Il quinto episodio della serie L'Accademia dei Vampiri. Dopo un lungo e straziante viaggio nel luogo di nascita di Dimitri in Siberia, Rose Hathaway è finalmente tornata dalla sua migliore amica, Lissa. Il diploma è vicino, e le ragazze non vedono l'ora che inizi la loro vita reale al di là dei cancelli dell'Accademia. Rose soffre ancora per Dimitri: sa che lui è là fuori, da qualche parte. Non è riuscita a ucciderlo quando ne ha avuto l'occasione e ora le sue peggiori paure stanno per diventare realtà: Dimitri ha assaggiato il suo sangue e le sta dando la caccia. Non si darà pace fino a quando non saranno uniti per sempre.

Rose loves Dimitri, Dimitri might love Tasha, and Mason would die to be with Rose... It's winter break at St. Vladimir's, but Rose is feeling anything but festive. A massive Strigoi attack has put the school on high alert, and now the Academy's crawling with Guardians—including Rose's hard-hitting mother, Janine Hathaway. And if hand-to-hand combat with her mom wasn't bad enough, Rose's tutor Dimitri has his eye on someone else, her friend Mason's got a huge crush on her, and Rose keeps getting stuck in Lissa's head while she's making out with her boyfriend, Christian! The Strigoi are closing in, and the Academy's not taking any risks.... This year, St. Vlad's annual holiday ski trip is mandatory. But the glittering winter landscape and the posh Idaho resort only create the illusion of safety. When three friends run away in an offensive move against the deadly Strigoi, Rose must join forces with Christian to

rescue them. But heroism rarely comes without a price...

The recent Strigoi attack at St. Vladimir's Academy was the deadliest ever in the school's history, claiming the lives of Moroi students, teachers, and guardians alike. Even worse, the Strigoi took some of their victims with them . . . including Dimitri. He'd rather die than be one of them, and now Rose must abandon her best friend, Lissa—the one she has sworn to protect no matter what—and keep the promise Dimitri begged her to make long ago. But with everything at stake, how can she possibly destroy the person she loves most?

Framed for the murder of Queen Tatiana, bodyguard Rose faces the trial of her life as best friend Lissa, a vampire princess, becomes first in line for the royal throne.

The following pages contain the substance of a discourse on the resurrection of the body, preached in Erie, PA, late in the fall of 1845. The occasion of the sermon was the introduction of numerous copies of a book written by George Bush, Professor of Hebrew in the New York University. The avowed object of the book is to overthrow the commonly received opinion of the resurrection of the body. These books were extensively circulated and read. Some embraced the new theory, others found their faith weakened by the bewildering speculations of the learned author. Under these circumstances, believing the error inculcated in the book to be fundamental; that it aimed a fatal blow at the very vitals of Christianity; that it led directly, in all its tendencies, to infidelity; a refutation was undertaken, and the following discourse, in three parts, delivered during three successive sabbaths. - Advertisement.

In a constantly interconnected world communication takes place beyond territorial boundaries, in networks where English works as a lingua franca. The volume explores how ELF is employed in internationally-oriented personal blogs; findings show how bloggers deploy an array of resources to their expressive and interactional aims, combining global and local communicative practices. Implications of findings in ELF and ELT terms are also discussed.

highest test scores, the most glamorous wardrobe, and the greatest opportunities to match with an elite suitor in the New World. Training alongside other girls in the Glittering Court, Tamsin immerses herself completely in lessons about etiquette, history, and music--everything a high-society wife would need to know. Once she's married, she'll be able to afford a better life for her family, so the sacrifice is worth it if she can be the best. When her friendship with Mira and Adelaide, her roommates at the Glittering Court, threatens her status as the top-ranked prospect, she does the only thing she knows will keep her on track: she cuts them out of her life. But when her voyage across the sea goes off course, Tamsin must use her unrelenting grit and determination to survive the harsh winter far north of her intended destination in hopes of making it back to the Glittering Court in time to secure a proposal--and a comfortable future for her family. Experiencing new cultures and beliefs for the first time, Tamsin realizes that her careful studies haven't prepared her for everything, and with new alliances formed with roguish tradesman Jago Robinson and good-natured minister Gideon Stewart, Tamsin's heart begins to be pulled in different directions. But she can't let her brewing attraction get in the way of her ultimate goal: protecting the secret she holds closest to her heart, the one that would unravel everything she's worked for if it's uncovered.

This is the third volume in the Sex and Horror series, which celebrates the publishing craze known as "fumetti sexy: " Italian adult comics and cartoons with a unique take on such genres as horror, crime, fantasy, history, and fairy tales. Their huge success in the 1960s and '70s was due in part to their uninhibited mix of twisted humor, gory violence, and up-front eroticism, but the element that makes them so collectable today is their technicolor cover illustrations, rendered by classically trained painters. This book focuses on the work of Fernando Carcupino, famed not just for his comic work but his pinups, as well.
