan's mythological felines.

Woodblock prints, essays, and translations scratch to light the secret lives of Japan's mythological felines.

Woodblock prints, essays, and translations scratch to light the secret lives of Japan's mythological felines.

A comprehensive compendium celebrating the old-fashioned pleasure of pure play.

An eerie yet insightful exploration into the phenomenon of yurei, or Japanese ghosts, both past and present.

Mo Banda is a serious, fearful little boy who overcomes his fear by facing it. Once he does this, he discovers fear can become a friend who might have some things to teach him about life!

The extraordinary story of the young African who came to be called "The Apostle of Simple Faith."While most missionary biographies detail the lives of Western missionaries, this is the story of the African missionary that God called to the United States when slavery and segregation were a way of life. Previously published under the title The March of Faith, this book details the moving life story of Samuel Morris.After a miraculous escape from certain death during the ravages of intertribal warfare in Liberia, Africa, Kaboo was converted to Christ by Methodist missionaries and baptized under the name Samuel Morris. Traveling to America for pastoral training in the late 1880's, his trip was a missionary voyage in itself when several seamen were lead to Christ through his godly life. At Taylor University his example of faith made him a leader among the students and a challenge to the faulty.An unforgettable biography which shows Christ's love felling all racial barriers.

'How many were killed in the attack today?' asked Fursa, the senior sheep. He was surveying the bloodstained East African grassland where the lions had gone on a rampage, now scattered with the shattered bones of his friends and families. Despair hung thick in the air.' Welcome to the jungle. Here, the survival of the fittest is the ultimate truth. The weaker animal gets eaten in what is considered a natural food chain. But some have been tampering with the organic arrangement for selfish gains and resorting to mass murder. In the Mau Forest in East Africa, the mighty lion king Kaazaar's autocratic ways are wreaking havoc on his subjects. Known to be the longest-serving ruler of the pride, he is ministered by the shrewd Shaka - the former leader of the lambs who betrayed his flock for the stronger lions. With their defences exposed, the lambs are backed into a corner. How do the lambs stop the carnage and find refuge? Will they be able to reverse the fate of their species and restore the Law of the Jungle? Can a bunch of fearful lambs learn to roar? What emerges is an illuminating leadership fable. The politics of the jungle and the strategies that aid survival are lessons of lasting value that will not only inspire but also help find the leader within you.

The dinosaurs are going exploring. Feel their soft heads, and have fun counting down from five as each dinosaur disappears.

Bookworm Akira has read about the conniving ways of Yokai, but when he trips over one along a forest path, he decides to help the creature back to its murky water home. A challenge ensues involving Akira 's beloved grandmother, a pizza-producing hammer, and a crunchy cucumber. Haunting illustrations of the Yokai accompany 17 original stories.

A biography of the son of a Kru village chief who escaped from his cruel captors in Liberia and who was eventually led by the Holy Spirit to make his way to the United States, where he in turn led many to God.
