The book Keri: The SHOCKING True Story of a Child Abused is a sad and awful memoir of the horrible abuse endured by one young lady from birth to age 14. The author, the eponymous Keri, lived with an awfully abusive mother until the age of about 4 or 5, at which time the mother married an equally loathsome step-father.

Even kids who grow up in happy, loving households encounter all manner of problems during adolescence. But children who were abused, raped, ...

~~KERI 2: The Original Child Abuse True Story Audiobook ...~~

The year was 1975, and at age 16, young Keri was desperate to strike out on her own. However, as listeners of the first three volumes of this series will know, her childhood was hardly the loving, supportive, preparatory period it should have been. Instead of family dinners and piano recitals, there were shattered dishes and abusive parents.

Although long-winded and only covering a period of fifteen traumatic years, this biography is a true account of hidden child abuse. It is not for the faint-hearted. Kat Ward relates, with utter candour, her experiences at the hands of the mother who hated her even before she was born, her step-father, who regarded her as something to be used on a whim and her step-father's friends -- to whom he 'sold' her. Even with so-called 'professionals' involved and despite the fact that Keri told the truth to her teacher, priest, social workers and child psychiatrist, nothing got better. In fact, things got worse and worse.

CHILD ABUSE TRUE STORIES PRESENTS: THE FINAL VOLUME OF KAT WARD'S SENSATIONAL AUTOBIOGRAPHY! After nearly a million words, three thousand pages, and countless nights of blood, sweat and tears, this truly is the book that needs no introduction! Kat Ward, the perennial survivor, has taken readers on a rollercoaster journey throughout her first six books, in which she lays bare the horrific events of her early life. Now, in this final chapter, she stares down the barrel of a mature existence, and realises that if she's ever going to live a normal life, she'll have to shed herself of her past completely, and start all over again. But after all the baggage is dumped, is there even anything left of the little girl within? **DISCLAIMER:** This is a true story of child abuse. Reader discretion is advised.

Volume 6 of the autobiographical series originally begun as a healing tool. In fact, Kat continues to heal whilst writing of her adult life even though she had been unaware that she needed to do so. Severely damaged from early childhood and throughout her formative years, Keri had ended up in local authority care, from where she should have been safe at last. This proved not to be the case at all. Already hurt beyond repair, Keri moved from pillar to post and from one disaster to another. In this sixth volume, Keri (now Karin) moves in with her new husband and his family. Of course, things can never be simple for someone who just does not know how to be a mother, a wife, even a fully-rounded person. In next to no time, Karin finds herself homeless, childless and without any kind of safety net. It is beginning to appear as if every single thing Mother had predicted for Karin's future will come true ... Now in her late fifties and living on the North Wales/English border along with her multiple pets and with three grown-up sons visiting regularly, Kat feels she has finally come full circle and is now actually beginning to live and experience life in a more usual frame. Sometimes, she describes herself as a writer.

A shocking expose of the appalling abuse and experimentation carried out on vulnerable

children at Aston Hall Hospital, Derbyshire, in the 60s and 70s.

Kat Ward was the first victim to speak out about the abuse she suffered at the hands of Jimmy Savile. Her shocking testimony was the catalyst for the uncovering of decades of abuse and cover-ups. Kat Ward's childhood was marked by physical, emotional and sexual abuse. She was eventually taken into local authority care to a children's home in Norfolk, and first encountered Savile whilst on a 'holiday' with the home on Jersey. Later, she was moved to Duncroft Approved School in Surrey, a secure unit. Amazingly, Savile turned up there too; he would regularly drive up in his Rolls-Royce and offer sweets and cigarettes in return for sexual favours. Kat's revelations had already appeared in a memoir she'd placed online using Savile's initials, but she first spoke on camera as part of Newsnight's infamous shelved Savile exposé. However, it was ITV's Exposure: The Other Side of Jimmy Savile (in which Kat did not take part), that led to his unmasking as a serial sex offender and opened the floodgates for hundreds of other victims to come forward, and for many other offenders to be unmasked. Freddie Starr brought a High Court case against her for libel and slander, seeking £300,000 in damages, calling her 'liar' and 'nutter'. It failed spectacularly in July 2015, with costs awarded against him. Although the last few years have been trying, they have ultimately brought Kat vindication after years of being labelled an attention-seeker and liar. Her book, which charts her life from the 1960s to the end of Starr's failed action, is a unique, harrowing and immensely moving perspective on one of the biggest news stories of the last decade.

Otis P. Oliver is taking a stand. He is NOT taking another bath--ever. But when your opinions matter to the rest of the family about as much as the opinions of the family dog (who, it's worth mentioning, only has to bathe once a month), you have to get serious. So Otis borrows a spiffy suit from his dad and rouses a rabble of neighbor kids to stand up for what the know is right: a bathtub ban. This hilarious story about standing up for what you believe in, compromise, and family will have readers of all ages ready to hit the pavement for their cause--whatever it may be.

When Tuesday Storm's mother plunges headfirst down a flight of stairs, it's the second-worst thing that ever happens in Tuesday's life. The first? Mama survives the accident. Suddenly she's furious with Tuesday for some mysterious "bad thing" she's done. The doctor says the aggression is due to a brain injury and only temporary. So the Storms do what any proud, Southern family would. They hide the problem, hoping it will go away. Meanwhile little Tuesday becomes the target of unrelenting hostility and twisted "punishments." In this based-on-a-true-story novel, a now-grown Tuesday recounts, with raw emotion, her sudden "loss" of a nurturing mother, and the tragic years to follow living with the monster in her mother's clothes--a monster she can't stop loving.

An Indie Next List Selection Keri Smith, creator of the mega-bestselling Wreck This Journal, now brings her imagination and inspiration to children with this picture book that explores the very active experience of reading. What if there were a book that changed every time you read it? Actually, every book does this. We are all part of the books we read, because our individual reactions, ideas, and emotions make the book whole, and these things are changing all the time. Keri Smith has helped millions of people free their creativity and find their own voice with her interactive books, and now she brings that sensibility to children and to the act of reading. This picture book is an invitation to honor your own vision and to welcome imperfection. Kids will discover that reading can engage all five senses, and that what they themselves bring to a book is an important contribution. (And of course they'll be invited to do a bit of harmless wrecking!)

The Sunday Times top ten bestseller... You're not going home. You're not going anywhere. You're mine now. Growing up in a deeply troubled family, 15-year-old Anna felt lost and alone in the world. So when a friendly taxi driver befriended her, Anna welcomed the attention, and agreed to go home with him to meet his family. She wouldn't escape for over a decade. Held captive by a sadistic paedophile, Anna was subjected to despicable levels of sexual abuse and torture. The unrelenting violence and degradation resulted in numerous miscarriages, and the birth of four babies... each one stolen away from Anna at birth. Her salvation arrived thirteen years too late, but despite her shattered mind and body, Anna finally managed to flee. This is her harrowing, yet uplifting, true story of survival.
