With Yumiri Hanamori, Nao Tōyama, Sayuri Hara, Aki Toyosaki. Nadeshiko, a high school student who had moved from Shizuoka to Yamanashi, decides to see the famous, 1000 yen-bill-featured Mount Fuji. Even though she manages to bike all the way to Motosu, she's forced to turn back because of worsening weather. Unable to set her eyes on her goal, she faints partway to her destination.

Shelves: manga, 5-stars Yuru Camp, or Laid-Back Camp, is yet another series that I came across this year as an anime first, and it instantly became one of my favourites. It's a slice of life story about a group of high school girls who are into autumn/winter camping and that's the whole pitch of the series.

From the popular anime series "Laid-Back Camp" comes a 1/7th scale figure of Rin Shima. Rin has been recreated based on a scene from the first episode, "Mount Fuji and Curry Noodles". The figure has been carefully painted to capture the relaxed atmosphere of the anime. Rin's camping tools have also been faithfully recreated.

Setting up a tent, starting a fire, and eating noodles with Mt. Fuji in view...Rin and Nadeshiko absolutely love to camp! Enjoy their zest for travel and maybe even pick up a tip or two about roughing it in the great outdoors. You might just want to go camping yourself!

Setting up a tent, starting a fire, and eating noodles with Mt. Fuji in view...Rin and Nadeshiko absolutely love to camp! Enjoy their zest for travel and maybe even pick up a tip or two about roughing it in the great outdoors. You might just want to go camping yourself!

Rin's always loved to go camping solo, while Nadeshiko's learning to appreciate camping more and more. What sights will they take in when they bump into each other, especially with the entire Outdoor Exploration Club in tow?

Rin and Ayano are on a camping road trip to Ooi River while Nadeshiko takes a train to meet them there. The train runs along the river, and the surrounding land is home to a bevy of suspension bridges.

Presents a groundbreaking investigation into the origins of morality at the core of religion and politics, offering scholarly insight into the motivations behind cultural clashes that are polarizing America.

Beginning with the absolutely critical first moments of the outbreak in China, and ending with an epilogue on the vaccine rollout and the unprecedented events between the election of Joseph Biden and his inauguration, Lawrence Wright's *The Plague Year* surges forward with essential information--and fascinating historical parallels--examining the medical, economic, political, and social ramifications of the COVID-19 pandemic.

"Oh my human brothers, let me tell you how it happened." Dr. Max Aue, the man at the heart of Jonathan Littell's stunning and controversial novel *The Kindly Ones*, personifies the evils of the Second World War and the Holocaust. Highly educated and cultured, he was an ambitious SS officer, a Nazi and mass murderer who was in the upper echelons of the Third Reich. He tells us of his experience during the war. He was present at Auschwitz and Babi Yar, witnessed the battle of Stalingrad, and survived the fall of Berlin—receiving a medal from Hitler personally in the last days of Nazi Germany. Long after the war, he is living a comfortable bourgeois life in France, married with two children, managing a lace factory. And now, having evaded justice, he speaks out, giving a precise and accurate record of his life. The tone of his account is detached, lapidary, and for the most part unrepentant, whether he is describing his participation in mass murder on the Eastern Front, his bureaucratic investigations of labour productivity in the death camps, his casual murder of civilians as he tries to break through Russian lines towards the end of the war, or his fervid and convoluted relationship with his twin sister. Over its course, by entwining Aue's life with those of historical figures such as Eichmann and Speer, Himmler and indeed Hitler, *The Kindly Ones* comes to depict the entire architecture of Nazism—from its grandest intellectual pretensions to its most minute, most chilling managerial details and executions. *The Kindly Ones* presents—with unprecedented realism, meticulous research that is both fascinating and compelling, and brilliant literary accomplishment—the greatest horrors imaginable. "War and murder are a question, a question without an answer, for when you cry out in the night, no one answers," Aue says. In the

same way, this powerfully affecting, powerfully challenging book confronts the reader with the most profound questions about history, morality, and art without offering any easy resolution. Written originally in French, and published now in English for the first time, *The Kindly Ones* has already sold to date well over a million copies in Europe. In France it won two prestigious prizes, including the Goncourt, and has been compared to *War and Peace* and other great classics of literature.

Stephen Crane's immortal masterpiece about the nightmare of war was first published in 1895 and brought its young author immediate international fame. Set during the Civil War, it tells of the brutal disillusionment of a young recruit who had dreamed of the thrill and glory of war, only to find himself fleeing the horror of a battlefield. Shame over his cowardice drives him to seek to redeem himself by being wounded—learning what he calls the “red badge of courage.” Praised for its psychological insight and its intense and unprecedented realism in portraying the experience of men under fire, *The Red Badge of Courage* has been a beloved bestseller for more than a century.
